TOWN OF WESTLAKE WESTLAKE ACADEMY BOARD OF TRUSTEES POLICY

Policy No. 1.01:

Date Board Adopted: April 3, 2017

Date Board Amended: March 27, 2023

Effective Date: March 27, 2023

Policy Category: Admissions

Policy Name: Proof of Residency

Policy Goal: Clear and concise communication for students and parents regarding the criteria to establish residency status for individuals seeking admission to Westlake Academy.

Policy Description: If, during the enrollment period, Westlake Academy receives more applications from eligible applicants than there are spaces available in a class, then admission shall first be offered to eligible applicants residing within the Academy's Primary Boundary, which is consistent with the geographic boundaries of the Town of Westlake. The parent, legal guardian, or other person having lawful control of an applicant seeking admission as a resident of the Primary Boundary must provide proof of residency within the boundaries of the Town of Westlake.

Required Documentation to Establish Residency in the Primary Boundary

An applicant's parent, legal guardian, or other person having lawful control shall provide one or more of the following documents as proof of residence within the boundaries of the Town of Westlake:

- Tax receipt from the current year indicating homestead property ownership
- Fully executed building permit signed by the town of Westlake's Planning and Development department
- Current lease agreement (subject to additional requirements below); or
- Valid, fully executed real estate earnest money contract to purchase or build residential structure (subject to additional requirements below).

In addition to one of the documents identified above, the parent, legal guardian, or other person having lawful control must also provide:

- a photo identification card that includes the person's photograph, name, and address that matches the address included on the document provided from the list above. Acceptable photo identification cards shall include
 - a current and valid state-issued driver's license; or
 - a state of Texas identification card; or
 - a military or government-issued identification card; or
 - or a consular card.

Westlake Academy will not accept a credit card, debit card, or any club or retail membership card for proof of residency, even if such card includes a photograph; and

- Current utility bill for the primary residential structure in the name of the applicant's parent, legal guardian or other person having lawful control

Applicants must provide all updated documents within 30 days from the first day of school. If all documents have not been provided within the set timeframe, students will be administratively disenrolled.

Purchase of an Existing Home

Applicants relying upon a contract to purchase an existing home to establish residency within the Primary Boundary must submit proof of residency within the Secondary Boundary at the time an enrollment application is submitted.

For a student to start school on the first day of school, an applicant relying upon a contract to purchase an existing home to establish residency must also provide additional documentation of a closing date and inhabit the residence within the first 90 days of the school year.

Failure to provide the required Primary Boundary residency documentation may result in a student's immediate disenrollment from the Academy.

New Construction

Applicants relying upon a contract to build a home to establish residency within the Primary Boundary must submit proof of residency within the Secondary Boundary at the time an enrollment application is submitted.

In addition, an applicant relying upon a contract to build a new residence to establish residency must also provide documentation of an approved building permit from the

Town of Westlake and written notice from the builder confirming the slab/foundation was poured prior to August 1st of the school year in which they are seeking enrollment.

The applicant must also provide documentation from the builder of the estimated completion date for the new residence, which must occur within two years of the school year the student seeks to enroll.

In addition to these initial documentation requirements, the applicant will be required to submit verification, according to a schedule identified by the Town, of the completion of major construction milestones for the home including, but not limited to, framing, dry wall, masonry, roofing, plumbing, and electrical work. Responsibility for providing documentation of the milestones identified by the Town shall be the homeowner's sole responsibility. Failure by the homeowner to submit any or all of the milestone verifications may result in the Academy administratively disenrolling the student.

Failure to provide the required Primary Boundary residency documentation or may result in a student's immediate disenrollment from the Academy.

Lease

An applicant relying on a residential lease to establish residency must provide a copy of a fully executed lease with a lease-term that extends for the entire time period the applicant intends to rely upon the lease to document residency. A residential lease shall be considered acceptable documentation to establish residency only if the leased premises is the primary residential structure on a property. Any family/person who executes and submits a lease to document residency in the Primary Boundary without occupying the leased property for as long as the applicant's child attends the Academy, shall subject their child(ren) to immediate removal from the school and such action may be considered fraudulent activity, unless documentation of another Primary Boundary residence is provided.

For a single-family residence, only one structure shall be recognized per legal address. Secondary structures such as garages, garage apartments, cabanas, pool houses, or cottages that are co-located on the property where the primary residential structure is located but are not recognized with a separate legal address are not eligible to establish residency under this policy. Further, a lease shall be accompanied with a utility bill showing that the utility service for the leased residential premises is in the name of the person leasing the primary residential structure.

Primary Boundary Students Enrolled Prior to August 1, 2015 – For families with students enrolled in the Academy based on Westlake residency status prior to August 1, 2015, any subsequent changes to the residency policy do not apply. If these students attended Westlake Academy for at least two years prior to moving to an approved secondary boundary, the students can remain enrolled at the Academy.

Nonresident Student in Grandparent's After-School Care:

A student seeking admission to Westlake Academy, **after August 1, 2015**, as a grandchild of a resident in the primary boundary due to a grandparent providing substantial after- school care for the student shall provide the required proof of residency based on the grandparent's Westlake residence and will be subject to the admission policy applicable to all Westlake residents regarding their continued enrollment. The grandparent must annually provide a notarized affidavit, on a form provided by Westlake Academy, confirming the extent of after-school care to be provided by the grandparent. Students applying for admissions based on the grandparent provision must live in one of the Academy's secondary boundaries.

The Superintendent shall have authority to approve such admission applications in accordance with the following criteria: a minimum of ten (10) hours per week of documented after-school care provided by the grandparent at the grandparent's Westlake residence.

Required Documentation to Establish Residency in Secondary Boundary

If all eligible applicants from the primary boundary are admitted and the Academy chooses to admit transfer students from the secondary boundaries, the same types of documentation identified above shall be used to establish residency within the Academy's secondary boundary.

Residency Review

A Westlake Academy representative may make periodic visits to a residence to verify that the student is actually living at the address provided on the enrollment application or is entitled to enrollment as a resident because of after-school care provided by a grandparent. A person who presents false information or false records to obtain admission to Westlake Academy commits a criminal offense and is subject to prosecution under Texas Penal Code Section 37.10.

Proof of residency shall be waived when a student is homeless as defined by law.

Policy No. 1.02:

Date Board Adopted: May 4, 2009

Date Board Amended: Feb. 5, 2024

Effective Date: Feb. 5, 2024

Policy Category: [Admissions](#)

Policy Name: [Westlake Academy Admissions Policy](#)

Policy Goal: Communication/Transparency of student and parent requirements for admission into Westlake Academy; Engagement of stakeholders and fiscal stewardship.

Policy Description:

Applications for enrollment for the following academic year are accepted from prospective students from December 1 through January 31 of each year. Applications received after January 31 will be considered for enrollment after the completion of the lottery process based on the applicant's status as a primary or secondary boundary applicant and will be placed on the wait list for the applicable grade based on the date of the application.

Re-enrollment for Current Students

Currently enrolled students receive a *Notice of Intent to Return* form in February of each school year. This form asks students to state whether they intend to return to Westlake Academy the following school year and to identify any siblings who wish to apply for admission to Westlake Academy for the following school year. This form must be returned within 30 days of distribution. Students who do not return the *Notice of Intent to Return* form by the deadline are not guaranteed enrollment for the following school year.

Currently enrolled students who provide timely notice of the intent to return and who continue to reside within an approved geographical boundary, are automatically enrolled for the following school year, subject to the following condition: a currently enrolled student who obtained admission as the child of a full-time Town of Westlake employee retains the right to re-enrollment only if the student's parent continues to be employed by the Town of Westlake on a full-time basis.

The number of vacancies in each grade level are then determined.

Primary Boundary Student Applicants

Primary boundary applicants are defined as students who reside within the boundaries of the Town of Westlake as described in Board Policy No. 1.01. Primary Boundary applicants receive priority consideration for enrollment at Westlake Academy. If the number of eligible Primary Boundary applicants does not exceed the number of vacancies, then all eligible applicants who timely applied will be offered admission. If there are more Primary Boundary applicants than spaces available, a lottery will be held for all Primary Boundary applicants to establish the order that enrollment will be offered.

Secondary Boundary Student Applicants

Secondary Boundary applicants, also defined as transfer students, are defined as students who reside within the geographical boundaries of one of the approved school districts identified in Westlake Academy's charter. After all Primary Boundary applicants have been considered, Secondary Boundary applicants will be considered for enrollment.

If the number of eligible Secondary Boundary applicants exceeds the number of vacancies, a lottery will be held for all Secondary Boundary applicants to establish the order that enrollment will be offered.

Exemptions from the Lottery

The following categories of applicants are exempt from the lottery process and are given priority in admission in the order identified below, so long as the total number of students admitted through exceptions below constitutes only a small percentage of the total school enrollment.

1. Children of the Founders of Westlake Academy
2. Children of Town of Westlake full-time employees
3. Siblings of admitted and returning students

Applicants participating in a lottery that are not offered enrollment prior to the beginning of the school year are placed on a waitlist by grade level according to the lottery results.

Enrollment Process

Upon receiving an offer of enrollment, a student must provide records consistent with the Academy's enrollment procedures demonstrating the student has met the standards for entry into the grade for which the student applied. Should there be a discrepancy in the application grade level of the student and his/her educational records or performance level, the student's enrollment may be revoked.

Westlake Academy Charter School does not discriminate in admissions based on

gender, national origin, ethnicity, religion, disability, academic, artistic, or athletic ability or the district the child would otherwise attend.

Westlake Academy will not enroll a student with a documented history of a criminal offense, juvenile court adjudication, or discipline problems under Texas Education Code Chapter 37, Subchapter A. If an applicant misrepresents or fails to disclose information about the student's discipline history during the enrollment process, the Academy reserves the right to revoke the student's offer of enrollment or unenroll the student from the Academy.

A district may revoke for the remainder of the school year the enrollment of a person who has more than five unexcused absences in a semester, except a school district may not revoke the enrollment of a person under this provision on a day on which the person is physically present at school.

A person whose enrollment is revoked for exceeding this limit may be considered an unauthorized person on school grounds for the purposes of Education Code 37.107 regarding trespassing.

As an alternative to revoking a person's enrollment, a school district may impose a behavior improvement plan described by Education Code 25.0915(a-1)(1).

6. A student in the conservatorship of the Department of Family and Protective Services (DFPS) shall be excused in order to participate, as determined and documented by DFPS, in an activity:
 - A. Ordered by a court under Family Code Chapter 262 or 263, provided that it is not practicable to schedule the participation outside of school hours, or
 - B. Required under a service plan under Family Code Chapter 263, Subchapter B. *Education Code 25.087(b)(1); 19 TAC 129.21(j)(3)*
7. A temporary absence resulting from an appointment with a health-care professional for the student or the student's child if the student commences classes or returns to school on the same day of the appointment. The student or parent must provide documentation of the appointment from the health-care professional. "Temporary absence" also includes an absence of a student diagnosed with autism spectrum disorder on the day of the student's appointment with a health-care practitioner to receive a generally recognized service for persons with autism spectrum disorder, including applied behavioral analysis, speech therapy, and occupational therapy. *Education Code 25.08(b)(2), (b-3); 19 TAC 129.21(j)(3)*
8. For students in the Diploma Program (11th or 12th grade), an absence to visit an institution of higher education accredited by a generally recognized accrediting organization for the purpose of determining the student's interest in attending the institution of higher education. Excused absences under this provision may not exceed two days and must be supported by documentation to verify the student's visit at the institution of higher education. *Education Code 25.087(b-2); 19 TAC 129.21(j)(3)*
9. A student whose parent, stepparent, or legal guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from continuous deployment of at least four months outside the locality where the parent, stepparent, or guardian regularly resides, shall be excused from school to visit with the student's parent, stepparent, or guardian. An absence under this provision may not exceed five days in a school year. An excused absence under this provision must be taken not earlier than the 60th day before the date of deployment or not later than the 30th day after the date of return from deployment. *Education Code 25.087(b-4)*
10. A student who is 17 years of age or older may be excused from attending school to pursue enlistment in a branch of the armed services of the United States or the Texas National Guard, provided that: the absence is not for more than four days of school during the period the student is enrolled in high school; and the Academy verifies the student's activities related to pursuing enlistment in a branch of the armed services or the Texas National Guard. *Education Code 25.087(b-5), (b-6)*
11. A student in grades 6 through 12 may be excused for the purpose of sounding "Taps" at a military honors funeral held in this state for a deceased veteran. *Education Code 25.087(c)*

A student whose absence is excused for a reason described above shall not be penalized for that absence and shall be counted as if the student attended school for purposes of calculating the average daily attendance of students. The student shall be allowed a reasonable time to make up school work missed on the days. If the student satisfactorily completes the work, the days of absence shall be counted as days of compulsory attendance. *Education Code 25.087(d)*

Notice to Parents

The Academy shall notify a student's parent in writing at the beginning of the school year that, if the student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Education Code Section 25.093, and the student is subject to referral to a truancy court for truant conduct under Family Code Section 65.003(a).

Notice of Absences

The Academy shall notify a student's parent if the student has been absent from school, without excuse under Education Code Section 25.087, on three days or parts of days within a four-week period. The notice must:

1. Inform the parent that:
 - a. It is the parent's duty to monitor the student's school attendance and require the student to attend school; and
 - b. The student is subject to truancy prevention measures under Education Code Section 25.0915; and
2. Request a conference between school officials and the parent to discuss the absences.

The fact that a parent did not receive the notices described above is not a defense for the parent's failure to require a child to attend school nor for the student's failure to attend school. *Education Code 25.095*

Parent Contributing to Non-Attendance

A parent or person standing in parental relation commits an offense if:

1. A warning notice is issued;
2. The parent with criminal negligence fails to require the child to attend school as required by law; and
3. The child has absences for the amount of time specified under Family Code Section 65.003(a).

The attendance officer or other appropriate school official shall file a complaint against the parent in an appropriate court, as permitted under *Education Code Section 25.093*.

Affirmative Defense - Parent

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by

the court to excuse an absence for this purpose does not affect the ability of the Academy to determine whether to excuse the absence for another purpose. *Education Code 25.093*

Student Liability

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws and fails to attend school on ten or more days or parts of days within a six-month period in the same school year. Truant conduct may be prosecuted only as a civil case in a truancy court. *Family Code 65.003(a), (b)*

“Child” means a person who is 12 years of age or older and younger than 19 years of age. *Family Code 65.002(1)*

Affirmative Defense - Student

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven was excused by a school official or by the court or that one or more of the absences were involuntary, but only if there is an insufficient number of unexcused or voluntary absences remaining to constitute truant conduct. The burden is on the child to show by a preponderance of the evidence that the absence was or should be excused or that the absence was involuntary. A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose. *Family Code 65.003(c)*

Truancy Prevention Measures

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period, but does not fail to attend school for the time described below, the district shall initiate truancy prevention measures on the student. *Education Code 25.0915(a-4)*

Referral to Truancy Court

If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, the Academy shall within ten school days of the student’s tenth absence refer the student to a truancy court for truant conduct under *Family Code 65.003(a)*. *Education Code 25.0951*

Withdrawal of Student

In order to continue enrollment from year to year at the Academy, the student or parent must complete the Academy's annual registration process. A student who is not registered by the deadline identified by the Academy and remains unregistered after documented attempts to contact the student/parent will be considered withdrawn from the Academy. Additionally, a student who is absent for five consecutive school days without notice and efforts by administrators to contact the student or parent are unsuccessful will be considered withdrawn from the Academy.

Additional procedural information as it relates to attendance shall be recorded and published in the Parent/Student Handbook on an annual basis.

Policy No. 3.03:

Date Board Adopted: August 3, 2009

Date Board Amended: September 11, 2017

Effective Date: September 11, 2017

Policy Category: Parent, Student and Faculty Relations and Expectations

Policy Name: Bullying Policy

Policy Goal: Creation of a supportive and safe learning environment

Policy Description:

Westlake Academy policy and procedures are designed to promote a safe and productive learning environment. Westlake Academy shall prohibit bullying, including cyberbullying, as defined by applicable law, Texas Education Code 37.0832, and this policy. The procedures necessary to implement this policy will be published in the Parent/Student Handbook and on the Academy website.

Prohibited Conduct

Bullying, which includes cyberbullying (social media posts, texting, use of digital communication platforms or), means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

1. Has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property;
2. Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student;
3. Materially and substantially disrupts the educational process or the orderly operation of a classroom or school; or
4. Infringes on the rights of the victim at school.
5. Includes cyberbullying.

Cyberbullying means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text

messaging, a social media application, an Internet website, or any other Internet-based communication tool.

The prohibited conduct identified in this policy applies to:

1. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. Bullying that occurs on a publicly or privately-owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
 - a. Interferes with a student's educational opportunities; or
 - b. Substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Westlake Academy prohibits retaliation against any person, including a victim, a witness, or another person, who in good faith makes a complaint or who is involved in an investigation concerning an incident of alleged bullying.

