

Eclipse Viewing Opt Out

Students will view the [Total Solar Eclipse](#) occurring on April 8th, 2024. Students will go outside to view the eclipse as it approaches totality and participate in some activities to learn about eclipses and how they occur. Viewing glasses will be provided by the school.

If you would like your student to opt-out, email anna.young@gdrh.org by Friday, April 5, 2024. Those students opting out will view the eclipse via a live video feed as it's occurring.

If you are interested in volunteering, please reach out to lalitha.murali@gdrh.org or noah.pfaffl@gdrh.org
