

Dear Admiral Families,

As a parent, you know how important high school years are, and nothing captures those years like a personal ad in a program. This special band program will be created for the **Annual Gulf Coast Marching Evaluation and Festival** on Saturday, **October 7, 2023**. As a parent of a child in the Admiral Band, this will be an opportunity for you to showcase your child and highlight your child's accomplishments. This band program will be a keepsake for your child for many years, but also set in stone the mark that your child has made with the Admiral Band.

Each message will be unique because it is written exclusively by you. You may include photos, poems, or anything you feel has meaning to your child. (Just a little "we love you" will do!) A student's high school years have always been known as the most important and memorable time in his or her school career. Make this time even more special for your student by giving him or her a lasting message of your love. Since the message and pictures will be printed in all band programs, we request that careful consideration is given to the content of materials submitted and we reserve the right to edit inappropriate content.

Respectfully,

Wes Morehead