A student who intentionally makes a false claim, provides false information, or refuses to cooperate with an investigation regarding bullying shall be subject to appropriate disciplinary action.

Procedures for Reporting & Investigating Bullying Complaints

Complaints about bullying conduct should be made as soon as possible after prohibited conduct occurs using the procedures identified in the Westlake Academy Parent/Student Handbook. Failure to timely report may impair the Academy's ability to investigate and effectively address the conduct.

Westlake Academy will establish procedures for reporting and investigating bullying complaints, which will be included in the Parent/Student Handbook and available on the Academy's website. The procedures shall include:

1. Actions a student should take to obtain assistance and intervention in response to bullying;
2. Procedures for reporting an incident of bullying or cyberbullying, including a procedure for a student to anonymously report an incident of bullying;
3. Procedures for providing notice of an incident of alleged bullying to:
 - a. A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
 - b. A parent or guardian of the alleged bully within a reasonable amount of time after the incident;
4. Procedures for investigating a reported incident of bullying, including taking prompt interim action calculated to prevent bullying

during the course of an investigation, if appropriate;

5. Procedures for determining whether the reported incident of bullying occurred, reporting the investigation findings, and appealing the findings of the investigation;
6. Opportunities for access to counseling for a student who is a victim of or a witness to bullying or who engages in bullying.

Academy staff shall take all reasonable measures to respect the privacy of a complainant, a person against whom a complaint is filed, and any witnesses or persons contributing information to a bullying investigation. However, limited disclosures may be necessary in order to conduct a thorough investigation.

Disciplinary Consequences

If the results of an investigation indicate that bullying occurred, the Academy shall impose appropriate disciplinary consequences in accordance with the Westlake Academy Code of Conduct and may take other corrective action that is reasonably calculated to address the conduct. In the event an investigation concludes that improper conduct occurred that did not rise to the level of bullying, as defined by this policy, the Academy may take appropriate action in accordance with the Student Code of Conduct or any other corrective action deemed appropriate by Academy administrators.

Any conduct that constitutes bullying, including cyberbullying, shall be considered a serious offense that may result in a student's expulsion from Westlake Academy.

A student shall be expelled if the student:

1. Engages in bullying that encourages a student to commit or attempt to commit suicide;
2. Incites violence against a student through group bullying; or
3. Releases or threatens to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.

Westlake Academy will not impose disciplinary action against a student who, after an investigation, is found to be a victim of bullying, on the basis of that student's use of reasonable self-defense in response to the bullying.

Any disciplinary action related to bullying imposed on a student with a disability will comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 *et seq.*).

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. The process described in this policy does not create new or additional rights beyond those granted by law or Board policy.

General Provisions

- “Complaints” and “Grievances” have the same meaning.
- Complaints arising out of an event or a series of related events must be addressed in one complaint. A student or parent may not bring separate or serial complaints arising from any event or series of events that have been or could have been addressed in a prior complaint.
- Complaints and appeal notices must be in writing and may be filed by hand-delivery, fax, e-mail, or U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Fax and e-mail filings shall be timely filed if they are received on or before the deadline, as indicated by the date/time shown on the fax or e-mail copy. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.
- A student may be represented by an adult at any level of the complaint. The student or parent may designate a representative through written notice to the Academy at any level of this process. If the student or parent designates a representative with fewer than three days’ notice to the Academy before a scheduled conference or hearing, the Academy may

reschedule the conference or hearing to a later date, if desired, in order to include the Academy's counsel. The Academy may be represented by counsel at any level of the process.

- All time limits shall be strictly followed unless modified by mutual written consent. If a complaint or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the student or parent, at any point during the complaint process. The student or parent may appeal the dismissal by seeking review in writing within ten days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

Level One

Formal complaints must be:

1. In writing, dated, and must describe the subject matter of the complaint, the date of the occurrence(s), and identify any persons with knowledge of the alleged complaint;
2. Filed within 10 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
3. Submitted to the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal. If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint was received and should immediately forward the complaint to the appropriate administrator.

The appropriate administrator shall investigate as necessary and may hold a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

The administrator shall provide the student or parent a written response within ten days of receiving the complaint or within ten days following the conference, whichever is later. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent is not satisfied with the Level One response, or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision. The appeal notice must be filed in writing, within five days of the date of the written Level One response or, if no response was received, within five days of the Level One response deadline.

Upon notice of the appeal, the Superintendent or designee shall review the Level One record including:

1. The original complaint and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall hold a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues presented at Level One and identified in the Level Two appeal notice. At the conference, the student or parent may provide information concerning any documents or information included in the Level One record. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board. The appeal notice must be filed in writing within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board. The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent may request a copy of the Level Two record. The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an

opportunity for questioning by the Board. The Level Three presentation shall be recorded.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Policy Goal: Pursuit of the Academy's mission/vision for effective education via a teacher-student-parent partnership which promotes positive parent and community involvement at Westlake Academy through a volunteer program constructed according to appropriate policy guidelines.

Policy Description:

The purpose of this policy is to provide overall guidance and policy direction to faculty, staff, and volunteers regarding Westlake Academy's volunteer program. Westlake Academy's Board of Trustees supports the use of volunteers, subject to the requirements of this policy, as a means to utilize the many abilities and talents of volunteers to enhance the educational experience for Westlake Academy students. It is recognized that volunteers provide the staff and students at Westlake Academy with resources and talents that would otherwise not be affordable or would require use of scarce Academy budget dollars to acquire.

Unless specifically stated herein, this policy applies to all volunteers in all programs and projects undertaken at or on behalf of the Academy.

Accordingly, it is appropriate for Westlake Academy staff to develop processes and procedures to manage and administer a volunteer program within the following policy boundaries:

- Westlake Academy volunteers are those individuals who choose to perform services for the Academy as defined by Academy staff without compensation or expectation of compensation of any kind. Volunteers are not employees of Westlake Academy.

 1. The Academy has obtained all necessary criminal history record information related to the volunteer as may be required by state law and board policy; and
 2. The Superintendent's designee makes a determination in his/her discretion on the appropriateness of volunteer service by the applicant and provides written notice that the volunteer's application has been approved; and
 3. The approved volunteer completes annual mandatory training, including completion of training on the Family Educational Rights and Privacy Act (FERPA) conducted by Academy staff, and signs the Academy's Learning Commitment.

- Approved volunteers will be assigned tasks and duties based upon the needs of the Academy as identified by Academy staff. All persons approved for volunteer service shall perform their volunteer service under the supervision of a Westlake Academy staff/faculty person. Volunteers will access their volunteer work stations at the Academy via the campus security system established by staff.

- Academy volunteers must comply with all applicable Academy policies and procedures at all times that volunteer services are provided; including, but not limited to, the Academy's acceptable use policies related to technology.

Use of volunteers does not constitute, either implicitly or explicitly, a binding contractual or personnel agreement on behalf of Westlake Academy. We expect all students to be on their honor, and cheating will be dealt with severely.

Academic Dishonesty

Academic dishonesty is defined as:

- Engaging in any act of plagiarism by passing off ideas or words of another as one's own, using another's work without quoting sources, committing literary theft, or presenting an idea from an already existing source as new or original;
- Receiving or providing assistance on an assignment in or out of the classroom where collaboration is not explicitly condoned by the instructor;
- Communicating or attempting to communicate with another student during an examination via verbal, nonverbal, written, or electronic means;
- Disclosing the content of assessment material to another student who is taking or has taken the same course but has not yet taken the assessment in question;

- Possessing or using forbidden materials or aids during an assessment; or
- Stealing, attempted theft, or collusion with any who attempt to steal assessment materials.

Cheating, plagiarism, forgery and any other forms of academic dishonesty are considered severe discipline infractions and will be subject to the progressive discipline process outlined in the Parent/Student Handbook.

Honor Code

By means of an Honor Code, students practice responsible leadership, accept personal responsibility and develop strong character and create an atmosphere free from suspicion. At its core, the Honor Code is based on mutual respect and trust, serving as a written model for what is expected from students in terms of behavior, as well as a pledge to live by the school's values. All students will be required to support the traits identified in the IB Learner Profile by committing to the following:

Honor Pledge:

As an IB student, I am responsible to uphold a principled perspective in my personal and academic life.

Students who commit themselves to upholding the Westlake Academy Honor Code will be instilled with a sense of honor and integrity that will last beyond their school years.

Date Board Amended: August 12, 2013

Effective Date: August 16, 2010

Policy Category: Parent, Student and Faculty Relations and Expectations

Policy Name: Technology Use and Computer System Responsibilities

Policy Goal: To establish accountability standards and parameters for the use of technology at Westlake Academy congruent with the Academy's academic honor and employee/student conduct codes and expectations.

Policy Description:

In an effort to promote appropriate and responsible use of technology in the classroom and throughout the broader learning environment, the Board of Trustees approves the following policies and procedures for Westlake Academy.

Access to Westlake Academy Technology Resources

Access to the Academy's electronic communications system and/or technology resources is a privilege, not a right. All users shall be required to acknowledge receipt and understanding of all Board policies and administrative regulations governing use of technology. All users of Westlake Academy technology resources shall agree to comply with all policies, regulations, and guidelines.

All Academy technology resources are business assets, and should not be considered private. The Academy may access and review any use of technology resource, including, but not limited to: internet utilization, email content, and data created, transmitted, or stored on devices utilizing the Academy's technology resources.

Noncompliance may result in suspension of access or termination of privileges and other disciplinary action consistent with Academy policies, any applicable employee policies or procedures, and the Parent/Student Handbook. Violations of law may result in disciplinary action by the Academy, in addition to any action taken by law enforcement.

Access to the Academy's electronic communications system and/or technology resources will be governed as follows:

1. All users (or the parent/legal guardian of student users) will be required to sign a user agreement annually each August prior to issuance or renewal of any account utilizing the Academy's technology resources.
2. Academy employees will be granted the appropriate level of access to the Academy's technology resources, as necessary to successfully perform their assigned job duties.
3. Appropriate use of personal email accounts are the sole responsibility of the end user. Users shall comply with the same policies, procedures, and standards when using or transmitting personal email using Westlake Academy technology resources.
4. Users agree to change passwords when requested to do so by a supervisor or technology administrator. All passwords must remain confidential and may not be shared.
5. Any system/resources user identified as a security risk or as having violated Academy and/or campus technology use guidelines may be denied access to Westlake Academy's technology resources.

User Responsibilities for Technology Resources

The following standards will apply to all users of the Academy's technology resources:

1. Users are responsible at all times for the proper use of technology resources accessed through the user's ID/login. Users should take all reasonable precautions to prevent others from gaining access to their account(s).
2. The technology resources system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by Academy policy or guidelines.
3. Users may not disable, or attempt to disable, any content/media filtering devices on the Westlake Academy network.
4. Encryption methods other than those used and approved by the administrator may not be utilized.
5. System users may not use another person's user ID/login without written permission from the Superintendent or designee.

6. Students may not distribute personal information about themselves or others through the use of any Westlake Academy technology resources; including, but not limited to, personal addresses and telephone numbers.
7. Students should never make appointments to meet people whom they meet online and should report to a teacher or administrator if they receive any request for such a meeting.
8. System users must purge and/or make hard copies of electronic mail and files in accordance with established retention guidelines.
9. System users may not redistribute copyrighted programs or data except with the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright law, Academy policy, and administrative regulations.
10. System users should avoid actions that are likely to increase the risk of introducing viruses to the system, such as opening e-mail messages from unknown senders and loading data from unprotected computers.
11. System users may not install public domain programs to any device owned or maintained by Westlake Academy. Users may not download public domain programs for their own use, nor redistribute a public domain program. Users are responsible for determining whether a program is in the public domain.
12. System users may not use the Academy's technology resources to access, send, or post messages that are abusive, obscene, pornographic, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal.
13. The Westlake Academy network and related technologies are the property of the school and subject to inspection by administration at any time, including non-school owned electronic devices. Users should not have any expectation of privacy when utilizing the Westlake Academy's network, including all electronic communications devices or web-based systems.
14. System users should be mindful that use of school-related electronic mail addresses might cause recipients or other readers to assume they represent the school, whether or not that was the user's intention. Users have no authority to represent the Academy beyond that expressly given by the Academy.
15. Users may not engage in the wasteful use of the Academy's technology resources. This includes, but is not limited to, "spamming," use of internet bandwidth for non-educational purposes, or excessive printing.

16. System users may not gain unauthorized access to resources or information or attempt to disrupt the performance of any of the Academy's technology resources by any means.
17. System users understand and agree that all documents and communications are the property of the Academy. As such, a system user may not copy, download, disseminate, e-mail, or disclose Academy property to third parties not directly related to Academy business without the express written authority of the Superintendent.
18. Vandalism of any kind will require restitution for costs associated with hardware, software, and system restoration and may result in the revocation of access to the Academy's network or other technology resources.
19. This policy applies to any portable school-owned property (laptops, iPads, etc.) that may be issued to staff or other authorized parties. Users are required to follow all provisions of this policy when using these devices, even when they are removed from the premises.

Information from Third Parties

System users and parents of students with access to the Academy's technology resources should be aware that, despite the Academy's use of technology protection measures as required by law, use of the system may provide access to other electronic communications systems in the global electronic network that may contain inaccurate and/or objectionable material.

Any user and/or student who gains access or knows of others accessing such material is expected to discontinue the access as quickly as possible and to report the incident to the supervising teacher/administrator(s).

A student knowingly bringing prohibited materials or media into the school's electronic environment will be subject to suspension of access and/or revocation of privileges on the Academy's system and will be subject to disciplinary action in accordance with the Student Code of Conduct.

An employee knowingly bringing prohibited materials or media into the school's electronic environment will be subject to disciplinary action in accordance with Academy policies.

Disclaimers

Opinions, advice, services, and all other information expressed by system users, information providers, service providers, or other third-party individuals in the system are those of the providers and not necessarily the Academy.

The Academy will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the Academy's technology resources system.

Westlake Academy makes no expressed or implied guarantees that the activities or services provided by Westlake Academy technology resources will be error-free or without defect. Westlake Academy will not be responsible for any damages to users including, but not limited to loss of data, interruptions of service, personal or psychological damages, or financial losses. Westlake Academy is not responsible for the accuracy or quality of content obtained through our network or stored on our systems. Policy Name: IB Learner Profile Statements

Policy Goal: To pursue shared commitment between faculty, students and parents to build and nurture a flourishing International Baccalaureate (IB) learning community at Westlake centered on the philosophy of the IB.

Policy Description:

For quality education to occur, a partnership between parents, students, and faculty must unite towards a common vision and goals. As such, the Board of Trustees has established vision, mission, and values statements for Westlake Academy all grounded in Westlake Academy's strong roots in the International Baccalaureate (IB).

In order to bring this vision into the daily school life of our students, tools must be in place to connect the vision by emphasizing and cultivating the development of a learning community. This commitment is contained in the ten attributes of the IB Learner Profile. There is much written in educational literature about schools as "learning communities", centered on the faculty/staff, student and parents creating a learning community, which is often characterized as having these attributes:

- supportive and shared leadership
- collective creativity
- shared values and vision
- supportive conditions
- shared personal practice

The Academy's IB Learner Profile Statements

Are intended to help chart, reinforce and communicate to the parents, students, and faculty, not only the clear path necessary toward achieving a student's successful graduation, but the behaviors and ideals necessary to achieve that end. As such, the Board has developed statements toward establishing of the IB Learner Profile for faculty, students and parents.

The student portion of the IB Learner Profile, taken directly from the IB, is the students' overall development and achievement during the course of their educational career.

The faculty and staff section of the IB Learner Profile identifies and reinforces the professional conduct required to support our students while they are enrolled in our learning environment at Westlake Academy.

The parent statement portion of the IB Learner Profile affirms the importance of the parent's role in attaining a quality education for their child and supporting their student, as well as the staff, in achieving the long-term goal of creating a high quality learning environment. Parents are strongly encouraged to read and discuss these attributes with their children.

Section 4 - Financial Stewardship

TOWN OF WESTLAKE WESTLAKE ACADEMY BOARD OF TRUSTEES POLICY

Policy No. 4.01:

Date Board Adopted: August 3, 2009

Date Board Amended: N/A

Effective Date: August 3, 2009

Policy Category: Financial Stewardship

Policy Name: Surplus Property Disposition

Policy Goal: Proper disposition of surplus Town assets acquired for Academy use in accordance with applicable local, State and other legal requirements and guidelines.

