## What happens to the shoes?

A shoe drive fundraiser goes beyond raising money for your cause and community. After your shoes are picked up, they're sent to developing countries to create job opportunities.

It's estimated 300 million people don't own shoes. Shoe drive fundraisers help provide inventory to over 4,000 micro-entrepreneurs who sell the shoes to support their families. In turn, they help themselves out of poverty with a hand up, not a handout.
