Using Aesop Successfully

Proactively fill your schedule

Aesop offers you the flexibility to proactively search for jobs and fill your own schedule the way you want. To help you benefit most from automated substitute placement, Aesop offers you both phone and web services for finding and accepting jobs. Substitutes can call in to Aesop toll-free at 1-800-942-3767 or log in online at www.aesoponline.com.

Manage your preferences

With Aesop, not only can you plan your schedule ahead of time, but you can also choose Non-Work Days, specify preferred schools and adjust call times to fit your schedule. You can also view work history and receive phone and e-mail notifications of available jobs.

Find out about available jobs

Aesop notifies substitutes of available jobs they qualify for. Most employee absences are entered the day before the absence occurs, but depending on the district's settings, substitutes can discover available jobs days, weeks or even months in advance.

Aesop can alert substitutes to new jobs through both phone and e-mail services. Substitutes can then choose to accept or reject the assignment.

Chelsea Elementary School
2/17/2006

Dear Greg Adams,

We have the pleasure of notifying you that Chelsea Elementary School has implemented a new automated service that will greatly simplify this service called AESOP (Automated Educational Substitute Operator).

The AESOP service will be available to you 24 hours a day, seven days a week. You may interact with the system either on the Internet or by phone.

How do I register with AESOP?

- Simply dial 1-800-942-3767.
- Enter your Identification (ID) and PIN numbers. The information is as follows:
(Please notify the central office if your identification number listed below is not correct.)
 - ID number - 1234567890
 - PIN number - 7888
- Once you are logged in the system, you will be given prompts for the various menu choices.

When you access the AESOP system over the phone for the first time, it is very important that you record your name and assignment should be recorded, (e.g. John Doe, 3rd Grade) as AESOP will play this recording to potential substitutes for all information each time you register an absence.

* When entering an absence, please wait until you receive a confirmation number before you terminate the phone call. Your transaction

View My Schedule

On your schedule, you can view your assignments in three ways:

- Weekly schedule
- 3-month calendar view
- All absences scheduled for the current month

Click on a date in the 3-month calendar view, and the weekly schedule will change to that week.

Use the **Change Date** drop-down window to review absences further in the past or future.

The screenshot displays the 'View My Schedule' interface. At the top, it shows 'Change View: Month View | Go to Current Week' and 'Week View from 3/6/2006 - 3/10/2006'. The main area is a weekly schedule grid with columns for Monday, Tuesday, Wednesday, Thursday, and Friday. A 'Change Date' window is open on the right, showing a 3-month calendar view for March, April, and May 2006. A 'Weekly Schedule' label points to the main grid. An 'Absences scheduled for the current month' label points to a table below the grid. A '3-month calendar view' label points to the calendar window. The table below the grid shows details for an absence on 3/8/2006.

Phone Services

Answering an Aesop call

When Aesop calls, your Caller ID will probably show 1-800-942-3767. Occasionally, it may display a school district name, depending on how the phone company handles the 800 number.

Answer the phone with a "hello." You must speak into the phone, since it is voice activated.

If you hang up on Aesop, the system will wait at least an hour before calling you back.

Listening to the notifications and available assignments

After you answer the phone, Aesop will say: "Hello, I am calling for (your name). If you are interested in a job today, please press **1**. To prevent further calls today, please press **2**. If the substitute that I'm trying to reach is unavailable, please press **3**. To prevent Aesop from ever calling you again, please press **9**."

Press the appropriate key in response.

Aesop will then say: "I'm calling on behalf of (school district), for an assignment at (school). Please enter your PIN Number, followed by the # key."

After you enter your PIN and press the # key, Aesop will play any Substitute Notifications, such as canceled absences and changed start or end times.

For each available assignment, Aesop will provide the details, including the number of days of the assignment, the school name, the name and title of the absent teacher, the start and end times and the room or office to report to.

Responding to the offer

After you have heard the details of the assignment, you will be prompted to choose **1** to accept the job, **2** to hear it again, **3** to reject it but allow further phone calls, or **4** to reject the job and prevent more calls that day.

If you accept the job, Aesop will read the Confirmation Number. If you reject a job, Aesop will still call you back, even within 15 minutes, if other jobs need to be filled.