Policy Description:

- 1. Purpose.** The purpose of this policy is to describe the guidelines for the disposal of surplus, obsolete, and non-repairable Westlake Academy properties and fixed assets.
- 2. Effective.** Immediately on the date of its passage by the Board of Trustees.
- 3. Applicability.** This policy applies to all employees.
- 4. Disposal of Westlake Academy Property.** The CEO or designee, is authorized to sell worn-out, scrap, obsolete or unused personal property ("Surplus Property") other than items routinely discarded as waste. Disposal may take the form of an on-site auction, Internet auction, recycling, or trash disposal.
- 5. General Information.** Westlake Academy may schedule items for auction that are considered economically unusable. These include fixed assets such as surplus, obsolete, or non-repairable properties. A Surplus Property Transfer Form signed by the department supervisor and CEO or designee is used to facilitate the transfer of these items for disposition. Arrangements for transfer are made based on available storage space and truck schedules for pick up. Every effort should be made to determine if a need for the surplus property exists anywhere else in Westlake Academy before a sale or disposal occurs. The CEO or designee maintains a list of surplus property scheduled for disposal. Other departments may requisition any

properties on the surplus list by sending a completed requisition form to the CEO or designee.

Property cannot be sold by the school, given to or taken by any employee for personal use, or disposed of in any manner other than described in this policy. All rights and titles to Westlake Academy property, whether real or personal, shall be vested in the Board of Trustees and its successors in office. The Board may, in an appropriate manner, dispose of property that is no longer necessary for Westlake Academy operations.

The CEO or designee is authorized to declare Westlake Academy materials, equipment, and supplies to be unnecessary and shall dispose of unnecessary materials, equipment, and supplies for fair market value. If the unnecessary property has no value, the CEO or designee may dispose of such property according to administrative discretion. Items obtained as federal surplus or with federal funds shall be managed according to federal regulations.

The CEO or designee shall establish procedures for the sale, at fair market value, of any surplus personal property such as books, equipment, and supplies. Items obtained as federal surplus or with federal funds shall be handled in accordance with federal regulations. Personal property includes any item owned by Westlake Academy not classified as real estate. Items of substantial value such as portable buildings and buses shall not be disposed of without advance Board notification under administrative regulations.

Monies collected from the sale of obsolete materials, equipment, and supplies shall be deposited to the Westlake Academy General Fund.

6. **Surplus Property:** Property no longer needed by Westlake Academy becomes surplus. If a need for the property is not known, it should be transferred to storage by using a Surplus Property Transfer Form.
7. **Westlake Academy Property Disposal Procedures:** Any property that is movable or not attached to the land (referred to as personal property) such as furniture, fixtures, vehicles, equipment, tools, instruments, clothing, or other such items of value, which has lost its useful value to the Academy or has become obsolete. Personal property does not include real estate such as land, including the building or improvements on it, or its natural assets, such as minerals and water.

Once items have reached their “end-of-useful-life” (as determined by the CEO or designee), the items will be classified as disposed property.

Procedures for disposal are:

- a. Whenever an item of equipment is deemed to be obsolete or unfit for use, such equipment may be disposed of on a competitive basis, either by trade-in or outright sale to the highest prospective buyer.

- b. Items that cannot be sold in their original form, or lose their identity while in the possession of the Westlake Academy, may be sold as scrap, if deemed advisable, at the highest obtainable offer.
- c. The determination of the highest prospective buyer shall be made with the approval of the CEO or designee, or an authorized representative.

The CEO or designee coordinates a public sale of surplus property as needed for items that are no longer needed by Westlake Academy. Employees of Westlake Academy or the Town of Westlake will be permitted to purchase items at the sale on the same basis as all other buyers.

- a. Fixed Asset or Inventory items must be removed from Westlake Academy's inventory prior to disposal.
- b. Items should never be discarded at the department or campus level. Instead, items should be transferred to Surplus Property storage where they will then be sold in a Disposal Sale or discarded per instructions from the CEO or designee.
- c. Since there are many contributors to a Disposal Sale, proceeds are pooled and are not returned to any particular department's budget.

Westlake Academy property shall, at the option of the CEO or designee, be disposed of by one of the following methods:

- a. **On-site Auctions.** The CEO or designee advertises the auction in a local newspaper two weekends prior to the date of the auction. The advertisement shall indicate the time, date and location of the auction. The advertisement guidelines are as follows:
 - i. The advertisement must state that the Westlake Academy reserves the right to cancel or void any sale that has not been conducted in accordance with the terms of the auctioneer's contract;
 - ii. All sales shall be "as/where is";
 - iii. Payment must be made at the time of sale, and all sales are final;
 - iv. All sales will be for cash, money order, cashier's check, or check with Bank Letter of Guarantee; and
 - v. Westlake Academy shall not be responsible for any loss or damage to any article(s) sold at auction after the sale has been consummated.

The advertisement guidelines are as follows:

All items proposed for auction will be stored in a central location the day of the auction. Federally funded items are to be segregated on the auction floor. The sending department and the Finance Department will prepare the documents if required by federal and state guidelines.

The CEO or designee shall retain the right to remove any items from sale at the auction if the item does not yield at least 80 percent of the predetermined sales price or if the final sale is not in the best interest of Westlake Academy. An internal auditor must be present to serve as an independent observer to ensure compliance with auction procedures and must remain until all proceeds have been collected. The internal auditor will issue a written formal audit report to the Finance Director. Auction guidelines are as follows:

- i. Auctioneer. The auctioneer is selected by an open bid process conducted by the CEO or designee. The CEO or designee works with the auctioneer prior to the auction to verify that all items have been documented and have correct pallet and lot numbers on the auctioneer's coupon sales ledger. The CEO or designee provides the auctioneer with a copy of the auction lists, including a list of prices to establish a minimum bid price.
- ii. Vehicle Auction. All vehicles being sold at auction must have Westlake Academy emblems, license plates, and peripheral equipment (radios, sirens, etc.) are removed by the using department prior to the auction. The emblems are destroyed by the using department. The license plates are sent to the CEO or designee. After the sale, the CEO or designee releases the title to the new owner.
- iii. Collection and Distribution of Funds. All expenses incurred for the auction will be paid out of the receipts of the auction. The CEO or designee shall collect a desegregation form and applicable Tax Exempt Certificates from all buyers and collect and distribute all funds obtained from the auction. A minimum of two staff members will be required to process or collect all payments. Monies from the auction will be collected, in full, on the day of the auction, and submitted to the finance department.
- iv. Time Limit to Remove Auctioned Items. A maximum time limit of five days or less will be set by the CEO or designee, for the removal of all items after the auction. If items are not removed by this time, the items may be disposed of or re-auctioned. In such cases, no refund will be made to the buyer.
- v. Removal of Auctioned items. The new owner assumes all risks associated with moving or loading the property from the auction location. The CEO or designee, if necessary, will assist in loading the auctioned items, but assumes no liability for damage.

- b. **Electronic Auction.** An auction Web page will be secured by CEO or designee to facilitate an online auction and the items for sale will be listed. A starting bid price and a reserve price, if applicable, will be assigned to each item on the lists created through a coordinated effort by the CEO or designee, and the sending department. Any items not sold on the online auction may be listed at the on-site auction. Procedures for the on-site auction will apply to the electronic auction.
- c. **Donation, sale, or lease to Public Entities.** Property may be donated, sold, or leased to certain government or educational institutions. Prior to transfer, the Board of Trustees must declare no value or nominal value and that the Westlake Academy does not need the real property or improvements. The entity to whom the transfer is made has shown, to the satisfaction of the Board of Trustees, that the entity intends to continue to use the real property and improvements for public purposes.

The President of the Board of Trustees shall execute a deed transferring ownership of the real property and improvements to the municipality, county, state agency, or nonprofit organization. The deed must:

- i. Recite the resolution of the Board of Trustees authorizing the donation; and
 - ii. Provide that ownership of the real property and improvements revert to Westlake Academy if the municipality, county, state agency, or nonprofit organization discontinues use of the real property and improvements for public purposes; or
 - iii. Executes a document that purports to convey the property.
- d. **Other Means of Disposal.** Property may be directly disposed of under the following circumstances:
 - i. If the item is broken, unusable, and/or hazardous. Documentation and pictures must be provided for an item to be disposed of.
 - ii. Offer the property as a trade-in for new property of the same general type if the CEO or designee considers that action to be in the best interest of the Academy.
 - iii. Order any of the property to be destroyed or otherwise disposed of as worthless, if the Academy undertakes to sell that property and is unable to do so because no bids are received.
 - iv. Competitive sealed bids following the guidelines of Chapter 252 of the Texas Local Government Code for competitive bidding.

Westlake Academy promotes integrity, truth, knowledge, trust, discipline, and respect in a safe learning and teaching environment. The Code of Conduct applies to all students, parents, teachers and administrators, each of whom has the right to a safe and productive environment. The underlying goal of the code of conduct is to create a community of learners who develop the skills and attitudes to become self-disciplined.

Westlake Academy policies regarding the code of conduct will be disseminated to all students and parents/guardians through the publication of the Parent/Student Handbook.

Westlake Academy Code of Conduct

1. All members of the Westlake Academy school community – the students, parents/guardians, volunteers, teachers, staff and administrators – must observe the regulations.
2. All members of the school community are to be treated with dignity and respect.
3. Responsible citizenship involves appropriate participation in the school community. Each member accepts the responsibility to participate in a manner reflecting dignity and respect.
4. Positive reinforcement of good behavior is the most effective means of promoting high standards of behavior and academic achievement.

5. Disruptions of class impede student learning and teacher productivity. All members of the school community are responsible for maintaining a positive learning environment.
6. All stakeholders are expected to act with integrity in academic and non-academic contexts.

WESTLAKE ACADEMY
BOARD OF TRUSTEES POLICY**

Policy No. 5.02:

Date Board Adopted: August 3, 2009

Date Board Amended: November 5, 2018

Effective Date: November 5, 2018

Policy Category: Governance

Policy Name: Discipline

Policy Goal: Description of the discipline policy

Our primary belief is that no student or member of the Westlake Academy community has the right to impede the education of another student. Any behavior, which is disruptive to the learning environment, will not be tolerated and appropriate disciplinary action will be taken, as necessary, to ensure the integrity of the learning environment. The Academy encourages parents to work with their children and school personnel to establish clear expectations for student behavior.

Staff and students will use the IB learner profile attributes as a basis for the development of a constructive behavior environment. Every effort will be made to develop positive consequences, which can be applied to individual students as well as classrooms. Consistency is important and will be a priority in decisions involving student behavior and discipline in order to establish firm and consistent limits for students. The IB program also establishes a positive educational environment for both the student and teacher.

Parent/Student Handbook: Each year, Westlake Academy shall make available the Parent/Student Handbook, which shall include a Code of Conduct that describes the acceptable standards of student conduct and the disciplinary consequences applicable to violations of the standards of conduct, school trip policies or other school or classroom rules. *Through their enrollment in the Academy, both parents and students acknowledge access to the Parent/Student Handbook, which is available on the school's website or in hard copy upon request.*

Revisions to the Handbook that are made during the school year shall be made available promptly to students, parents, teachers, administrators, and others.

Progressive Discipline: Generally, consequences for disregarding acceptable standards of conduct or school and classroom rules will include one or more of the following:

1. Warning from teacher or any member of school staff and reflection by student
2. Disciplinary action from classroom teacher, parent notification, and reflection by the student
3. For more serious offenses, Principal directed disciplinary action, parent notification, and reflection by the student
4. For repeated infractions or serious offenses, disciplinary action by the Principal or Superintendent, parent notification and reflection by the student

Disciplinary consequences will be reviewed by school personnel according to a grid system. The grid will identify types of offenses, which are categorized into three (3) levels based on severity. Each level will identify the disciplinary consequences that may apply to offenses within that level. The grid will be updated and published in the Parent/Student Handbook on an annual basis. Disciplinary consequences may include:

1. Detention / Restitution-Reflection Activity (RRA)
2. Saturday School
3. In-school Suspension
4. Out-of-school Suspension
5. Expulsion
6. Or other consequences determined by the Principal or Superintendent to be appropriate in compliance with the procedures identified in the Parent/Student Handbook.

Guidelines for Discipline Procedure: Westlake Academy personnel shall adhere to the following general guidelines when imposing discipline:

1. A student shall be disciplined when necessary to improve the student's behavior, to maintain essential order, or to protect other students, school employees, or property.
2. Students shall be treated fairly and equitably. Discipline shall be based on a careful assessment of the unique circumstances of each case following any applicable investigation. Factors that may be considered include:
 - a. Investigative documentation of alleged offense;
 - b. Seriousness of the offense;
 - c. Student's age;
 - d. Frequency of misconduct;
 - e. Student's attitude;
 - f. Potential effect of the misconduct on the school environment;
 - g. Provisions of the Parent/Student Handbook.
3. Investigative processes may include, but are not limited to:
 - a. Personal accounts of teachers/staff members
 - b. Interviews/written statements of the student facing disciplinary action

- c. Interviews/written statements of other students involved in or witnesses to the alleged incident
 - d. Search of student belongings (see the Interrogations and Searches Policy)
4. When applicable, the following steps will be taken to ensure Westlake Academy students receive appropriate due process:
- The student will be informed of the prohibited conduct or rule violation that he/she is alleged to have committed.
 - The student will be provided information related to the factual basis for the allegations.
 - The student will have an opportunity to respond to the allegations and provide any additional information relevant to the allegations, including any defenses or other mitigating factors.

Discipline Processes: As stated, conduct violations will be reviewed according to a discipline grid.

- L
level I – discipline consequences shall be handled by the classroom / subject matter teacher.
- L
level II and III – discipline consequences shall be handled by the Principal / Assistant Principal as appropriate.

School personnel may request immediate intervention by the Principal or Superintendent in any disciplinary matter. Parents will be notified promptly if a student’s behavior may result in a disciplinary consequence that includes detention for which the parent may need to make alternative transportation plans for the student, in-school suspension, out-of-school suspension, or proposed expulsion.

The consequences for a serious offense may result in disciplinary action up to and including expulsion on the first offense.

Expellable Offenses: A student may be expelled if the student commits the following on or within 300 feet of school property, as measured from any point on the school’s real property boundary line or while attending a school-sponsored or school-related activity on or off school property:

1. Engages in conduct punishable as a felony;
2. Engages in conduct that contains the elements of assault, under Penal Code 22.01(a)(1);
3. Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of:
 - a. Marijuana or a controlled substance, as defined by the Texas Controlled Substances Act, Health and Safety Code Chapter 481, or by 21 U.S.C. 801, et seq;

- b. A dangerous drug as defined by the Texas Dangerous Drug Act, Health and Safety Code, Chapter 483;
4. Sells, gives, or delivers to another person an alcoholic beverage, as defined by the Alcoholic Beverage Code, 1.04, or commits a serious act or offense while under the influence of alcohol, or possesses, uses, or is under the influence of an alcoholic beverage;
5. Engages in conduct that contains the elements of an offense relating to an abusable volatile chemical under Health and Safety Code, 485.031 through 485.034;
6. Engages in conduct that contains the elements of the offense of public lewdness under Penal Code, 21.07;
7. Engages in conduct that contains the elements of the offense of indecent exposure under Penal Code, 21.08;
8. Uses or possesses tobacco products;
9. Engages in conduct involving a public school that contains the elements of the offense of false alarm or report under Texas Penal Code 42.06, or terroristic threat under Texas Penal Code 22.07.

Westlake Academy does not have a Disciplinary Alternative Education Program (DAEP). A student engaging in conduct that would support a mandatory or discretionary placement in a DAEP under the Texas Education Code may be subject to expulsion from Westlake Academy.

In addition to the above provisions, any conduct by a student that poses a risk to the safety of the student, other students, school employees or school property may be treated as a serious offense and may result in the student's removal from class and other appropriate discipline, up to and including expulsion.

Gun-Free Schools Act: In accordance with the Gun-Free Schools Act, Westlake Academy shall expel any student who is determined to have brought a firearm, as defined by federal law, to school. 20 U.S.C. § 7151; Tex. Educ. Code §§ 12.104(b)(1), 37.007(e).

For purposes of this policy, "firearm" means:

1. Any weapon (including a starter gun) which will, or is designed to, or which may readily be converted to expel a projectile by the action of an explosive;
2. The frame or receiver of any such weapon;
3. Any firearm muffler or firearm silencer; and
4. Any destructive device, which means any explosive, incendiary, or poison gas bomb, grenade, rocket having a propellant charge of more than four (4) ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or device similar to any of the preceding described devices. It also means any type of weapon (other than a shotgun shell or a shotgun that is generally recognized as particularly suitable for sporting purposes) by whatever name known which will, or which may be readily converted to, expel a projectile by the action of an explosive or

other propellant, and which has any barrel with a bore of more than one-half inch in diameter; and any combination of parts either designed or intended for use in converting any device into a destructive device as described in this item, and from which a destructive device may be readily assembled. 18 U.S.C. § 921.

Expulsion Procedures: Before a student may be expelled, the student shall be provided a hearing at which the student is afforded appropriate due process as required by the federal constitution. The minimum procedural requirements necessary to satisfy due process depend upon the circumstances and the interests of the parties involved. Federal due process requires notice and some opportunity for a hearing. Upon recommendation for expulsion by a principal, a hearing shall be scheduled before the Superintendent or designee.

