Regional School District 17 Board of Education Core Values

PUBLIC EDUCATION IS A RIGHT

All students have a **right to an equitable education** to develop a passion and direction for their future.

EVERY STUDENT HAS POTENTIAL

Students excel when they **discover their strengths and persist through challenges to learn and grow.**

QUALITY TEACHING IS ESSENTIAL TO LEARNING

Innovative and effective teaching promotes mastery of knowledge and skills.

STUDENT SUCCESS IS A SHARED RESPONSIBILITY

A **strong and trusting partnership** among students, families, and staff improves academic achievement and social development.

ALIGNMENT AND TEAMWORK ARE POWERFUL

We can **accomplish anything** when we collaborate toward **common goals** and a **higher organizational purpose.**

CRITICAL THINKERS MAKE INFORMED DECISIONS

An **intellectually-disciplined culture** of collaborators leads to meaningful discourse, viable decisions, and understanding.

SCHOOL IS A SAFE PLACE

Students thrive in schools that foster a **safe and respectful climate.**

SUSTAINABILITY SECURES OUR FUTURE

We are committed to using our resources **efficiently through effective strategies and systems.**

RSD17 Strategic Priorities to Fulfill the District's Mission

Student

To fulfill our Vision of the Graduate, we inspire each student to grow academically, socially, and emotionally through evidence-based practices.

Educator &

Leadership

Development

and Capacity

Create and support a workforce that is inspired and engaged to fulfill the District's Vision, demonstrate the values, and implement the Strategic Plan.

Operational

Efficiency

Manage effective use of resources in a manner that is sustainable, promotes excellence, and supports student learning.

Enhance

District

Infrastructure

Ensure that instructional facilities are safe and support a modern learning environment.

Regional School District 17 Vision of the Graduate

A graduate of the RSD17 School District is a compassionate critical thinker, who collaborates to solve problems, and is prepared to contribute to improving our world.

Vision of the Graduate - Skills

Contribute Productively includes the ability to:

- Take control of one's learning by planning and organizing oneself to complete tasks
- Demonstrate independence and initiative in doing one's best work
- Collaborate positively on a team project or shared endeavor
- Seek leadership or take a supportive role within a group in a manner that works best for oneself, others, and the outcome
- Think creatively and flexibly to design and develop innovative solutions, strategies, and outcomes

Think Critically includes the ability to:

- Inquire and formulate questions to gather information and expand upon ideas
- Research and distill information from reliable resources representative of multiple perspectives
- Evaluate information for credibility, bias, and point of view
- Analyze and interpret information and data to generate solutions to problems
- Reflect upon the accuracy or viability of solutions or conclusions

Communicate Effectively includes the ability to:

- Organize thoughts to articulate and justify one's position or perspective with clarity
- Construct, refine, and present arguments supported by evidence
- Actively listen to understand and interpret the ideas and reasoning of others
- Use a variety of verbal, written, or visual methods appropriate for the message and audience

Vision of the Graduate - Dispositions

Maintain a Growth Mindset involves believing in oneself, having an open-mind, and demonstrating perseverance and resilience. Examples of demonstrating a Growth Mindset include:

- Apply sustained effort to understand concepts, acquire skills, and achieve to one's greatest potential
- Reflect upon feedback or mistakes as opportunities to adapt and improve upon learning
- Show determination to accomplish one's goals
- Explore ideas to expand thinking
- Encourage a growth mindset in others

Demonstrate Respect, Empathy and Kindness involves caring for and showing compassion for oneself and others. Examples include:

- Seek to understand one another's experiences, circumstances, and perspectives
- Embrace diversity and recognize the value of all persons by promoting equity and inclusivity
- Maintain self-respect and advocate for oneself and others
- Be kind and act to enhance the climate of our schools and community

Display Character, Courage, and Integrity involves having confidence in oneself to make sound decisions. Examples include:

- Do the right thing, even when no one is looking
- Take the initiative to provide or seek help for oneself or others
- Stand up for oneself or others when faced with unkind, disrespectful, or discriminatory behavior
- Actively engage in discourse that addresses difficult topics or situations to improve conditions for all

BOARD OF EDUCATION'S APPROVED FY25 BUDGET AT A GLANCE

The Board of Education's Proposed Gross Expense Budget for fiscal year FY25 is \$49,818,029, an increase of \$2,162,321 or 4.5%. The Board of Education's Proposed (Non-Assessment) Revenue Budget for fiscal year FY25 is \$1,285,128, an increase of \$31,050. The Net Budget Increase (Budgeted Expenses less Budgeted Revenue) is \$2,131,271 or 4.6%. Factoring in estimated fund balance being returned to member towns of \$1,060,457, **Net Town Assessments increase by \$1,201,814 or 2.8%**.

