A request was received via email on April 18 from Attorney Laura Sinars for additional documents (including letters, memos, emails and text messages) related to the petition by Mundelein High School District #120 to withdraw from the SEDOL cooperative. SEDOL Attorney Melissa Weiss has notified Ms. Sinars on April 25

(Over)

that SEDOL is exercising its right to extend the time to respond to the FOIA request by five business days for the following reasons: (1) the request requires collection of a substantial number of specified records; (2) the records will require examination and evaluation by personnel having the necessary competence and discretion to determine whether or not they are exempt from disclosure or should be revealed with appropriate redactions; and (3) the District cannot comply with the request within the five business days allowed without unduly burdening or interfering with the District's operations.
