August 28 Governing Board Meeting

Budget Hearing: A public hearing on the FY20 final budget was held prior to the start of the regular meeting.

Minutes and Introductions/Recognition: Following approval of minutes, Governing Board members, Executive Board members and SEDOL administrators introduced themselves. Dr. Lynch explained that the employee of the year for 2018-19 has not been announced yet, so that person will be invited to the December Governing Board meeting.

First Reading of Policy Revisions: Dr. Lynch noted that the three policies presented for first reading (see below) would be presented for second reading and approval at the December meeting. Two of the policies needed updates to legal references, and the other policy is a new policy that outlines the Governing Board's authority with regard to incurring debt.

- 2:20 Powers and Duties of the Governing Board; Indemnification
- 2:34 Incurring Debt *New Policy*
- 2:38 Governing Board Delegation of Authority to the Executive Board

Final Budget: Ms. Watson presented a brief overview of the final budget and explained the changes from tentative to final budget. She noted that approval of the budget includes changes to the housing credit rates, which are outlined on pages 18 and 19 of the budget. The housing formula will change from a two-tiered system to a seven-tiered system, providing flexibility to cover the various ways SEDOL uses member district classrooms. The new rates are in effect for 2019-20; however, since housing credits are calculated one year in arrears, the credit would not be applied until the 2020-21 school year. She also explained that Capital Outlay under the O&M Fund includes \$4 million for the renovations needed at Fairhaven School. The Executive Board approved the lease with Diamond Lake #76 (effective 9/16/19 through 6/30/23) at an annual cost of \$50,000. The lease goes before the District #76 BOE on September 7. With that approval, the architect can start working on the renovations. The Board approved the FY20 final budget.

SSSA Collective Bargaining Agreement: Dr. Lynch presented an overview of the agreement with the SEDOL Support Staff Association (SSSA). The Board approved the three-year agreement, which was within the parameters set by the Executive Board.

Program Reports

- A. **Extended School Year (ESY) Program:** Mrs. Wojcik reported on the Extended School Year Program, which was housed entirely on the SEDOL Campus. There were 479 students enrolled. Mrs. Wojcik shared some pictures taken during the summer program; this year's theme was amusement parks.
- B. **District Update:** Mrs. Donnan read a prepared statement to provide an update on current staffing levels throughout the district. She said she would send the statement to all stakeholders in the morning.

Open Forum: President McHugh encouraged Governing Board members to suggest agenda items for the December 4 meeting. She also asked if anyone would like to make a comment or if they had a win they would like to share.

Public Comment: Eighteen people (17 staff and 1 parent) addressed the Governing Board, expressing their concerns regarding working conditions and safety issues at Gages Lake School. One of the staff was Rebecca Slye, President of the SEDOL Teachers' Union. Ms. Slye concluded her remarks by presenting each Governing Board member with a copy of the Notice to Remedy issued by the STU regarding the working conditions at Gages Lake School and other SEDOL sites.

Closed Session: The Board entered into closed session to discuss the appointment, employment, discipline, performance or dismissal of specific employees.

Adjournment: With no other items to discuss, the Board took action to adjourn the meeting.
