

MCJROTC HAIRCUT REGULATION

A regulation haircut is required. The following applies. Hair will be neat and closely trimmed. The hair will be clipped at the edges of the side and back; will be evenly graduated from zero length at the hairline in the lower portion of the head to the upper portion of the head; and will not be over three inches in length fully extended on the upper portion of the head; the back and sides of the head below the hairline may be shaved to remove body hair. Sideburns will not extend below the middle of the ear hole. Sideburns will not be styled to taper or flare. The length of an individual hair of the sideburn will not exceed 1/8 inch when fully extended.

High Regulation Haircut

Low Regulation Haircut

The sides and back of the hair will be tapered or graduated evenly from zero to not more than three inches on the top. **Not squared in the back.**

****We prefer the high regulation style. However, both of these haircut styles are acceptable. Again, the hair must stay off the ears, be evenly tapered in the back, on the sides, and not longer than three inches on top.**