1. Notice. The notice shall contain a statement of the specific charges and grounds that, if proven, would justify expulsion. The student may be given the names of the witnesses against him or her and/or an oral or written report on the facts to which each witness testifies.
2. Hearing. The rights of the student may properly be determined upon the hearsay evidence of school administrators who investigate disciplinary infractions. The results and findings of the hearing should be presented in a report open to the student's inspection. *Dixon v. Alabama State Bd. of Educ.*, 294 F.2d 150 (5th Cir. 1961), cert. denied, 368 U.S. 930 (1961).
3. Representative. At the hearing, the student is entitled to be represented by the student's parent, guardian, or another adult who can provide guidance to the student and who is not an employee of the Academy. If the Academy makes a good-faith effort to inform the student and the student's parent or guardian of the time and place of the hearing, the Academy may hold the hearing regardless of whether the student, the student's parent or guardian, or another adult representing the student attends.
4. Expulsion Order. The Superintendent shall deliver a copy of the order expelling the student to the student and the student's parent or guardian. Notice of the expulsion order shall also be forwarded to the student's home school district in compliance with state law.
5. Effect of Withdrawal. If a student withdraws from the Academy before an order for expulsion is entered, the principal or Board, as appropriate, may complete the proceedings, enter an order, and notify the student's home school district. The home district will determine whether or not to uphold the expulsion and/or place students in an alternative education program.

Disciplinary Appeals: Disciplinary consequences that do not result in removal from the regular classroom may be reviewed at the campus level, but may not be appealed beyond the campus level.

Out-of-School Suspension: A student assigned out-of-school suspension by a principal may appeal the decision to the Superintendent. The Superintendent or his/her designee will review the campus-level investigation and may conduct

interviews or additional investigation if deemed appropriate. Within ten school days of receiving the appeal request, the Superintendent or designee will provide notice of his/her decision to: 1. Uphold the suspension; 2. Overturn the suspension; or 3. Assign an alternative consequence. The Superintendent or designee's decision is final and may not be appealed.

Expulsion: An order by the Superintendent or designee to expel a student may be appealed to the Board.

Policy No. 6.03:

Date Board Adopted: **November 3, 2009**

Date Board Amended: **August 10, 2016**

Effective Date: **August 10, 2016**

Policy Category: **Student Achievement**

Policy Name: **Assessment and Grade Reporting Policy
Secondary – Middle Years Program and Diploma
Program**

Policy Goal: Definition, uniformity, and transparency in the Academy's Secondary (MYP and DP) assessment and grading policy.

Policy Description:

Grading Policy

Uniform assessment of achievement and grade reporting standards are an important component to support student success in the Secondary (MYP and DP) programs at Westlake Academy. In order to accurately reflect the academic achievement of students, the Academy shall develop grading standards that incorporate the following purposes:

- Reflect a student's mastery of the curriculum as demonstrated by the student's performance on exams, homework assignments, projects, etc.
- Allow the parent to easily identify and gauge their child's performance and progress
- Promote consistency across grade level(s) of assessment standards and grade reporting
- Assist colleges in determining the scope of a student's academic achievement
- Demonstrate college readiness
- Identify any subject area where a student may need additional assistance to reach educational goals

In order to promote the above-identified purposes and establish comprehensive grade assessment and reporting standards for the student body of Westlake

Academy, Staff will develop uniform *grading/assessment guidelines* for all secondary grades and publish the information in the Parent/Student Handbook and on the Academy's web site on an annual basis. These guidelines will address the Academy's assessment philosophy and practices, the roles of summative and formative assessments, the role of grades, and the role of criterion-based rubrics and assessment.

Use of Assessments

Staff will administer a variety of assessments to measure student knowledge and progress throughout the year. The frequency and type of assessment utilized will be program specific (*i.e.* Middle Years or Diploma Program) and will be published in the Parent/Student Handbook.

In the Secondary School (Middle Years and Diploma Program), a student shall not be required to complete more than two major assessments/tests on the same day.

In addition, SENIORS in the Diploma Program sitting for the IB exams may be exempt from final exams based on criteria adopted by the Executive Principal or his/her designee.

Grade & Progress Reports

Westlake Academy will send home grade reports at the end of each quarter (approximately nine-week period). Additionally, parents shall receive interval reports on student progress once each semester by parent/teacher conference. This will allow parents to meet with teachers and briefly discuss their child's progress. Additional concerns may be addressed as needed at conferences scheduled at the request of the teacher or a parent any time during the school year.

Weighted Grades

The Academy shall identify courses for which weighted grades will be assigned and designate the courses and grade weighting procedures in the Parent/Student Handbook. The Academy shall record the weighted numerical grades on each student's academic achievement record.

When a transfer student enters Westlake Academy with an academic achievement record that includes a grade that was subject to a grade-weighting system from another school, the Academy shall convert the weighted grade to reflect the grading scale applicable to the same or equivalent course offered by Westlake Academy. This paragraph applies only if the same or equivalent course is offered to the same class of students at the Academy.

Evaluation of Credits for Transfer Students

The Academy accepts credits from other public schools accredited by the State of Texas. Transfer students may also request a transfer of credits from privately-

accredited educational institutions. Upon receipt of a transcript, courses will be evaluated by Westlake Academy to determine if the course meets the requirements for graduation from a Texas high school, as well as any applicable standards for Westlake Academy. Parents/Students are responsible for providing any additional information requested by the Academy that it deems necessary for the evaluation of transfer credits.

In order to receive credit for completed coursework, students entering Westlake Academy from a non-accredited school or from home schooling must take credit-by-exam (CBE) tests approved in advance by Westlake Academy. Students are responsible for any applicable fees associated with these tests and must achieve acceptable test scores based on the standards of the administering organization.

Guidelines consistent with these policies will be developed by Staff and published in the Parent/Student Handbook.

Early Graduation

Westlake Academy does not allow for early graduation unless a) the student has

satisfied all the requirements to graduate on the Texas First Program or b) the student has met the required credits of the Foundation High School Program AND the Head of School, or their designee, has determined it is in the best interest of the student to graduate early due to exceptional circumstances.

Eligibility to Participate in Commencement Ceremony – Westlake Academy seniors who have satisfied all Westlake Academy requirements for graduation are eligible to participate in the graduation ceremonies; however, disciplinary infractions may jeopardize a student's opportunity to participate in the commencement ceremony consistent with the student code of conduct and as determined by the Head of School.

For students who have not successfully completed all coursework, an exception may be made in the event that a senior lacks one (1) credit towards the graduation requirements. The student must have a plan approved by the Head of School to complete the credit prior to the beginning of the next school year. No other exceptions to participation in the graduation ceremony will be granted except as required by law.

Academic Recognition - Westlake Academy will recognize academic achievement through the establishment of a class Valedictorian, Salutatorian, and Honor Graduates. These recognitions are determined based on a student's Cumulative Grade Point Average (CGPA) as recorded at the end of the third reporting period of a student's senior year.

Valedictorian and Salutatorian – The graduating senior with the highest CGPA will be recognized as Valedictorian, and the graduating senior with the second highest CGPA will be recognized as Salutatorian. In the event of a tie for Valedictorian and/or Salutatorian, the Academy shall compute the weighted numerical grade average to a sufficient number of decimal places until the tie is broken. Additionally, Valedictorian and Salutatorian eligibility requires attendance at Westlake Academy for at least six consecutive semesters immediately preceding graduation. Further, the Head of School may deem a student ineligible for these recognitions if the student is in violation of Westlake Academy's student code of conduct, other school requirements, Town code, or State law.

Honor Graduates - A graduating senior whose weighted CGPA is 94% or above at the end of the third quarter of the student's senior year will be determined to be an Honor Graduate and will be duly recognized at commencement.

Rank in Class - Rank in class is determined by CGPA and will be used for the purposes of:

- Identifying students eligible to obtain automatic admission to Texas public universities based upon a university's uniform admission policy and in accordance with the Texas Education Code. This information will be reported directly to institutions by Westlake Academy staff; and

- Determining Valedictorian and Salutatorian.

Outside of the above circumstances, Westlake Academy is a non-ranking high school.

Operational guidelines consistent with this policy will be detailed and published in the Parent/Student Handbook.

Students Receiving Special Education Services – Westlake Academy will comply with federal and state laws and regulations applicable to graduation requirements for eligible students under the Individuals with Disabilities Education Act.

To the extent required by law, Westlake Academy will provide a summary of performance for graduating students receiving special education services. This summary will consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals as well as any required evaluation information.

The Academy shall issue a certificate of attendance to a student who receives special education services and who has completed four years of high school but has not completed the student's individualized education program (IEP). A student eligible to receive a certificate of attendance shall be allowed to participate in a commencement ceremony with students receiving high school diplomas. A student may participate in only one commencement ceremony under this provision.

Date Board Adopted: April 5, 2010

Date Board Amended: September 14, 2020

Effective Date: September 14, 2020

Policy Category: Student Achievement

Policy Name: Primary (K-G5) Assessment and Grade Reporting

Primary Goal

One of the primary goals of the PYP assessment and reporting system is to align with the International Baccalaureate's stance on measuring student progress and reporting on student achievement in relation to designated learning standards. The report card is designed in a manner that is objective and aligned with the state curriculum standards, the Texas Essential Knowledge and Skills (TEKS). The goal of this policy is to create transparency in the Primary (K-G5) Student Assessment and Grading Policy.

Policy Description

The purpose of this assessment and reporting policy is to create a process that accurately, consistently, fairly and with specificity communicates the learning progress and achievement of learners to students themselves, parents, and other faculty members with an education need to know. Ultimately, our goal is to create a community that embraces assessment and reporting as a valuable and essential part of the learning cycle.

Policy Function

The Academy shall align the rigor of the International Baccalaureate framework to the instructional standards of the Texas Essential Knowledge and Skills (TEKS). These established instructional standards shall provide teachers and students with a learning progression designed to address the concepts and skills needed for successful matriculation from grade to grade. Assessment and reporting procedures will maintain the integrity of the International Baccalaureate programme.

Classroom learning activities shall be designed so that each student's progression indicates the level of mastery achieved within the grade level standards. Learning shall be effectively measured, reported, and documented in

alignment with a set of clearly defined transdisciplinary concepts and content-area knowledge and skills collaboratively designed by the administration, faculty, and staff.

Our Purpose of Assessment and Reporting

There are two main purposes of assessment and reporting:

- **Measuring Learning:** capturing what a student has learned during a specific point in time; supports student achievement and progress in learning; analysis of data points to evaluate student progress
- **Reporting on Learning:** the process of informing parents and students on progress made towards achievement; identifying areas of growth; this is the most public component of assessment (IBO, 2018).

The Benefits of Assessment and Reporting

For IB Learners:

- As lifelong learners, students develop agency to reach their highest potential
- Students know where they are and partner with their teacher and parents to set future academic goals
- Students understand how school learning relates to present world and future goals
- Students use evidence to select learning strategies to improve their work
- Students are offered multiple opportunities and ways through which to demonstrate proficiency

For Parents:

- Report cards provide information about the child's learning experience in school
- Parents are aware of exactly what their child knows, is able to do, and the next steps for progress
- Parents offer support for their child by extending understanding and supporting learning in real-world contexts

For IB Educators:

- Educators provide classroom instruction that is learner centered. The teacher and student work together to track progress and identify the next steps in the learning process
- Educators know exactly where students stand in their progress toward learning targets and what support or extension needs to be provided
- Assessment and reporting practices relate to instructional planning by providing informed feedback on the effectiveness of approaches and methods

- Assessment results determine when students need extra help and when they need more challenging work

Mastery Levels

In the reporting process, parents and students will clearly see what was taught during the nine-week grading period and the degree to which the learner has mastered the taught curriculum, allowing enriched conversations between parents/students and teachers to provide a clear understanding of what grade level standards need to be targeted for growth and what standards have been mastered. Students will be able to use the reporting process to set specific goals to work toward mastery.

Reporting in a nine-week cycle

Quarterly reports will be made available via ManageBac at the end of each nine-week period			
Quarter One (Q1): October	Quarter Two (Q2): January	Quarter Three (Q3): March	Quarter Four (Q4): June

Assessment and reporting is an integral part of instruction. It determines whether or not the goals of education are being met. This affects decisions about instructional needs, curriculum, student performance, and matriculation. Assessment and reporting systems provide specific feedback and indicators of mastery to each stakeholder grouping.

Policy Category: Student Achievement

Policy Name: State Testing and Advanced Coursework

Policy Goal: To clarify which State tests students taking advanced coursework need to take.

Policy Description:

It is the policy of Westlake Academy that if, a student is taking an advanced course and taking the STAAR EOC assessment for said course, that the student will not be required to take the grade level EOC in that subject. Policy Category: **Student Achievement**

Policy Name: **Homebound Instruction**

Policy Goal: Provide an appropriate learning environment for students with medical issues that prevent attendance in the regular classroom.

Policy Description:

Consistent with TEA’s Student Attendance Accounting procedures, a student who will be confined for a minimum of four (4) weeks to a hospital or homebound for medical reasons that are specifically documented by a physician licensed to practice in the United States may be eligible to receive general education homebound services. Parents should request services through the appropriate principal in accordance with administrative procedures.

Upon receipt of a request for homebound services, the principal or their designee shall convene a placement committee composed of at least a campus administrator, a teacher of the student, and the parent or guardian of the student to consider the necessity of providing general education homebound instruction to the student. If the committee determines that such instruction is appropriate, the committee shall determine the type and amount of instruction to be provided and, when the student is able to return to the regular educational setting, the length of the transition period based on current medical information.

For all students receiving homebound instruction, Westlake Academy will create and maintain documentation of all instructional services provided in accordance with administrative procedures.

Nothing in this policy is intended to limit the rights of students eligible to receive special education services. For special education students that require homebound instruction, the student's ARD committee shall determine the type and amount of instruction to be provided and, when the student is able to return to the regular educational setting, the length of the transition period based on current medical information.

Policy No. 6.12: (Combined with 6.08)

Date Board Adopted: November 5, 2012

Date Board Amended: November 17, 2014

Effective Date: November 17, 2014

Policy Category: Student Achievement

Policy Name: Promotion and Retention

Policy Goal: Describe the standards for promotion based on mastery of curriculum and the criteria/circumstances for consideration of student retention based on unsatisfactory academic achievement.

Policy Description:

The curriculum of Westlake Academy as an IB World School requires students to embark on the rigorous International Baccalaureate Organization (IBO) coursework found in the Primary Years Programme, Middle Years Programme, and the Diploma Programme. The curriculum content aligns the Texas Essential Knowledge and Skills (TEKS) requirements and the IBO learning outcomes. Instructional programs shall be developed at each grade level to implement the curriculum in a manner that supports the Academy’s vision to “...inspire students to achieve their highest individual potential.”

In order to ensure academic achievement and the mastery of the necessary skills to advance to each subsequent grade level, the Staff of Westlake Academy will develop specific guidelines and procedures for instructional programs and course content, which will be published in the Parent/Student Handbook on an annual basis. Instructional programs are developed with the expectation that students will progress through the curriculum for one grade level each academic year.

Promotion

Students shall be promoted based on academic achievement and demonstrated proficiency of the subject matter or grade level. In addition to other factors that must be considered for promotion under state law, mastery of the curriculum for a particular grade/subject will generally be determined based on a final passing grade of 70 or higher and demonstrated mastery of the skills necessary for success at the next level.

To evaluate a student's mastery of the curriculum, principals may review and consider the following when making recommendations and/or decisions related to promotion:

- School-work and achievement records for the student (internal assessments, report cards, etc.)
- Recommendations from current or previous instructors/teachers
- External standardized achievement exams (mandatory state assessments, the International School's Assessment and other tests deemed appropriate by the Executive Principal or his/her designee)

In addition to the above considerations, all promotion decisions must comply with applicable state law related to performance on required state assessments. A student may not be promoted to a sixth grade program if the student does not perform satisfactorily on the fifth grade mathematics and reading assessment instruments; and a student may not be promoted to the ninth grade program if the student has not performed satisfactorily on the eighth grade mathematics and reading assessment instruments unless an exception applies under the state assessment requirements that exempts the student from administration of the fifth or eighth grade assessments. Tex. Educ. Code 28.0211(a).

The Academy is not precluded from retaining, in accordance with state law, a student who performs satisfactorily on a grade advancement test. Tex. Educ. Code 28.0211(g).

Advanced Promotion

The Board also recognizes that a student may progress at an advanced rate such that the student is prepared to pursue coursework in a grade or subject area above the student's corresponding grade level based on age. The principal and/or a parent may initiate a request for a student to advance beyond the next grade level or in a particular subject area beyond the next grade level. In responding to such a request, the principal will review all the data identified above for promotion decisions as well as the following additional information:

- Teacher recommendations that include social-emotional aspects and maturity of the student, and the student's attitude toward learning and independent study in order to help determine the potential success of the student in the promoted course/grade
- Documentation of additional academic work completed outside the normal classroom hours, and activities (academic competitions, summer camps, advanced tutoring programs, and/or on-line coursework, etc.)
- If deemed necessary, performance on additional assessment(s) identified by the principal to determine the appropriate placement of the student and the student's ability to advance in the applicable coursework.

