Join your Olentangy Schools Parent Mentors, Fran Gardner and Anne Pistone for a virtual coffee chat. A Parent Mentor is a free support provided by the district to parents of neurodiverse children or children who are suspected of being neurodiverse. A Parent Mentor is the parent of a neurodiverse child who acts as a bridge between home and school to support meaningful collaboration. Grab your favorite beverage and a snack to drop in to meet and connect with other parents who have a child with an IEP or a Section 504 Plan.
