Self-Administration and Possession Medication Form

Michigan State Law requires that students self-administering medications must have written orders from the physician/licensed prescriber and written authorization from the parent/guardian.

PLEASE NOTE - "Medication" refers to any prescription, over-the-counter (OTC), homeopathic, herbal, vitamin, or mineral preparation.

Parents are urged to give medication at home and on a schedule outside of school hours, if possible. If it is necessary that medication be provided during school hours, these regulations must be followed:

- Medications must be prescribed in writing by a physician or other licensed prescriber and must be renewed at least annually.
- All medication must be brought to school in the original pharmacy or OTC container labeled with the name of the student, medication, strength, dosage, route and time(s) to be given.
- Medications and related equipment/supplies, as ordered, must be provided to the school by parent/guardian as needed.
- A separate authorization form must be completed for each medication that will be self-administered and in possession of the student throughout the school day.
- Any misuse of medication by a student that violates school policies, including sharing medication for any reason, will result in revocation of self-possession privileges and may result in a referral to law enforcement officials.

Self-administration means that the student can administer the medication in a manner directed by the physician without additional direction or supervision by school staff.

Self-possession means that under the direction of the physician, the student may carry medication on his/her person to allow for immediate and self-determined administration. When applicable, only a one-day supply of medication should be carried. Families are encouraged to provide spare medication properly labeled in its original container to the school, in case the student runs out or forgets the medication. The building administrator may discontinue the student's self-possession privilege upon advanced notice to the parent/guardian. **The student must carry a copy of this form at school.**

STUDENT'S NAME: _____ DATE OF BIRTH: _____ UIC#: _____

TO BE COMPLETED BY THE PHYSICIAN:

Medication Name	Dosage	Route	Time & Frequency

Form of medication: Tablet/capsule Liquid Inhaler Injection Nebulizer Other _____

Special instructions/storage requirements: _____

Signs/Symptoms for which medication is being prescribed: _____

Restrictions and/or important side effects: _____

Order Start Date: _____ Order End Date: _____

(If no end date is indicated, medication orders will expire at the end of the current school year).
