

Complaint Procedure

A parent or guardian of a student attending a school in the district, a person who resides in the district, a staff member, or a student who wishes to express a concern should discuss the matter with the school employee involved.

This regulation sets out the complaint procedure.

Process and timelines

The involved staff: Step One

A person who wishes to express a concern should discuss the matter with the employee involved. The employee shall respond within five working days. This step is considered informal complaint resolution.

The Administrator: Step Two

If the complainant is unable to resolve a problem or concern with the employee involved, the complainant may file a written, signed complaint with the administrator or supervisor of the involved employee. A written complaint commences the formal complaint process. The administrator or supervisor shall evaluate the complaint and provide a written response within five working days after receiving the complaint.

The Superintendent: Step Three

If the complainant is not satisfied with the Step 2 result and wishes to pursue the concern, the complainant shall file a signed, written complaint with the superintendent or designee clearly stating the nature of the complaint and a suggested remedy within 10 working days after receipt of the written response of the administrator or supervisor. A Step 3 complaint must be filed on the form attached to this policy. Copies of the form are also available at the district offices.

The superintendent or designee shall investigate the complaint, confer with the complainant and the parties involved, and prepare a written report. The report shall address each of the allegations in the complaint and include the superintendent or designee's decisions and reasons for the decisions. The report shall be provided to the complainant within 10 working days after receiving the written complaint.

The Board: Step Four

The role of the Board is to address policy-level issues. Complaints that address the operations of the school district generally should be resolved by the superintendent and his/her staff. However, if a

complainant is not satisfied with the Step 3 decision and wishes to pursue the concern, the complainant may appeal the decision to the Board within five working days of receiving the superintendent's decision.

All Board members will be notified of the appeal to the Board. The Board chair will determine whether the Board will hear the appeal, and will notify the Board members and complainant of his/her decision. However, if a member of the Board disagrees with the Chair's decision, the Board member can refer the decision to a vote of the full Board. In that case, the full Board will vote on whether to consider the complaint.

If the Board chooses not to hear the complaint, the superintendent's decision is final.

If the Board decides to hear an appeal, the Board shall review the complaint during a properly-noticed Board meeting. The Board at its discretion may assign the investigation to a third party. The determination to assign the investigation to a third party shall be made by the Board Chair. However, if a member of the Board disagrees with the Chair's decision, the Board member can refer the decision to a vote of the full Board. The Board may also, in its discretion, offer the complainant and other involved parties an opportunity to appear before the Board, or may resolve the complaint based on the written record.

The complainant shall be informed in writing of the Board's decision within 10 working days. The Board's decision will address each allegation in the complaint and contain reasons for the Board's decision. The Board's decision will be final.

The timelines described in this section may be extended upon written agreement by the complainant and the district.

The complaint procedure set out above will not be longer than 90 working days from the filing date of the Step 2 complaint with the administrator or supervisor to the final decision, unless extended by mutual written agreement.