Credit for Graduation Requirements

Credit must be earned for any course required for graduation. A student seeking credit for a course without receiving instruction in the course from Westlake Academy must meet all of the criteria for promotion along with the following:

1. The student shall complete a standardized exam, such as the Texas Tech high school exit-level course(s) or a similar assessment from a credit-awarding institution. The student must achieve a score of at least 90% or higher in order to receive credit for the course at the Academy.
2. All exams must be pre-approved by the principal(s).
3. The student shall be responsible for any associated exam fees required by the testing institution.

Upon receipt of a request for credit under this section, the principal(s) should complete the review and consideration of the identified criteria within 15 days of the initial request and communicate a decision to the student and parents regarding whether the proposed alternative for obtaining credit will be accepted by Westlake Academy.

Retention

If either a parent or the Academy identifies a concern regarding a student's ability to advance to the next grade level, state and/or internal assessments may be administered to assist the Academy in determining if a student has attained the necessary educational understanding to advance. Additional evaluation may include, *but is not limited to*, consideration of grade/subject specific examinations, essays, homework assignments, group and individual projects, and state mandated assessments.

Summer School/Alternative Educational Programs

Students, who do not meet the necessary requirements for advancement, must complete comparable coursework in summer school or through an alternative education program in order to avoid retention at the current grade level. **A student who fails two (2) or more core classes may not advance to the next grade level.**

Students who do not satisfactorily complete a course required by the state or the Academy for high school graduation must complete the course through a summer or alternative educational program approved in advance by the Executive Principal/Director of Education or his/her designee prior to being considered for graduation from Westlake Academy. Students who fail a core course must satisfactorily complete and attain a passing grade in the class during the summer session immediately following the academic year in which the class was failed to avoid retention.

If the course is not offered at Westlake Academy, it is the parent/guardian's responsibility to locate a summer school or alternative educational program within their home district for remediation that is acceptable for credit and approved by the Executive Principal/Director of Education or his/her designee. Westlake Academy reserves the right to accept or deny summer school credit.

Prior to attending summer school or any alternative educational program, parents and students should obtain written approval from the Executive Principal/Director of Education or his/her designee to ensure that the program is acceptable to the Academy and to identify the required standards for the student to transfer the credit to the Academy.

State Assessments and Remediation

The Board of Trustees and the Staff of Westlake Academy are committed to student success on state-mandated assessments and take seriously the obligation to provide students the assistance they need to support an opportunity for students to succeed.

All students at state-mandated assessment testing grade levels (Grades 3-11), will be taught the content contained within the Texas Essential Knowledge and Skills (TEKS) curriculum to ensure appropriate readiness for the successful completion of all state-mandated assessments. Students who are not making adequate progress will receive remedial assistance in accordance with state law requirements. A schedule(s) for accelerated instruction will be developed by Staff and communicated to the parent/guardian of the students needing additional assistance.

Operational guidelines consistent with the above policy directives will be detailed and published as necessary by Academy Staff in the Parent/Student Handbook on an annual basis.

Policy Category: **Student Achievement**

Policy Name: **Special Education**

Policy Goal: Establishing a program to design and deliver high quality support that ensures all students are successful, parents are informed, and educators are empowered.

Policy Description:

Federal and State law provide minimum standards and requirements that each child is entitled to receive in a publicly funded LEA (Local Education Agency). Further, federal and state law requires the Westlake Academy Board of Trustees to adopt policies that ensure implementation of the Individuals with Disabilities Act of 2004 (IDEA) and all other federal and state laws, rules and regulations regarding students with disabilities receiving special education services. Further, Westlake Academy, as an LEA, has maintained the necessary policies and any future amendments to those regulations, laws, and rules will be incorporated into the policies and procedures implemented by Westlake Academy. The specific special education policies may be found in the SPED Policies manual. The creation of a separate SPED Policy Manual will allow for easy viewing and accessibility by all stakeholders.

Additionally, Westlake Academy recognizes that special education services are developed for each child through a partnership of the parent, teacher, and administration. This process is student focused recognizing that special education is a service and not a place; that all faculty and staff, support the unique requirements of each student with a disability and will strive to provide an environment that will best meet each student's needs.

Policy No. 6.14:

Date Board Adopted: November 7, 2016

Date Board Amended: N/A

Effective Date: November 7, 2016

Policy Category: **Special Education**

Policy Name: **Special Education Video/Audio Monitoring**

Policy Goal: Promote student safety and provide transparency in the educational services provided to certain special education students.

Policy Description:

Purpose of Video Surveillance

The purpose of the video surveillance allowed under this policy is to promote student safety in certain self-contained classrooms and other special education settings. In accordance with Texas Education Code Section 29.022, a parent, trustee, or staff member may submit a request for the Academy to provide video equipment in a classroom in which a student who receives special education services in a self-contained classroom or other special education setting is enrolled.

Procedures for Authorized Video Surveillance

- A written request for video surveillance in special education settings may be submitted to the Westlake Academy Executive Director. The Executive Director shall review the request and either: 1. forward the request to the appropriate staff to implement video surveillance in accordance with this policy and any applicable administrative procedures; or 2. provide the requestor a response regarding why the request is deficient.
- Upon receipt of a proper request, the Academy shall place, operate, and maintain one or more video cameras in self-contained classrooms or other special education settings in accordance with Education Code 29.022 and 19 Administrative Code 103.1301.
- Authorized video surveillance shall include audio recording capability and will capture all areas of the self-contained classroom except that no video

surveillance shall be conducted of the inside of a bathroom or other area used for toileting or diapering a student or removing or changing a student's clothes.

- Authorized video surveillance will be operational at all times during the instructional day when students are in the self-contained classroom during the regular school year and during any extended school year services. Video surveillance shall continue for as long as the classroom or setting continues to satisfy the requirements of Texas Education Code Section 29.022(a).
- Written notice shall be provided to staff members assigned to special education self-contained classrooms and to the parents of students who are assigned to special education self-contained classrooms prior to installation of the video cameras and, after installation, annually by September 1 of each calendar year.
- Westlake Academy may post a notice at the entrance of any self-contained classroom or other special education setting in which video cameras are placed stating that video and audio surveillance are conducted in the classroom or setting.
- Video recordings shall be retained for a minimum of six months.

Confidentiality & Access to Video Surveillance

Regular or continual monitoring of surveillance video is prohibited. Additionally, video recordings may only be viewed in accordance with applicable law and the procedures adopted by Westlake Academy. Video recordings shall not be used for teacher evaluation.

The Academy will protect the confidentiality of all parties involved under Education Code 29.022 and 19 Administrative Code 103.1301. As such, unauthorized use or disclosure is prohibited. Unauthorized disclosure of confidential or privileged information is a serious violation under this policy and will subject the person(s) who made the unauthorized disclosure to appropriate discipline, including removal/dismissal.

Video recordings may only be viewed by the following individuals, to the extent not limited by the Family Educational Rights and Privacy Act (FERPA).

The Academy shall release a recording for viewing by:

1. A staff member or other school employee or a parent of a student involved in an incident that is documented by a video recording for which a complaint has been reported to the Academy, on request of the staff member, employee, or parent, respectively;
2. Appropriate Department of Family and Protective Services (DPS) personnel as part of an investigation of alleged or suspected abuse or neglect of a child under Family Code 261.406;

3. A peace officer, a school nurse, a school administrator trained in de-escalation and restraint techniques as provided by commissioner of education rule;
4. Appropriate TEA or State Board for Educator Certification personnel or agents as part of an investigation.

If a recording documents possible abuse or neglect of a child under Family Code, Chapter 261, individuals reviewing the recording must submit a report to DFPS or other authority in accordance with applicable law.

If any person described by item 2, 3, or 4 above views a video recording and believes that it documents a possible violation of school policy, the person may allow access to the recording to appropriate legal and human resources personnel of the Academy to the extent not limited by FERPA or other law. A recording believed to document a possible violation of Academy policy may be used in a disciplinary action against school staff and shall be released in a legal proceeding at the request of a parent of the student involved in the incident documented by the recording. A recording believed to document a possible violation of Academy policy must be released for viewing by the employee who is the subject of the disciplinary action at the request of the employee.

Staff members whose assigned duties for Westlake Academy include installing, operating, and/or maintaining the video surveillance equipment or recordings will be provided access to surveillance equipment and recordings to the extent necessary to insure the efficient and effective implementation of this policy.

Procedures for Reporting a Complaint

To report a complaint of an alleged incident in a self-contained classroom or other special education setting in which video surveillance under Education Code 29.022 and 19 Administrative Code 103.1301 is conducted, parents and/or staff members should do the following:

- Report the incident in writing to the programme principal using the form developed by the Academy;
- Programme principal will view the relevant portion of the video recording to determine if an incident was recorded;
- If the reported incident is recorded on video, the programme principal shall arrange for the person submitting the complaint to view the video, if requested;
- Programme principal will also investigate the incident by interviewing any parties deemed necessary to determine the facts of the incident; and
- Parents will be notified of the status of an investigation and given a written report of all determined facts and conclusions.

If reporting process does not resolve the complaint, a formal complaint should be filed under the provisions provided in the Parent/Student Handbook. Additionally, complaints alleging violations of this policy should be addressed through the grievance procedures provided in the Parent/Student Handbook or other dispute resolution channels.

FERPA

State law does not limit the access of a student's parent to an educational record of the student under FERPA or other law. To the extent any provisions in Education Code 29.022 and 19 Administrative Code 103.1301 conflict with FERPA or other federal law, federal law prevails.

Sec. 1. NONDISCRIMINATIONPOLICY

No qualified student with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any service, program, or activity provided or offered by Westlake Academy.

42 US.C. 12132; 29 US.C. 794(a); 34 CFR 104.4(a).

Sec. 2. FREE APPROPRIATE PUBLIC EDUCATION

Eligible students with disabilities shall enjoy the right to a free appropriate public education ("FAPE"), which may include instruction in the regular classroom, instruction through special teaching, or instruction through approved contracts. Instruction shall be supplemented by the provision of related services when appropriate. Education Code 29.003(a).

FAPE means special education and related services that:

1. Have been provided at public expense, under public supervision and direction, and without charge;
2. Meet standards set out by Texas Education Agency ("TEA");
3. Include an appropriate preschool, elementary school, or secondary school education; and
4. Are provided in conformity with the student's individualized education program ("IEP").

20 US.C. 1401(9); 34 CFR 300.13, 300.17, 300.36.

Sec. 3. LEAST RESTRICTIVE ENVIRONMENT

Westlake Academy shall ensure that, to the maximum extent possible, children with disabilities shall be educated with children who are not disabled. Special classes, special schooling, or other removal of children with disabilities from the regular educational environment shall occur only when the nature or severity of the child's disability is such that education in regular classes with the use of supplementary aids and services cannot be satisfactorily achieved.

20 US.C. 1412(a)(5); 34 CFR 300.114(a)(2).

Sec. 4. DISCIPLINE

All disciplinary actions regarding students with disabilities shall be determined in accordance with applicable federal regulations, Education Code Chapter 37, 19 Administrative Code 89.1053, and Westlake Academy policy.

19 TAC 89.1050(g).

Sec. 5. INSTRUCTIONAL ARRANGEMENTS AND SETTINGS

19 TAC 89.63(c), (l).

Sec. 6. RELATED SERVICES

DATE ISSUED: 8/8/2022

"Related services" means transportation, and such developmental, corrective, and other supportive services as may be required to assist a child with a disability to benefit from special education, including the early identification and assessment of disabling conditions in children.

The term includes speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, social work services, school nurse services designed to enable a child with a disability to receive a FAPE as described in the child's IEP, counseling services, including rehabilitation counseling, orientation and mobility services, and medical services, except that medical services shall be for diagnostic and evaluation purposes only.

The term does not include a medical device that is surgically implanted, the optimization of the device's functioning, or the replacement of such device.

20 U.S.C. 1401(26); 34 CFR 300.34.

Sec. 1. APPLICABILITY OF TEXAS EDUCATION CODE

An open-enrollment charter school is subject to a prohibition, restriction, or requirement, as applicable, imposed by Title 2 (Public Education) of the Texas Education Code, or a rule adopted under Title 2 (Public Education) of the Texas Education Code relating to special education programs.

Education Code 12.104(b)(2)(F).

Westlake Academy Charter School shall comply with the requirements for monitoring compliance with federal and state laws relating to special education pursuant to Texas Education Code Section 29.010.

Sec. 2. ASSURANCE

Open-enrollment charter schools must submit a plan to the Texas Education Agency that provides assurances that the charter school has in effect policies, procedures and programs that are consistent with the State and Federal policies and procedures governing special education.

20 US.C. 1413(a); 34 CFR 300.200-.201.

Sec. 3. PUBLIC EDUCATION INFORMATION MANAGEMENT SYSTEM (PEIMS)

"Most of the data TEA requests from school districts and charter schools are gathered using the Public Education Information Management System ("PEIMS"). PEIMS data are used for the Academic Excellence Indicator System ("AEIS"), Foundation School Program ("FSP"), statistical purposes, federal reporting, legislative requests, and audit purposes. Through PEIMS, schools report data including student demographic and academic performance, student attendance, personnel information, financial data, and organizational information." *Texas Open-Enrollment Charter School Handbook* (TEA, Division of Charter School Administration, September 2011).

Sec. 4. APPLICABILITY OF TITLE RELATING TO THE PEIMS

An open-enrollment charter school is subject to a prohibition, restriction, or requirement, as applicable, imposed by Title 2 (Public Education) of the Texas Education Code, or a rule adopted under Title 2 (Public Education) of the Texas Education Code, relating to the PEIMS to the extent necessary to monitor compliance with Subchapter D (Open-Enrollment Charter School), Chapter 12, Texas Education Code.

Education Code 12.104(b)(2)(A).

DATE ISSUED: 8/8/2022

The Superintendent or designee shall prepare required PEIMS submissions in accordance with PEIMS Data Standards and Module 10 of the Financial Accountability System Resource Guide. The Superintendent or designee may collaborate with the regional education service center in preparing and timely submitting PEIMS reports.

Sec. 5. CONTRACTS FOR SERVICES; RESIDENTIAL PLACEMENT

Westlake Academy may contract with a public or private facility, institution, or agency inside or outside of this State for the provision of services to students with disabilities. Each contract for residential placement must be approved by the Commissioner. The Commissioner may approve a residential placement contract only after at least a programmatic evaluation of personnel qualifications, adequacy of physical plant and equipment, and curriculum content. The Commissioner may approve either the whole or a part of a facility or program.

Education Code 29.00B(a).

When a student, including one for whom the State is managing conservator, is placed primarily for care or treatment reasons in a private residential facility that operates its own private education program, none of the costs may be paid from public education funds. If a residential placement primarily for care or treatment reasons involves a private residential facility in which the education program is provided by the open-enrollment charter school, the portion of the costs that includes appropriate education services, as determined by the admission, review, and dismissal ("**ARD**") committee, shall be paid from State and Federal education funds.

Education Code 29.00B(c)..

If Westlake Academy contracts for the provision of education services rather than providing the services, Westlake Academy shall oversee the implementation of the student's individualized education program ("IEP") and shall annually reevaluate the appropriateness of the arrangement. An approved facility, institution, or agency with whom Westlake Academy contracts shall periodically report to Westlake Academy on the services the student has received or will receive in accordance with the contract as well as diagnostic or other evaluative information that Westlake Academy requires in order to fulfill its obligations under Subchapter A (Special Education), Chapter 29, Texas Education Code.

Education Code 29.00B(d).

Sec. 6. FACILITIES

Any construction of new facilities or alteration of existing facilities with authorized Individuals with Disabilities Education Act ("IDEA") program funds must comply with the requirements of:

DATE ISSUED: 8/8/2022

- Appendix A of Subpart 101-19.6 of Title 41, Code of Federal Regulations (commonly known as the *Uniform Federal Accessibility Standards*).

