STATE TESTING
MANDATORY

TESTING MONTH

Welcome BACK!! We hope you had a great Spring Break but now it's time to Spring back into school! Testing starts the Week of April 8th!! Make sure you know what day you are testing and make sure to arrive early. Remember testing is **MANDATORY** and you **HAVE** to come to the building! Great job with credits this month and last month, too! We are seeing more researchers graduating, earning more than 1.0 than we have all year! Please make sure you are earning credit because we will be cleaning our roster to prepare for Open Enrollment. That's all I got, see you next week for testing!!

Mr. Cameron Nichols

Program Director

TESTING DATES TO REMEMBER!!

Please make note of these very important upcoming dates:

- 6th, & 7th Graders are to report to the building on April 16th
- 8th Graders are to report to the building on April 10th and April 16th
- 9th Graders are to report to the building on April 9th
- 10th Graders are to report to the building on April 8th

SAVE the DATE!!! – Career Day 2024

May 2nd 11a—1p
All student are required to attend during the morning session on this day. Please plan to arrange transportation for the event.

Virtual Day Expectations

There are many virtual days coming up in April due to testing. It is important that your researcher log into Centric every virtual day and do some work on a project from their learning plan. It is important that the continue their academic progress!
