GRCHS ISP Winter Update 2024

Although our winter weather has been far from normal, our students have been enjoying academics, extracurriculars, and athletics.

Winterim 2024

January 8-19, 2024 students participated in our two week amplified learning experience. Students took classes, did internships, or went on Winterim trips. It was an amazing time to explore different interests, develop or sharpen talents, and see beautiful parts of the world!