Sec. 7. ADMINISTRATION OF EQUIPMENT

The ARD committee must consider whether the student needs assistive technology devices ("ATDs") as part of the student's special education, related services, or supplementary aids and services. On a case-by-case basis, the use of school-purchased ATDs in the student's home or in other settings is required if the student's ARD committee determines that the student needs access to those devices in order to receive free appropriate public education. (34 CFR §§300.105; 300.324(a)(2)(v); 20 USC §1414(d)(3)(B)(v))

Assistive technology means any device or equipment used to improve or maintain the function capabilities of a student with a disability. Assistive technology does not include a medical device that is surgically implanted. (34 CFR §§300.5-300.6)

Westlake Academy may transfer an ATD in accordance to TEC, §30.0015. The transfer agreement must include the standards in TEC §30.0015, including the following:

- 1) The transferor and transferee must represent and agree that the terms of the transfer are based on the fair market value of the ATD, determined in accordance with generally accepted accounting principles.
- 2) The informed consent of the parent of the student with a disability, or the adult student, for whom the ATD is being transferred must be obtained before the transfer of an ATD pursuant to TEC, §30.0015. The procedures employed by Westlake Academy in obtaining informed consent shall be consistent with the procedures employed by the school to obtain parental consent under 34 CFR §300.300. Consistent with 34 CFR, §300.505(c), informed parental or adult student consent need not be obtained if the school can demonstrate that it has taken reasonable measures to obtain that consent, and the student's parent or the adult student has failed to respond. To meet the reasonable measures requirement, the school must use procedures consistent with those described in 34 CFR, §300.322(d).
- 3) If the transfer is a sale, then the sale of the ATD shall be evidenced by a "Uniform Transfer Agreement" which includes the following:
 - a. the names of the transferor and the transferee (which may be any individual or entity identified in TEC, §30.0015(b));
 - b. the date of the transfer;
 - c. a description of the ATD being transferred;

DATE ISSUED: 8/8/2022

- d. the terms of the transfer (including the transfer of warranties, to the extent applicable); and
- e. the signatures of authorized representatives of both transferor and transferee.

(19 TAC 89.1056)

Sec. 8. SPECIAL EDUCATION TEACHER DEFINED (20 U.S.C. §1401(10)(B)(I))

When used with respect to any public elementary school or secondary school special education teacher teaching in a State, such term means that-the teacher has obtained full State certification as a special education teacher (including certification obtained through alternative routes to certification), or passed the State special education teacher licensing examination, and holds a license to teach in the State as a special education teacher, except that when used with respect to any teacher teaching in a public charter school, the term means that the teacher meets the requirements set forth in the State's public charter school law.

Sec. 9. COMPLIANCE WITH FEDERAL AND STATE PERSONNEL STANDARDS FOR INDIVIDUALS SERVING CHILDREN WITH DISABILITIES

Westlake Academy shall ensure that personnel standards for all individuals serving children with disabilities are met in accordance with the IDEA and its procedures.

Westlake Academy recognizes that both the Every Student Succeeds Act and the IDEA provide that charter school teachers must meet the requirements set forth in the State's public charter school law. 20 U.S.C. §§ 6311(g)(2)(J); 20 U.S.C. §1401(10)(B)(i). In Texas, that means that the charter school special education teacher must be certified.

Westlake Academy shall make an ongoing good-faith effort to recruit and hire appropriately and adequately certified and/or licensed personnel to provide a wide range of special education and related services to students with disabilities who are eligible for special education services. Special education staffing needs come from the individualized decisions made by the Admission Review and Dismissal ("ARD") committee.

Westlake Academy shall ensure that all personnel necessary to carry out the requirements of the IDEA 2004 are appropriately and adequately certified and/or licensed, prepared and assigned.

Westlake Academy adopts as policy the provisions under State and Federal law concerning personnel, including:

Charter school teachers must only meet the requirements of the State's public charter school law, which differ from the requirements for Texas teacher certification. In Texas, State law

DATE ISSUED: 8/8/2022

does not require a teacher employed by an open-enrollment charter school to be certified unless the teacher is assigned to teach in special education or bilingual education programs, in which case the appropriate State certification is required. The minimum qualification under State law for a teacher at an open-enrollment charter school, other than a special education or bilingual education teacher, is a bachelor's degree. However, the governing body of Westlake Academy may set the qualifications for teachers at a standard above what State law requires.

The open-enrollment charter school shall not employ a person as a teacher unless that person holds a bachelor's degree.

Education Code 12.129(a).

In an open-enrollment charter school that serves youth referred to or placed in a residential trade center by a local or state agency, a person may be employed as a teacher for a noncore vocational course without holding a baccalaureate degree if the person has demonstrated subject matter expertise related to the subject taught, such as professional work experience, formal training and education, holding a relevant active professional industry license, certification, or registration, or any combination of work experience, training and education, and industry license, certification, or registration, and received as least 20 hours of classroom management training as determined by the governing body of the open-enrollment charter school.

Education Code 12.129(b).

All special education and related service personnel shall be certified, endorsed, or licensed in the area or areas of assignment in accordance with 34 CFR 300.156; Education Code Sections 21.002, 21.003, and 29.304; or appropriate state agency credentials.

19 TAC 89.1131(a).

Sec.10. NOTICE TO PARENTS-QUALIFICATIONS

The Superintendent or designee shall provide to the parent or guardian of each student enrolled in Westlake Academy written notice of the qualifications of each teacher employed by Westlake Academy.

Additionally, the Superintendent or designee shall, at the beginning of each school year, notify the parents of each student attending Westlake Academy that the parents may request, and Westlake Academy shall provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including, at a minimum, the following:

DATE ISSUED: 8/8/2022

1. Whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived.
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Westlake Academy shall also provide to each individual parent timely notice that the parent's child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification standards or licensure requirements at the grade level and subject area in which the teacher has been assigned.

DATE ISSUED: 8/8/2022

Sec. 1. ADMISSION, REVIEW AND DISMISSAL COMMITTEES

Westlake Academy Charter School shall establish an admission, review and dismissal ("ARD") committee for each eligible student with a disability and for each student for whom a full and individual initial evaluation is conducted. The ARD committee shall be the individualized education program ("IEP") team defined at 34 CFR 300.321.

Sec. 2. ARD COMMITTEE RESPONSIBILITIES

The ARD committee and Westlake Academy are responsible for:

1. Evaluating, reevaluating, and determining eligibility for special education and related services;
2. Placement of students with disabilities, including disciplinary changes in placement;
3. Development of student IEPs;
4. Development and implementation of service plans for students who have been placed by their parents in private schools and who have been designated to receive special education and related services;
5. Compliance with the least restrictive environment standard;
6. Compliance with state requirements for reading diagnosis and state assessments;
7. Development of personal graduation plans;
8. Development of accelerated instruction under Education Code 28.0211 and intensive programs of instruction under Education Code 28.0213;
9. Evaluation, placement, and coordination of services for students who are deaf, hard of hearing, blind, or visually impaired; and
10. Determining eligibility for extracurricular activities, under Education Code 33.081.

34 CFR 300.116(a), 300.321(a); 19 TAC 89.1050(a).

Sec. 3. COMMITTEE MEMBERS

Westlake Academy shall ensure that each ARD committee meeting includes:

1. The parents of a child with a disability;
2. At least one regular education teacher of the child (if the child is, or may be, participating in the regular education environment) who must, to the extent practicable, be a teacher who is responsible for implementing a portion of the student's IEP;
3. At least one special education teacher, or where appropriate, at least one special education provider of the child;
4. A representative of Westlake Academy who:
 - a. Is qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of children with disabilities;

DATE ISSUED: 8/8/2022

- b. Is knowledgeable about the general education curriculum; and
- c. Is knowledgeable about the availability of Westlake Academy's resources;
5. An individual who can interpret the instructional implications of evaluation results, who may be a member of team described in Section 3(2)-(6);
6. At the discretion of the parent or Westlake Academy, other individuals who have knowledge or special expertise regarding the child, including related services personnel as appropriate;
7. The child, whenever appropriate;
8. To the extent appropriate, with the consent of the parent(s) or a student who has reached the age of majority, a representative of any participating agency that is likely to be responsible for providing or paying for transition services;
9. A representative from career and technical education ("CTE"), preferably the teacher, when considering initial or continued placement of a student in CTE;
10. For a child who is an emergent bilingual student, a member of the child's language-proficiency assessment committee ("LPAC");
11. For a child with an auditory impairment, including deaf-blindness, a teacher who is certified in the education of children with auditory impairments; and
12. For a child with a visual impairment, including deaf-blindness, a teacher who is certified in the education of children with visual impairments.

19 TAC 89.1050.

A Westlake Academy member of the ARD committee shall not be required to attend an IEP meeting, in whole or in part, if the parent and Westlake Academy agree in writing that the attendance is not necessary because the member's area of the curriculum or related services is not being modified or discussed during the meeting.

A Westlake Academy member of the ARD committee may be excused from attending an IEP meeting, in whole or in part, when the meeting involves a modification to or discussion of the member's area of curriculum or related services if the parent, in writing, and Westlake Academy consent to the excusal and the member submits, in writing, to the parent and the ARD committee, input into the development of the IEP before the meeting.

20 US.C. 1414(d)(1)(C); 34 CFR 300.321(e).

a) *Transition Meeting Membership*

If the ARD committee is meeting to consider postsecondary goals and the transition services needed to assist the student in reaching those goals, Westlake Academy shall invite:

1. The student. If the student does not attend, Westlake Academy shall take other steps to ensure that the student's preferences and interests are considered.

DATE ISSUED: 8/8/2022

2. To the extent appropriate, and with the consent of the parent or student who has reached the age of majority, a representative of any other agency that is likely to be responsible for providing or paying for transition services.

34 CFR 300.321(b).

Sec.4.PARENTALINVOLVEMENT

Westlake Academy shall take steps to ensure that one or both of the parents of a student with a disability are present at each ARD committee meeting or are afforded the opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include all information required by applicable regulation); and
2. Scheduling the meeting at a mutually agreed time and place.

34 CFR 300.322(a)-(b); 19 TAC 89.1050.

Sec. 5. ALTERNATIVE PARTICIPATION METHODS

If neither parent can attend an ARD committee meeting, Westlake Academy must use other methods to ensure parent participation, including individual or conference telephone calls.

1. In the case of a student who transfers within the state, Westlake Academy adopts the previous IEP or develops, adopts, and implements a new IEP.
2. In the case of a student who had an IEP in effect in another state, Westlake Academy conducts an evaluation, if determined necessary by Westlake Academy, and develops, adopts, and implements a new IEP, if appropriate.

19 TAC 89.1055(e)-(f).

Sec.11. VISUAL IMPAIRMENT

DATE ISSUED: 8/8/2022

An IEP for a student with a visual impairment must include instruction in braille unless the student's ARD committee determines and documents that braille is not an appropriate literacy medium for the student, based on an evaluation of the student's appropriate literacy media and literacy skills and the student's current and future instructional needs.

Education Code 30.002.

Sec. 12. STUDENTS WHO ARE DEAF OR HARD OF HEARING

Westlake Academy must develop an IEP for students who are deaf or hard of hearing in which the students have an education in which their unique communication mode is respected, used, and developed to an appropriate level of proficiency.

Education Code 29.303.

Sec. 13. COLLABORATIVE PROCESS

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions concerning the required elements of the IEP shall be made by agreement of the required members, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

a) *Recess*

When agreement about all required elements of the IEP is not achieved, the parent or adult student who disagrees shall be offered a single opportunity to have the ARD committee recess for a period not to exceed ten school days. This recess is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program.

These requirements do not prohibit the members of the ARD committee from recessing an ARD committee meeting for reasons other than failure of the parents and Westlake Academy to reach agreement about all required elements of an IEP.

During the recess, the ARD committee members shall consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons to enable the ARD committee to reach agreement.

DATE ISSUED: 8/8/2022

The date, time, and place for continuing the ARD committee meeting shall be determined by agreement before the recess.

19 TAC 89.1050(g).

b) *No Agreement Reached*

If, after the ten-day recess, the ARD committee still cannot reach agreement, Westlake Academy shall implement the IEP that it has determined to be appropriate for the student. A written statement of the basis for the disagreement shall be included in the IEP. The ARD committee members who disagree shall be offered the opportunity to write their own statements.

When Westlake Academy implements an IEP with which the parents, or an adult student disagree, it shall provide prior written notice in compliance with applicable regulations and Westlake Academy policy.

19 TAC 89.1050.

Sec. 14. IEP MODIFICATION

After a student's annual ARD committee meeting, changes to an IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP. To do so, the parent and Westlake Academy must agree to not convene an ARD committee meeting to amend the IEP and Westlake Academy must develop a written document to amend or modify the IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

Decisions regarding eligibility, changes of placement, and manifestation determination reviews may not be conducted through the amendment process.

34 CFR 300.324(a)(4),(6).

To the extent possible, Westlake Academy shall encourage the consolidation of reevaluation meetings for the child and other ARD committee meetings for the child.

20 US.C. 1414(d)(3)(D)-(F); 34 CFR 300.324(a)(4)-(a)(6).

Sec. 15. LEAST RESTRICTIVE ENVIRONMENT

DATE ISSUED: 8/8/2022

Westlake Academy shall ensure that, to the maximum extent possible, children with disabilities shall be educated with children who are not disabled. Special classes, special schooling, or other removal of children with disabilities from the regular educational environment shall occur only when the nature or severity of the child's disability is such that education in regular classes with the use of supplementary aids and services cannot be satisfactorily achieved.

19 TAC 101.3023(a).

Sec. 18. STATE ASSESSMENTS

The TEA shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's ARD committee, including assessment instruments approved by the Commissioner that measures growth. The assessment instruments developed or adopted, including the assessment instruments approved by the Commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

DATE ISSUED: 8/8/2022

The TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required end-of-course ("EOC") assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Sec. 19. TRANSPORTATION

Westlake Academy shall provide special transportation with federal funds only when the ARD committee determines that the condition of the student warrants the service in order for the student to receive the special education and related services (if any) set forth in the IEP.

Services During Removal for Ten Days or Less. Westlake Academy is required to provide services during the period of removal if Westlake Academy provides services to a child without disabilities who is similarly removed. *34 C.F.R. 300.530(d).*

Sec. 4. SUBSEQUENT REMOVALS OF TEN DAYS OR LESS

Westlake Academy personnel may remove the student for additional removals of not more than ten consecutive school days in that same school year for separate incidents of misconduct, as long as those removals do not constitute a change in placement under 34 CFR 300.536. *34 C.F.R. 300.530(b)(l).*

After a student has been removed from his or her current placement for ten school days in the same school year, during any subsequent removal of ten consecutive school days or less, school personnel, in consultation with at least one of the student's teachers, shall determine the extent to which services are needed so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals set out in the student's individualized education program ("IEP"). *20 U.S.C. 1415(k)(l)(D); 34 C.F.R. 300.530(d)(4).*

For purposes of disciplinary removal of a student with a disability, a change in placement occurs if a student is:

1. Removed from the student's current educational placement for more than ten consecutive school days; or
2. Subjected to a series of removals that constitute a pattern because:
 - a. The series of removals total more than ten school days in a school year;

DATE ISSUED: 8/8/2022

- b. The student's behavior is substantially similar to the student's behavior in the previous incidents that resulted in the series of removals; and
- c. Additional factors exist, such as the length of each removal, the total amount of time the student is removed, and the proximity of the removals to one another.

Westlake Academy determines, on a case-by-case basis, whether a pattern of removals constitutes a change in placement. Westlake Academy's determination is subject to review through due process and judicial proceedings. *34 C.F.R. 300.536*.

Westlake Academy personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a student who violates the Student Code of Conduct. *20 U.S.C. 1415(k)(l)(A)*.

Sec. 7. MANIFESTATION DETERMINATION

Within ten school days of any decision to change the placement of a student because of a violation of the Student Code of Conduct, Westlake Academy, parents, and relevant members of the ARD committee (as determined by the parent and Westlake Academy) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents to determine whether the conduct in question was:

2. The direct result of Westlake Academy's failure to implement the IEP.

If Westlake Academy, the parent, and relevant members of the ARD committee determine that either of the above is applicable, the conduct shall be determined to be a manifestation of the student's disability.

20 U.S.C. 1415(k)(l)(E); 34 C.F.R. 300.530(e).

a) *Not a Manifestation*

If the determination is that the student's behavior was not a manifestation of the student's disability, school personnel may apply the relevant disciplinary procedures to the student in the same manner and for the same duration as for students without disabilities. The ARD committee shall determine the interim alternative educational setting. *20 U.S.C. 1415(k)(l)(C), (k)(2); 34 C.F.R. 300.530(c)*.

These services may be provided in an interim alternative educational setting. *34 C.F.R. 300.530(d)(1)-(2)*.

b) *Manifestation*

If Westlake Academy, the parents, and relevant members of the ARD committee determine that the conduct was a manifestation of the student's disability, the ARD committee shall:

1. Conduct a functional behavioral assessment ("FBA"), unless Westlake Academy had conducted an FBA before the behavior that resulted in the change in placement occurred, and implement a behavioral intervention plan ("BIP") for the student; or
2. If a BIP has already been developed, review the BIP and modify it, as necessary, to address the behavior.

Except as provided at SPECIAL CIRCUMSTANCES below, the ARD committee shall return the student to the placement from which the student was removed, unless the parent, and Westlake Academy agree to a change in placement as part of the modification of the BIP.

1. Carries or possesses a weapon to or at school, on school premises, or to or at a school function under the jurisdiction of Texas Education Agency (the "TEA") or Westlake Academy; or
2. Knowingly possesses or uses illegal drugs or sells or solicits the sale of a controlled substance while at school, on school premises, or at a school function under the jurisdiction of the TEA or Westlake Academy;

The student must:

1. Continue to receive educational services so as to enable the student to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the student's IEP.
2. Receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur.