Expense Budget Drivers

Salaries

Total FY25 salaries equal \$24,136,403, an increase of \$577,481 (2.5%) over the FY24 budget. This amount is net of \$423,000 of proposed position eliminations (3 certified and 6 non-certified). Without these eliminations, salaries would increase 4% and drive over 2.1% of the total budget change. The recently executed HKEA collective bargaining contract takes effect in FY25, which is the driving factor behind the 4.5% overall increase to teacher salaries compared to FY24. Salaries account for 48% of the total proposed budget.

Health Insurance Premiums

RSD17 participates in the ECHMC cooperative health insurance program, and rates are established and distributed to member districts annually. The rate for FY25 has not been established as of this budget publication, but was estimated to increase by at least 7%. An increase of \$482,981 was carried for FY25 for a total net employer cost of \$7,482,706.

Professional Services

The \$283,292 or 30% increase in professional services is primarily due to the outsourcing of financial operations to LEARN that began at the beginning of FY23. The contractual expense is offset by reductions in the Finance Department salary lines. Several other one-time professional services that took place in FY24 eliminated for FY25.

HVAC/IAQ Inspections

CT Public Act 22-118 and PA 23-167 require a “uniform inspection and evaluation of the heating, ventilation, and air conditioning system within each school building under its jurisdiction” by January 1, 2025. This inspection can only be performed by certain consultants/engineers, and the State released the long-overdue forms in January, which did little to articulate the actual scope required. Quotes were received for \$157,00 to perform these inspections throughout the portfolio, but due to budget constraints, \$13,747 was carried in the FY25 budget to complete one elementary school first and to stay compliant for upcoming grants.

RSD17 inspects and maintains all HVAC equipment on a regular preventive maintenance program. Legislation is in process in the current session to phase in the inspection requirement for 20% of a District's portfolio per year, and if passed RSD17 would be fully compliant.

Transportation

FY25 will be year 2 of a 3-year student transportation contract, which contains a 9% rate increase for FY25 alone. This rate increase, combined with the addition of McKinney-Vento service requirements and increased SPED transportation, leads to a \$460,586 or 12% increase for a total student transportation cost of \$4,302,028.

Tuition

Tuition costs for both public and non-public tuitions (outplaced resident students for which RSD17 is financially responsible) are actually projected to exceed the FY25 budget of \$2,985,342, but to hit budget targets only 70% of the estimated increase was carried in hopes that some students will be able to rejoin district schools. With the budgeted increase of \$183,568 or 7%, tuitions make up 6% of the total expense budget.

Electricity

The new electricity supply contract went into effect 12/1/2023 (through 11/30/2026), and FY25 will be burdened for the full FY at the new rate of \$0.11772, which is about 25% higher than the former contract. This leads to an increase of \$140,654 or 15% for a total budget of \$1,068,846. It is important to note that the former contract was very low based on historical averages, and the new contract is reflective of current market conditions.

Building/Technology Infrastructure / Capital Reserve Contribution

Practice has been to build in the max 2% potential contribution to the Capital Reserve Fund (Fund 06) into the budget (Object 721) and not budget for any building improvement projects in Object 720. Object 720 is then "run negative" throughout the year to fund "emergencies" in hopes of making up the deficit from savings in other areas. Building in the entire 2% potential contribution in the budget limits the ability to transfer residual funds that may be available at year end, while the general budget is not funding any planned improvement projects. The plan for FY25 will be to use the ~\$950k that would normally go to Object 721 to fund the capital contribution and budget it in Object 720 and 734 accounts on both scoped projects outlined in the FY25 Capital Plan Priority List (the guiding document until a full 5-year Capital Improvement Plan is developed) and hold \$400,000 for "emergency" items. Object 721 will have the \$436,518 pre-loaded as a potential transfer due to the indirect application of the State grant reimbursement (see below). At the end of the year, any residual funds, up to a max of 2% (\$974,554), can go into cap reserve AND ~\$900k of projects will have been executed through the general budget during the year at no increase to the overall budget.

The overall building improvements/capital increase of \$411,257 (46%) to \$1,311,871 is fully net by the reduction of debt service described below.

School-based Equipment

Deferred equipment purchases for educational and school-based programs exceeded \$500k for FY25, but to hit budget targets, \$185,094 was carried in the FY25 budget. These areas received almost no funding (\$5,400) in FY24.

Debt Service

The bond attributable to the HK Middle School original construction project was retired in FY24, leaving only the HK High School improvement bond outstanding (through FY30). Total principal and interest payments for FY25 are \$930,000, but \$496,000 will be paid for through the bond fund (not the general budget) using the final state reimbursements received from the project in 2024. These changes net to a \$823,912 or 65% REDUCTION in the debt service budget for FY25.

Revenue Budget

The non-assessment revenue budget is increased \$31,050 from FY24 to \$1,285,128 (2.5% increase) to account for increased enrollment in the Pre-K program and slightly higher rates. The largest portion of the revenue budget is from Special Education Excess Cost reimbursements from the State at \$1,064,987, which represents a 70% reimbursement for any expense above four point five (4.5) times per pupil cost based on the prior year's Net Current Expenditures per Pupil (NCEP).
