### **INDEPENDENT AUDITORS' REPORT**

The Board of Education  
Williamsville Central School District, New York:

#### **Report on the Audit of the Financial Statements**

##### ***Opinions***

We have audited the cash basis financial statements of the Extraclassroom Activity Fund (the "Extraclassroom Activity Fund") of the Williamsville Central School District, New York (the "District"), as of and for the year ended June 30, 2023, and the related note to the financial statements, as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the cash balances of the Extraclassroom Activity Fund as of June 30, 2023, and the cash receipts collected and cash disbursements paid for the year then ended in accordance with the cash basis of accounting described in Note 1 to the financial statements.

##### ***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

##### ***Emphasis of Matter — Basis of Accounting***

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

##### ***Responsibilities of Management for the Financial Statements***

The District's management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1 to the financial statements, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Emphasis of Matter***

As discussed in Note 1, the financial statements of the Extraclassroom Activity Fund are intended to present the cash balances, and the cash receipts collected and cash disbursements paid that are attributable to the transactions of the Extraclassroom Activity Fund. They do not purport to, and do not, present fairly the financial position of the District as of June 30, 2023, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The transactions of the Extraclassroom Activity Fund are considered part of the reporting entity of Williamsville Central School District (the “District”), New York’s Student Activities Fund, a special revenue fund of the District.

The books and records of the Extraclassroom Activity Fund are maintained on the cash basis of accounting; whereby revenues are recognized when cash is received and expenditures are recognized when cash is disbursed. The District exercises general oversight of these funds.

The activity of the Extraclassroom Activity Fund is also included in the basic financial statements of the District. These amounts are included in the Student Activities Fund column in the Statement of Revenues, Expenditures, and Changes in Fund Balances (Deficit)—Nonmajor Governmental Funds. All cash balances are either FDIC insured or collateralized with securities held by the pledging bank’s agent in the District’s name.