These services may be provided in an interim alternative educational setting.

34 C.F.R. 300.530(d)(l).

Sec. 8. APPEALS

A parent who disagrees with a placement decision or the manifestation determination may request a hearing. Additionally, Westlake Academy may request a hearing if it believes that maintaining a current placement of a student is substantially likely to result in injury to the student or others.

20 U.S.C. 1415(k)(3)(A); 34 C.F.R. 300.532(a); 19 TAC 89.1151.

a) *Placement During Appeals*

When an appeal has been requested by a parent or Westlake Academy the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the student's assignment to the alternative setting, whichever occurs first, unless the parent and Westlake Academy agree otherwise.

20 U.S.C. 1415(k)(4); 34 C.F.R. 300.533.

DATE ISSUED: 8/8/2022

Sec. 9. REPORTING CRIMES

Federal law does not prohibit Westlake Academy from reporting a crime committed by a student with a disability to appropriate authorities. If Westlake Academy reports a crime, Westlake Academy shall ensure that copies of the special education and disciplinary records of the student are transmitted for consideration by the appropriate authorities to whom Westlake Academy reported the crime. Westlake Academy may transmit records only to the extent permitted by the Family Educational Rights and Privacy Act ("FERPA").

20 U.S.C. 1415(k)(6); 34 C.F.R. 300.535.

Sec. 10. STUDENTS NOT YET IDENTIFIED

A student who has not been determined to be eligible for special education and related services and who has engaged in behavior that violated the Student Code of Conduct may assert any of the protections provided for in the Individuals with Disabilities Education Act if Westlake Academy had knowledge that the student had a disability before the behavior that precipitated that disciplinary action occurred. *20 U.S.C. 1415(k)(5)(A); 34 C.F.R. 300.534(a).*

a) *School Knowledge*

Westlake Academy shall be deemed to have knowledge that a student has a disability if, before the behavior that precipitated the disciplinary action occurred:

1. The parent of the student expressed concern in writing to Westlake Academy supervisory or administrative personnel, or to the teacher of the student, that the student was in need of special education and related services;
2. The parent requested an evaluation of the student for special education and related services; or
3. The student's teacher, or other Westlake Academy personnel, expressed specific concerns about a pattern of behavior demonstrated by the student directly to the special education director or to other Westlake Academy supervisory personnel.

20 U.S.C. 1415(k)(5)(B); 34 C.F.R. 300.534(b).

b) *Exceptions*

Westlake Academy shall not be deemed to have knowledge that the student had a disability if:

DATE ISSUED: 8/8/2022

1. The parent has not allowed an evaluation of the student;
2. The parent has refused services; or
3. The student has been evaluated and it was determined that the student did not have a disability.

20 U.S.C. 1415(k)(5)(C); 34 C.F.R. 300.534(c).

If Westlake Academy does not have knowledge, before taking disciplinary measures, that a student has a disability, the student may be subjected to the same disciplinary measures applied to students without disabilities who engaged in comparable behaviors.

However, if a request is made for an evaluation during the time period in which the student is subjected to disciplinary measures, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities, which can include suspension or expulsion without educational services.

20 U.S.C. 1415(k)(5)(D); 34 C.F.R. 300.534(d).

DATE ISSUED: 8/8/2022

It is the policy of Westlake Academy to annually conduct a comprehensive needs assessment and to conduct district and campus improvement plans, if required by state and federal funding requirements.

Sec. 1. DYSLEXIA AND RELATED DISORDERS

The Board shall ensure that procedures for identifying and providing appropriate instructional services to students for dyslexia and related disorders are implemented by Westlake Academy. These procedures shall be implemented in accordance with the most recently updated version of the State Board of Education's *Dyslexia Handbook: Procedures Concerning Dyslexia and Related Disorders (Dyslexia Handbook)*.

SEC. 2. PARENTAL NOTIFICATIONS AND CONSENT

Anytime a child is suspected to have dyslexia or a related disorder and may need dyslexia intervention services, the LEA must seek parental consent for a Full Individual Initial Evaluation (FIIE) under the IDEA. The process of seeking informed parental consent under the IDEA must include proper prior written notice and be accompanied by the notice of procedural safeguards.

Westlake Academy shall provide to parents of children suspected to have dyslexia or a related disorder a copy of or link to the electronic version of the most recently updated version of the State Board of Education's *Dyslexia Handbook: Procedures Concerning Dyslexia and Related Disorders (Dyslexia Handbook)*.

Parents and guardians of students with dyslexia or a related disorder must be informed of all services and options available to the student, including general education interventions under response to intervention and multi-tiered systems of support modules as required by Section 26.0081 of the Education Code.

Sec 3. IDENTIFICATION AND TESTING

A process for early identification, intervention, and support for students at risk for dyslexia and related disorders must be available, as outlined in the *Dyslexia Handbook*. The program must include a screening at the end of each school year for all kindergarten students and by January 31st for first grade students.

Westlake Academy may not use early intervention strategies, including multi-tiered systems of support, to delay or deny the provision of a full and individual evaluation to a child suspected of having a specific learning disability, including dyslexia or a related disorder.

SEC 4. PERSONNEL QUALIFICATIONS

Highly trained individuals must deliver dyslexia instruction. Teachers who provide dyslexia intervention for students are not required to hold a specific license or certification. However, these educators must at a minimum have additional documented dyslexia training aligned to 19 TAC §74.28(c) and must deliver the instruction with fidelity. A provider of dyslexia instruction does not have to be certified as a special educator when serving a student who also receives special

DATE ISSUED: 8/8/2022

education and related services if that provider is the most appropriate person to offer dyslexia instruction.

SEC. 5. TREATMENT AND SERVICES

Westlake Academy shall provide each identified student access at his or her campus to instructional programs and to the services of a teacher trained in dyslexia and related services. Westlake Academy may, with the approval of each student's parents or guardians, offer additional services at a centralized location, so long as such centralized services do not preclude each student from receiving services at his or her campus.

a) *Reading Program*

Westlake Academy shall purchase a reading program or develop its own reading program for students with dyslexia and related disorders that is aligned with the descriptors found in the *Dyslexia Handbook*.

Teachers who screen and treat these students must be trained in instructional strategies that utilize individualized, intensive, multi-sensory, phonetic methods and a variety of writing and spelling components described in the *Dyslexia Handbook*. The professional development activities specified by each school and/or campus planning committee shall include these instructional strategies.

b) *Reassessment*

Unless otherwise provided by law, a student determined to have dyslexia during testing or accommodated because of dyslexia may not be retested for dyslexia for the purpose of reassessing the student's need for accommodations until Westlake Academy reevaluates the information obtained from previous testing of the student.

SEC 6. PARENT EDUCATION PROGRAM

Westlake Academy shall develop and provide a parent education program for parents and guardians of students with dyslexia and related disorders. This program should include:

- Awareness of characteristics of dyslexia and related disorders;
- Information on testing and diagnosis of dyslexia;
- Information on effective strategies for teaching dyslexic students; and
- Awareness of information on modification, especially modifications allowed on standardized testing.

DATE ISSUED: 8/8/2022

Education Code 38.003; 19 TAC 74.28.

Sec. 7. REPORTING

Westlake Academy must report through the Public Education Information Management System to the Texas Education Agency the number of students emolled who are identified as having dyslexia.

Sec. 1. ELIGIBILITY CRITERIA

A student that is at least three years old but not more than 21 years of age may be eligible for special education services if the student is found to have a disability in one of the following categories, and, by reason of the disability, has need for special education and related services:

1. Intellectual Disability;
2. Hearing impairment;
3. Visual Impairment;
4. Speech or Language impairment;
5. Emotional disturbance;
6. Orthopedic impairment;
7. Other health impairment;
8. Traumatic brain injury;
9. Deaf-blindness;
10. Specific Learning Disability;
11. Autism;
12. Developmental delay; or
13. Multiple Disabilities.

34 CFR 300.306(a)(1), 300.8; 19 TAC 89.1050(a).

Additionally, a student is eligible to participate in Westlake Academy's special education program if the student is not more than 21 years of age and has a visual or auditory impairment that prevents the student from being adequately or safely educated in public school without the provision of special services. (TEC §29.003)

Sec. 2. DETERMINING ELIGIBILITY

Following the completion of the full and individual initial evaluation, the student's admission, review, and dismissal ("ARD") committee must make an eligibility determination. The ARD committee members reviewing evaluations and date to determine eligibility must include a licensed specialist in school psychology ("LSSP"), an educational diagnostician, or other appropriately certified or licensed practitioner with experience, and a licensed or certified professional for a specific eligibility category defined below.

19 TAC 89.1040.

When interpreting evaluation data for the purpose of determining if a student is a student with a disability under 34 CFR 300.8 and the educational needs of the student, Westlake Academy shall:

DATE ISSUED: 8/8/2022

1. Draw upon information from a variety of sources, including aptitude and achievement tests, parent input, and teacher recommendations, as well as information about the child's physical condition, social or cultural background, and adaptive behavior; and
2. Ensure that information obtained from all of these sources is documented and carefully considered.

If a student is determined to be a student with a disability and needs special education and related services, the ARD committee must develop an individualized education program ("IEP") for the student in accordance with 34 CFR 300.320 through 300.324 and corresponding state law.

34 CFR 300.306.

A student is not eligible for special education services through the evaluation, if a student is found to only need related services. A student cannot be found eligible for services if the determinant factor for that determination is lack of appropriate instruction in reading, including in the essential components of reading instruction, lack of appropriate instruction in math, or limited English proficiency/status as an emergent bilingual student.

34 CFR 300.306(b).

For children aged three through nine, or any subset of that age range, may be a child with a disability if the student is:

1. experiencing developmental delays, as defined by the State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: Physical development, cognitive development, communication development, social or emotional development, or adaptive development; and
2. needs special education and related services.

34 CFR 300.8(b).

Sec. 3. INTELLECTUAL DISABILITY

A student qualifies as a student with an intellectual disability if the student has significantly sub-average general intellectual functioning, existing concurrently with deficits in adaptive behavior and manifested during the developmental period, that adversely affects a student's educational performance.

34 CFR 300.8(c)(6); 19 TAC 89.1040(c)(5).

Sec. 4. SPEECH OR LANGUAGE IMPAIRMENT

DATE ISSUED: 8/8/2022

A communication disorder, such as stuttering, impaired articulation, a language impairment, or a voice impairment, that adversely affects a child's educational performance. The evaluation team shall include a certified speech and hearing therapist, a certified speech and language therapist, or a licensed speech/language pathologist.

34 CFR 300.8(c)(11); 19 TAC 89.1040(c)(10).

Sec. 5. EMOTIONAL DISTURBANCE

A student may be eligible for services as a student with an emotional disturbance if they exhibit one or more of the following characteristics over a long period of time and to a marked degree that adversely affects a child's educational performance:

1. An inability to learn that cannot be explained by intellectual, sensory, or health factors;
2. An inability to build or maintain satisfactory interpersonal relationships with peers and teachers;
3. Inappropriate types of behavior or feelings under normal circumstances;
4. A general pervasive mood of unhappiness or depression; or
5. A tendency to develop physical symptoms or fears associated with personal or school problems.

Emotional disturbance includes schizophrenia, but does not include children who are socially maladjusted, unless it is determined that they have an emotional disturbance. A written evaluation must include recommendations for behavior intervention strategies.

34 CFR 300.8(c)(4); 19 TAC 89.1040(c)(4).

Sec. 6. ORTHOPEDIC IMPAIRMENT

A severe orthopedic impairment, including impairments caused by congenital anomaly, impairments caused by disease (e.g., poliomyelitis, bone tuberculosis), and impairments from other causes (e.g., cerebral palsy, amputations, and fractures or burns that cause contractures). If the impairment adversely impacts a student's educational performance, the student is eligible under this category.

34 CFR 300.8(c)(8); 19 TAC 89.1040(10).

The multidisciplinary team determining eligibility under the criteria for an orthopedic impairment must include a licensed physician.

DATE ISSUED: 8/8/2022

19 TAC 89.1040(10).

Sec. 7. OTHER HEALTH IMPAIRMENT ("OHi")

A student with limited strength, vitality, or alertness, including a heightened alertness to environmental stimuli caused by chronic or acute health problems such as:

1. Asthma;
2. Attention Deficit Disorder or Attention Deficit Hyperactivity Disorder;
3. Diabetes;
4. Epilepsy;
5. Heart Condition;
6. Hemophilia;
7. Lead poisoning;
8. Leukemia;
9. Nephritis;
10. Rheumatic Fever;
11. Sickle Cell Anemia; or
12. Tourette Syndrome.

If the health condition limits alertness in the educational environment and adversely impacts a student's learning, he or she is eligible for OHi. In determining eligibility, Westlake Academy shall must include a licensed physician on the multidisciplinary team.

Sec. 8. TRAUMATIC BRAIN INJURY

An acquired injury to the brain caused by an external physical force, resulting in total or partial functional disability or psychosocial impairment, or both, that adversely affects a student's educational performance. Traumatic brain injury applies to open or closed head injuries resulting in impairments in one or more areas, such as cognition; language; memory; attention; reasoning; abstract thinking; judgment; problem-solving; sensory, perceptual, and motor abilities; psychosocial behavior; physical functions; information processing; and speech. Traumatic brain injury does not apply to brain injuries that are congenital or degenerative, or to brain injuries induced by birth trauma.

Westlake Academy shall include a licensed physician, and a licensed specialist in school psychology (LSSP), an educational diagnostician, or other appropriately certified or licensed practitioner with experience and training in this area to review the data and determine eligibility.

19 TAC 89.1040(11).

DATE ISSUED: 8/8/2022

Sec. 9. HEARING OR AUDITORY IMPAIRMENT AND DEAFNESS

A student with an impairment in hearing, whether permanent or fluctuating, that adversely affects a student's educational performance but is not included under the definition of deafness.

The student's evaluation must include an ontological examination performed by an otologist or by a licensed medical doctor, with documentation that an otologist is not reasonably available. Westlake Academy shall also conduct an audiological evaluation by a licensed audiologist. The evaluation must include a description of the implications of the hearing loss for the student's hearing in a variety of circumstances with or without recommended amplification.

34 CFR 300.8(c)(5); 19 TAC 89.1040(c)(3).

Sec. 10. DEAFNESS

Deafness is a hearing impairment that is so severe that the student is impaired in processing linguistic information through hearing, with or without amplification that adversely affects a student's educational performance. (34 CFR §300.8(c)(3))

Sec. 11. VISUAL IMPAIRMENT INCLUDING BLINDNESS

An impairment in vision that, even with correction, adversely affects a student's educational performance. The term includes both partial sight and blindness.

34 CFR 300.8(c)(13).

A student with a visual impairment is one who:

1. has been determined by a licensed ophthalmologist or optometrist to have no vision or to have a serious visual loss after correction; or to have a progressive medical condition that results in no vision or a serious visual loss after correction.
2. has been determined by the following evaluations to have a need for special services, including:
 - a. a functional vision evaluation by a professional certified in the education of students with visual impairments or a certified orientation and mobility instructor. The evaluation must include the performance of tasks in a variety of environments requiring the use of both near and distance vision and recommendations concerning the need for a clinical low vision evaluation and an orientation and mobility evaluation; or
 - b. a learning media assessment by a professional certified in the education of students with visual impairments. The learning media assessment must include recommendations concerning which specific visual, tactual, and/or auditory learning

media are appropriate for the student and whether or not there is a need for ongoing evaluation in this area.

19 TAC 89.1040(12)(A).

Through evaluation, Westlake Academy should state the student's visual loss in exact measures of visual field and corrected visual acuity at a distance and at close range in each eye by a licensed ophthalmologist or optometrist. The report should also include prognosis whenever possible. If exact measures cannot be obtained, the eye specialist must so state and provide best estimates.

A student that qualifies as a student with a visual impairment is considered functionally blind if, based on the preceding evaluations, the student will use tactual media (which includes Braille) as a primary tool for learning to be able to communicate in both reading and writing at the same level of proficiency as other students of comparable ability.

19 TAC 89.1040(12)(B).

Sec. 12. DEAF-BLINDNESS

A student is eligible under deaf-blindness if identified with hearing and visual impairments, the combination of which causes such severe communication and other developmental and educational needs that they cannot be accommodated in special education programs solely for students with deafness or students with blindness.

34 CFR §300.8(c)(2).

In addition to the Individuals with Disabilities Education Act ("IDEA") requirements, a student may be eligible if a student is found to:

1. meet the eligibility criteria for auditory impairment specified in subsection 19 TAC 89.1040(c)(3) and visual impairment specified in subsection 19 TAC 89.1040 (c)(12);
2. meet the eligibility criteria for a student with a visual impairment and has a suspected hearing loss that cannot be demonstrated conclusively, but a speech/language therapist, a certified speech and language therapist, or a licensed speech language pathologist indicates there is no speech at an age when speech would normally be expected;
3. have documented hearing and visual losses that, if considered individually, may not meet the requirements for auditory impairment or visual impairment, but the combination of such losses adversely affects the student's educational performance; or
4. have a documented medical diagnosis of a progressive medical condition that will result in concomitant hearing and visual losses that, without special education intervention, will adversely affect the student's educational performance.

