Courses may not run due to low enrollment and preference may be given to upperclassmen. Detailed course descriptions are available online at www.d155.org.

Any student who plans to attend summer school—including students with an IEP—should contact the student services department at his/her high school and register as soon as possible. Student services offices in all District 155 schools are open every weekday from 7 a.m. to 4 p.m. during the school year, and from 7 a.m. to 3:30 p.m. (Mon.-Thur.) or 12 p.m. (Fridays) during the summer. Please note: Some courses may not be offered due to insufficient enrollment.

With the exception of driver’s education courses, all summer school courses will be held at **Crystal Lake South High School located at 1200 S. McHenry Ave., Crystal Lake, IL 60014**. The main office number is (815) 455-3860. Driver’s education courses meet at the student’s home school.

Note: Students and parents should plan two extra days per semester beyond the published course schedule in case any unforeseen school closures occur.

Tuition & Fees

All courses: One-semester tuition: \$220 | Two semesters tuition: \$440

- If paying online, you must first submit the registration form to the Registrar. The Registrar will enter payment information in Skyward and send you an email with instructions on how to make your payment. Once payment has been made, your student will be enrolled in the class. Full payment must be made by midnight on April 20 for first semester or May 24 for second semester. Any student/parent failing to have all tuition and fees paid by these deadlines will be dropped from the course.
- If paying by check, your check must accompany the registration form for your student to be enrolled in the class.
- Please make all checks payable to: District 155.
- A waiver of fees for summer school coursework may be available for students who qualify. Please contact your child’s counselor for more information. Waivers are only available to students who complete the course for which they receive the fee waiver.
- If a check is returned for insufficient funds, the student will not be allowed to attend the class until the fee is paid (and absences will be accumulated).

Class Credit for Summer School

Unless otherwise noted, a ½-credit may be earned from successful completion of each semester of summer school coursework. Students may repeat courses they have previously passed, with the higher of the two grades entered on their permanent record. However, the student will only receive credit for the course once. Regardless of the course, all students must be present for the final exams.

Graduating Seniors

Graduating seniors from District 155 who are completing requirements for graduation at the end of either semester of summer school are required to sign the diploma list in their home school student services office.

Transportation Rules

Attendance

Attendance is extremely important, therefore, it is critical to plan ahead when considering enrollment in summer school. Most courses meet for 5 periods per day and are approximately the same total number of minutes as regular year courses. Each class period during the summer school day corresponds to one and one-sixth days' work during the regular school year. As a result, it is imperative that students be present each period on every day. Attendance is taken each class period (5 times per day). Any student who misses more than one full day of classes (5 periods) will be dropped from the class on the 6th period of absence. All absences need to be reported to the summer school office prior to 7:30 a.m. Failure to do so will result in a phone call to home or work. Instances of tardiness are addressed similarly. Students are expected to be punctual to each class period. Teachers will record tardies for each period. The third tardy to any class will be considered an absence from class. Each tardy after the third will count as an additional class absence. Therefore, a student could be dropped from class for a combination of absences and tardies, or a total of eight tardies.

***** All students must be present for final exams *****

Student Conduct

Students are required to abide by the same rules during summer school as they would during the school year. This information is contained in Board Policy 7:190, Student Behavior, and the student handbook available at www.d155.org. Students will adhere to behavior expectations in Board Policy 7:190 and follow the established school rules as published in the student handbook, as well as summer school rules contained in this packet. Disruptive behaviors during summer school may result in disciplinary consequences, including but not limited to, suspension from summer school and removal from the summer school program. Specifically, the use, possession, and/or distribution of any alcohol, drugs, vaping devices, or other drug-related paraphernalia on school property during summer school may result in the student being dropped from a class, an out-of-school suspension, or expulsion from the District. Suspensions from summer school will count towards the student's total number of absences for the summer session. As stated previously, once a student accumulates 6 periods of absences, s/he will be dropped from the class for the summer session. If a student is dropped from a summer school class, the parents/guardians may submit a written appeal of that disciplinary measure to the Assistant Superintendent of Educational Services, or his/her designee. The Assistant Superintendent's decision on the student's appeal is final.

- Dress: Students are expected to dress as they do during the regular school year. The facility is air-conditioned, so layering is recommended. Any clothing deemed inappropriate by summer school personnel are not to be worn in the building.
- Electronic Devices: Calculators are allowed and music devices are allowed during breaks. Electronic games are not allowed. Cell phones are to be turned off during summer school hours except during designated break times.
- Food: Open food and beverages are not allowed in classrooms but may be consumed during breaks in the designated area.
- Leaving Campus: Students are not allowed to go to the parking lot or to leave campus during summer school hours. Students leaving campus or going to the parking lot without permission will receive a multi-period suspension.
