The District reserves the right to reject any and all submittals. The District makes no representation that participation in the RFP process will lead to an award of contract or any consideration whatsoever. In no event will the District be responsible for the cost of preparing a response to this RFP. The District also reserves the right to waive any informalities or irregularities in received submittals.

I. INTRODUCTION

The District is seeking bids in response to this Request for Proposals (“RFP”) from vendors to provide Student Nutrition Pizza to school sites in the District, upon demand. At the District’s option, the term may be renewed for two (2) additional one (1)-year terms. The District’s requirements for pizza sizes, volume, and delivery requirements are set forth in EXHIBIT “A” attached to this RFP.

The District will choose the vendor who meets the objectives of the RFP and can provide the greatest overall benefit to the District based upon the information presented in the submitted bids. While price alone is not the sole basis for award, it remains the primary consideration when awarding a contract under the RFP method.

A complete response is required in order to be considered. Vendors are required to comply with applicable laws and regulations as well as the District’s insurance requirements. The District reserves the right to reject any and all submissions and seek additional responses if the number or quality of responses does not meet the stated criteria.
A. **LIMITATIONS AND DISTRICT RIGHT TO REJECT**

The District, in its sole discretion, reserves the right to:

- Accept or reject any and all submittals, or any portion or combination thereof;
- Contract with any entity responding to this RFP in whatever manner the District decides; and/or
- Waive any informality or non-substantive irregularity, technical defect, or clerical error not affected by law, as the interests of the District may require.

This RFP is not an offer by the District to contract with any party responding to this RFP. This RFP does not commit the District to select any entity and the District makes no representation that participation in the RFP process will lead to an award of contract or any consideration whatsoever. In no event will the District be responsible for any costs or expenses incurred in preparing and submitting responses to this RFP. The District’s Board of Trustees is the sole judge of the responsibility of any bidder and the suitability of the equipment, supplies, and/or services proposed.

The Respondent’s Proposal, and any other supporting materials submitted to the District in response to this RFQ/P will not be returned and will become the property of the District unless portions of the materials are designated as proprietary at the time of submittal with appropriate legal authority, and are specifically requested to be returned. Vague designations and/or blanket statements regarding entire pages or documents are insufficient and will not bind the District to protect the designated matter from disclosure.

The District reserves the right to add additional vendors for consideration after receipt of submittals if it is found to be in the best interest of the District. All decisions concerning firm selection will be made in the best interests of the District.

B. **FULL OPPORTUNITY**

The District hereby affirms that Disadvantaged Business Enterprises (“DBE”), Small Local Business Enterprises (“SLBE”), Small Emerging Local Business Enterprises (“SELBE”), Disabled Veterans Business Enterprises (“DVBE”), and minority and women business enterprises shall be afforded full opportunity to submit bids in response to this RFP and that no bidder will not be discriminated against on the basis of race, color, gender, sexual orientation,
political affiliation, age, ancestry, religion, marital status, national original, medical condition or disability in any consideration leading to the award of the contract. No qualified disabled person shall, on the basis of disability, be excluded from participating in, be denied the benefits of, or otherwise be subjected to discrimination in any consideration leading to the award of contract.

C. RESTRICTIONS ON LOBBYING AND CONTACTS

From the period beginning on the date of the issuance of this RFP and ending on the date of the award of the contract, no person, or entity responding to this RFP, nor any officer, employee, representative, agent, or consultant representing such a person or entity shall contact through any means or engage in any discussion regarding this RFP, the evaluation or selection process or the award of the contract(s) with any member of the District’s governing board ("Board"), or with any employee of the District except for clarifications and questions as described herein. Any such contact shall be grounds for the disqualification of the firm submitting a proposal.

I. SCOPE OF REQUIRED SERVICES

Although the full scope of services shall be stated in the final Agreement for Child Nutrition Pizza ("Agreement"), the selected vendor will be expected to be capable of fulfilling, at a minimum the following:

Furnish and deliver, upon demand, the quantities, sizes, and varieties of pizza & dough designated in the proposal or purchase order in accordance with the specifications and the sample furnished by the proposer and accepted by the District.

Child Nutrition pizzas provided by vendor must comply with the nutritional and ingredients specifications identified in the proposal, and consistent with samples supplied to and accepted by the District.

The District’s form of Agreement is attached as EXHIBIT “B” to this RFP. The vendor’s applicable scope of services will be set forth in further detail in the Agreement. The scope may be modified at the sole discretion of the District prior to execution by the selected firms or individuals. Any addenda or bulletins issues by the District during the time soliciting proposals shall be covered in the bid and shall be made a part of the Agreement.

I. MINIMUM REQUIREMENTS

Selected vendor must comply with the product specifications in EXHIBIT “A.” Vendor must agree to execute the District’s form of Agreement attached to this RFP as EXHIBIT “B”. The vendor must complete and submit the Bid Form and Proposal attached as EXHIBIT “C” to this RFP.

A. PRICING

Proposed prices shall be for per unit – for each individual pizza, for each
different size (i.e., whole individual, 14” and 16”). Any differences in pricing between the varieties (cheese, pepperoni, combo) shall be noted, if any. Taxes shall not be included in unit bid prices. The District will pay only the State sales and use taxes; however, California use tax will be paid to out-of-state vendors only when their permit number is shown on both their bid and invoices.

Any decrease in prices of the items listed in vendor’s proposal shall be made to the District as long as the lower prices are in effect, but at no time shall the prices charged to the District exceed the prices provided in the Proposal. The District shall be given the benefit of any lower prices which may, for comparable quality and delivery, be given by the vendor to any other school district or other governmental agency in Napa County, for the products identified in the Bid Form and Proposal.

Invoices for materials delivered shall be submitted immediately in a form acceptable to the District, under the same firm name as shown on the Agreement. The successful vendor shall list separately any taxes payable by the District. The District shall make payment under the Agreement within forty-five (45) days after acceptance of the materials, supplies, and services pursuant to the Agreement, and approval of the invoices by the authorized District representative. Invoice payment terms will be computed either from the date of delivery and acceptance of all good/services ordered, or the date of receipt of correct and proper invoices, prepared in accordance with the terms of the purchase order, whichever date is later. Invoices will not be processed for payment until all items ordered are received. Payment is deemed to have been made on the date the District mails the warrant.

A payment is late only if invoice payment time exceeds the time allowed by the payment terms.

Invoices are checked regularly. Any discrepancies in pricing will require a credit for the price discrepancy and the pricing to be corrected in the system, to avoid future errors. Five (5) instances of inaccurate billing may result in termination of the contract for cause. Five (5) instances of unapproved substitution, without cause by manufacturer or nature, is also reason for termination of the contract for cause.

**B. DELIVERY**

Time and manner of delivery are essential factors in proper performance under the Agreement. Unless otherwise specified in the Agreement, the successful vendor shall be responsible for delivery and shall pay all costs, including drayage, freight and packing for deliveries, as may be specified in the Bid Form.
The acceptance by the District of late performance, with or without objection or reservations, shall not waive the right to claim damage for such breach, and shall not constitute a waiver of the requirements for the timely performance of any other vendor obligation.