DATE ISSUED: 8/8/2022

19 TAC 89.1040(c).

Sec. 13. SPECIFIC LEARNING DISABILITY

Specific learning disability includes a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, that may manifest itself in the imperfect ability to listen, think, speak, read, write, spell, or to do mathematical calculations, including conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia.

34 CFR 300.8(c)(10).

In addition to being identified as having a disorder that impacts a basic psychological process, Westlake Academy shall also show that the student does not achieve adequately for the student's age or meet state-approved grade-level standards in oral expression, listening comprehension, written expression, basic reading skill, reading fluency skills, reading comprehension, mathematics calculation, or mathematics problem solving when provided appropriate instruction, as indicated by performance on multiple measures such as in-class tests; grade average over time (e.g. six weeks, semester); norm- or criterion- referenced tests; statewide assessments; or a process based on the child's response to scientific, research-based intervention.

Westlake Academy's evaluation must also show that the student:

1. does not make sufficient progress when provided a process based on the student's response to scientific, research-based intervention (as defined in 20 USC, §7801(37)), as indicated by the student's performance relative to the performance of the student's peers on repeated, curriculum-based assessments of achievement at reasonable intervals, reflecting student progress during classroom instruction; or
2. the student exhibits a pattern of strengths and weaknesses in performance, achievement, or both relative to age, grade-level standards, or intellectual ability, as indicated by significant variance among specific areas of cognitive function, such as working memory and verbal comprehension, or between specific areas of cognitive function and academic achievement.

19 TAC 89.1040(c)(9).

A specific learning disability does not include learning problems that are primarily the result of visual, hearing, or motor disabilities, of intellectual disability, of emotional disturbance, or of environmental, cultural, or economic disadvantage. (34 CFR §300.8(c)(10))

DATE ISSUED: 8/8/2022

Prior to identifying a student as one with a learning disability, Westlake Academy shall ensure that the suspected disability is not due to lack of educational opportunity or lack of appropriate instruction. Westlake Academy shall consider data that shows the student has received appropriate instruction in math and reading in the general education setting. Westlake Academy shall also consider documentation of repeated assessments of achievement at reasonable intervals, reflecting formal evaluation of student progress during instruction. This may include, but is not limited to, RTI progress results, in-class tests on grade-level curriculum, or other regularly administered assessments. Intervals are considered reasonable if consistent with the assessment requirements of a student's specific instructional program.

19 TAC 89.1040(c)(9).

Sec. 14. AUTISM

A student with autism is one that meets the criteria outlined in 34 CFR 300.8(c)(1) of the IDEA. It also includes students with pervasive developmental disorders.

19 TAC 89.1040(c)(1).

Under IDEA, autism is a developmental disability significantly affecting a student's verbal and nonverbal communication and social interactions that adversely affects a student's educational performance. Engagement in repetitive activities and stereotyped movements, resistance to environmental change or change in daily routines, and unusual responses to sensory experiences are often associated with autism. Characteristics of autism are generally evident before age three. A child who manifests the characteristics of autism after age three could be identified as having autism if the student meets the above criteria also defined in 34 CFR 300.8(c)(1)(i).

A student does not meet the eligibility category for autism if a student's educational performance is adversely affected primarily because the student has an emotional disturbance, as defined above and in 34 CFR 300.8(c)(4).

34 CFR 300.8(c)(1).

The written evaluation determining eligibility under autism must include recommendations for behavior interventions.

19 TAC 89.1040(c)(1).

Sec. 15. MULTIPLE DISABILITIES

DATE ISSUED: 8/8/2022

A student may qualify as a student with multiple disabilities if they are identified to have a combination of impairments (such as intellectual disability-blindness or intellectual disability-orthopedic impairment) and the combination causes such severe educational needs that they cannot be accommodated in special education programs solely for one of the impairments. Multiple disabilities does not include deaf-blindness.

34 CFR 300.8(c)(7).

The impairments must be: (a) expected to continue indefinitely; and (b) severely limit performance in two or more of the following:

1. psychomotor skills;
2. self-care skills;
3. communication;
4. social and emotional development, or
5. cognition.

A student who qualifies for more than one impairment but does not severely impair performance in one of the above categories, or is not expected to continue indefinitely, does not qualify as a student with multiple disabilities.

19 TAC 89.1040(c)(6).

Sec. 1. REFERRAL FOR FULL AND INDIVIDUAL INITIAL EVALUATION

Referral of students for a full and individual initial evaluation for possible special education services shall be a part of Westlake Academy's overall general education referral or screening system. Either a parent, the Texas Educational Agency ("TEA"), another state agency, or Westlake Academy may initiate a request for an initial evaluation.

a) *Obligation to Refer*

Before referral, students experiencing difficulty in the general classroom should be considered for all support services available to all students. If a student continues to experience difficulty in the general classroom after the provision of interventions, Westlake Academy personnel must refer the student for a full and individual initial evaluation.

20 U.S.C. 1414(a)(1); 34 CFR 300.301; 19 TAC 89.1011.

b) *Parent Request*

If a parent submits a written request for a full individual and initial evaluation of a student, Westlake Academy shall, not later than the 15th school day after the date Westlake Academy receives the request:

1. Provide the parent with prior written notice of its proposal to conduct an evaluation consistent with 34 CFR 300.503, a copy of the procedural safeguards notice required by 34 CFR 300.504, and an opportunity to give written consent for the evaluation; or
2. Provide the parent with prior written notice of its refusal to conduct an evaluation consistent with 34 CFR 300.503, and a copy of the procedural safeguards notice required by 34 CFR 300.504.

20 U.S.C. 1414(a)(1); 34 C.F.R. 300.301; 19 TAC 89.1011(a), (b); Education Code 29.004(c).

Sec. 2. NOTICE OF RIGHTS

Westlake Academy shall provide written notice to a student's parent or guardian within a reasonable time before proposing or refusing to initiate the identification, evaluation, or educational placement of a student or the provision of a free appropriate public education ("FAPE").

34 CFR §300.8(c)(10)

DATE ISSUED: 8/8/2022

Sec. 3. INITIAL EVALUATION

Westlake Academy shall conduct a full and individual initial evaluation before the initial provision of special education and related services. *20 U.S.C. 1414(a)(l)(A)*.

Westlake Academy shall ensure that evaluations of children who transfer from one district to another in the same academic year are coordinated with the children's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations. *20 U.S.C. 1414(b)(3)(D)*.

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. *20 U.S.C. 1414(a)(l)(E)*.

a) *Consent for Initial Evaluation*

Westlake Academy shall make reasonable efforts to obtain informed parental consent before conducting an initial evaluation.

If the parent does not provide consent for an initial evaluation or fails to respond to a request to provide consent, Westlake Academy may-but is not required to-pursue the initial evaluation by utilizing due process procedures, except to the extent inconsistent with state law relating to such parental consent.

Parental consent to initial evaluation shall not be construed as consent for placement for special education and related services. *20 U.S.C. 1414(a)(l)(D)(i)(l); 34 CFR 300.300*.

b) *Wards of the State*

If the child is a ward of the state and is not residing with the child's parent, Westlake Academy shall make reasonable efforts to obtain the informed consent from the parent for an initial evaluation, unless:

1. Westlake Academy cannot discover the whereabouts of the parent, despite reasonable efforts to do so;
2. The rights of the parent have been terminated; or
3. The rights of the parent to make educational decisions have been subrogated and an individual appointed by a judge to represent the student has given consent for an initial evaluation.

20 U.S.C. 1414(a)(l)(D)(iii); 34 CFR 300.300(a)(2).

DATE ISSUED: 8/8/2022

Sec. 4. PROVIDING ASSISTANCE TO STUDENTS WHO HAVE LEARNING DIFFICULTIES OR NEED SPECIAL EDUCATION SERVICES

If a student is experiencing learning difficulties, the parent may contact their child's campus principal to learn about Westlake Academy's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention ("Rtl"). The implementation of Rtl has the potential to have a positive impact on Westlake Academy's ability to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services by presenting a written request to the Special Education Coordinator or to a Westlake Academy administrative employee. Westlake Academy must, within 15 school days of receiving the request, either (1) give the parent an opportunity to give written consent for the evaluation or (2) refuse to provide the evaluation and provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with Westlake Academy. Additionally, the parent will receive a copy of the *Notice of Procedural Safeguards - Rights of Parents of Students with Disabilities*.

If consent for evaluation is obtained, Westlake Academy must generally complete the evaluation and report within 45 school days of the date Westlake Academy receives the written consent. Westlake Academy must give a copy of the evaluation report to the parent.

Sec. 5. NOTIFICATION TO PARENTS REGARDING INTERVENTION STRATEGIES

Each school year, Westlake Academy shall notify a parent of each child, other than a child enrolled in a special education program, who receives assistance from the Westlake Academy for learning difficulties, including through the use of intervention strategies that Westlake Academy provides to the child. The notice must:

1. Be provided when the child begins to receive the assistance for that school year;
2. Be written in English or, to the extent practicable, the parent's native language; and
3. Include:
 - a. A reasonable description of the assistance that may be provided to the child, including any intervention strategies that may be used;
 - b. Information collected regarding any intervention in the base tier of a multi-tiered system of supports that has previously been used with the child;

DATE ISSUED: 8/8/2022

- c. An estimate of the duration for which the assistance, including through the use of intervention strategies, will be provided;
- d. The estimated time frames within which a report on the child's progress with the assistance, including any intervention strategies used, will be provided to the parent; and
- e. A copy of a written explanation of the options and requirements for providing assistance to students who have learning difficulties or who need or may need special education. The explanation must state that a parent is entitled at any time to request an evaluation of the parent's child for special education services or for aids, accommodations, or services under Section 504 of the Rehabilitation Act ("Section 504").

The notice under this policy may be provided to a child's parent at a Section 504 meeting.

A parent is entitled to access to all written records of Westlake Academy concerning the parent's child, including attendance records, test scores, grades, disciplinary records, counseling records, psychological records, applications for admission, health and immunization information, teacher and school counselor evaluations, reports of behavioral progress, and records relating to assistance provided for learning difficulties, including information collected regarding any intervention strategies used with the child.

DATE ISSUED: 8/8/2022

Sec. 1. FULL AND INDIVIDUAL EVALUATION (FIE)

Westlake Academy shall ensure that upon completion of the administration of such tests and other evaluation materials administered according to the evaluation procedures of the Individuals with Disabilities Education Act ("IDEA"), and preparation of the written report, the admission, review and dismissal ("ARD") committee determines if the student is a student with a disability under state and federal standards.

Westlake Academy shall conduct a full and individual initial evaluation ("FIE") prior to providing special education and related services to any student. All students must be evaluated in accordance with the IDEA and the Texas Education Code.

Westlake Academy shall have procedures in place to ensure that testing and evaluation materials and procedures utilized for the purposes of evaluation and placement of students with disabilities are selected and administered so as to not be racially, culturally, or gender discriminatory. Assessment and procedures shall be provided and administered in the student's native language or most proficient mode of communication and in the form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to do so.

34 CFR 300.301; Education Code 29.310.

All implementing assessment procedures must differentiate between language proficiency and handicapping condition. Additionally, placement procedures must ensure that placement in a bilingual education or English as a second language program is not refused solely because the student has a disability.

19 TAC 89.1230.

No single procedure shall be the sole criterion for determining whether a student is a student with a disability or for determining an appropriate education program for a student with a disability. The evaluation must be sufficiently comprehensive to identify all of the student's special education and related services' needs. Each student must be evaluated in all suspected areas of disability.

34 CFR 300.301, 300.304; Education Code 29.310.

All assessments must be administered in accordance with the instructions provided and by a trained and knowledgeable person.

34 CFR 300.301, 300.304.

DATE ISSUED: 8/8/2022

Sec. 2. TIMELINE

If a student's parent provides a written request for an evaluation to the school's director of special education services or to a district administrative employee, Westlake Academy shall, within 15 school days, (1) provide the parent with prior written notice of its proposal to conduct an evaluation, a copy of the procedural safeguards, and an opportunity to give written consent for the evaluation, or (2) provide prior written notice and procedural safeguards if the school is denying the request for evaluation.

Education Code 29.004(c).

A written FIE report must be completed not later than the 45th school day following the date on which Westlake Academy receives written consent for the evaluation, signed by the student's parent. If the student is absent for more than three days in that time period, the timeline must be extended by the number of days the student was absent.

Education Code 29.004(a).

This timeframe shall not apply if:

1. A student enrolls in the current school after the relevant time frame has begun and before the previous school made a determination as to whether the student has a disability, but only if the current school is making sufficient progress to ensure a prompt completion of the evaluation and the parent and current school agree to a specific time for completion of the evaluation; or
2. The parent repeatedly fails or refuses to produce the student for the evaluation.

34 CFR 300.301(d).

Following the completion of the FIE, the ARD committee must meet within 30 calendar days from the date of completion to review and determine eligibility.

Education Code 29.004.

If the 30th day falls during the summer and school is not in session, the student's ARD committee has until the first day of classes in the fall to finalize decisions concerning the student's initial eligibility determination, individualized education program ("IEP"), and placement, unless the full individual and initial evaluation indicates that the student will need extended school year services during that summer.

DATE ISSUED: 8/8/2022

If the student is an English language learner, the language proficiency assessment committee (LPAC) must also attend the meeting to determine services. (19 TAC §89.1050(c)(J))

If Westlake Academy receives written consent for an FIE from a student's parent at least 35 but less than 45 school days before the last instructional day of the school year, the evaluation must be completed and the written report of the evaluation must be provided to the parent not later than June 30 of that year. The ARD committee must meet by the 15th school day of the following school year to consider the evaluation.

If Westlake Academy receives written consent signed by a student's parent less than 35 school days before the last instructional day of the school year or if the school receives the written consent at least 35 but less than 45 school days before the last instructional day of the school year but the student is absent from school during that period on three or more days, the FIE must be completed not later than the 45th school day after receiving consent.

School days do not include days following the last instructional day of the spring term and before the first day of the fall term.

Education Code 29.004.

Sec. 3. SPECIFIC LEARNING DISABILITY EVALUATION

The Texas Education Agency cannot require Westlake Academy to use the severe discrepancy between intellectual ability and achievement for determining whether a student has a specific learning disability. TEA must permit the use of a process based on the child's response to scientific, research-based intervention; and may permit the use of other alternative research-based procedures for determining whether a student has a specific learning disability.

34 CFR 300.307.

The evaluation process for specific learning disability includes an observation of the child in the learning environment, including the regular classroom setting, to document academic performance and behavior in the areas of difficulty.

34 CFR 300.310 (a).

Sec. 4. FUNCTIONAL BEHAVIOR ASSESSMENT (FBA)

A functional behavior assessment ("FBA") may be necessary for a student whose behavior impedes their education. Prior to completing an FBA, Westlake Academy shall get consent from the parent.

DATE ISSUED: 8/8/2022

34 CFR 300.9.

If an ARD committee determines a change of placement is necessary due to the student's behavior, it must conduct an FBA and implement a behavioral intervention plan ("BIP"). If an FBA was already completed, the ARD committee must review and update the BIP.

34 CFR 300.350(/).

Sec. 5. REVIEW OF EXISTING EVALUATION DATA

A Review of Existing Evaluation Data ("REED") is required as part of an initial evaluation, if appropriate, and as part of any reevaluation. The REED must be conducted by the ARD committee members and other qualified professionals, as appropriate. The ARD committee members may conduct the review without a meeting.

The REED must include a review of the following:

- Evaluations and information provided by the parents of the student;
- Current classroom-based, local, or State assessments, and classroom-based observations; and
- Observations by teachers and related services providers.

On the basis of that review, and input from the student's parents, the ARD committee members must identify what additional data, if any, are needed to determine:

- Whether the student is a student with a disability, and the educational needs of the student, or, in case of a reevaluation of a student, whether the student continues to have such a disability and the educational needs of the student;
- Whether the student needs special education and related services, or in the case of a reevaluation of a student, whether the student continues to need special education and related services;
- The present levels of academic achievement and related developmental needs of the student; and
- Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in the IEP of the student and to participate, as appropriate, in the general education curriculum.

Westlake Academy shall administer any assessments or other evaluation measures needed to produce the data identified by the REED in accordance with applicable procedural requirements regarding notice and consent.

DATE ISSUED: 8/8/2022

If additional data is not needed, the ARD committee must notify the parent of the determination decision and provide information about the parent's right to request additional assessments to determine student needs and eligibility.

34 CFR 300.305.

Westlake Academy shall conduct a reevaluation of the student if the school determines that the educational or related service needs, including improved academic achievement and functional performance, of the child warrant a reevaluation or if the child's parent or teacher requests a reevaluation. Areevaluation may not occur more than once per year, unless agreed to by the school and the parent. A reevaluation must occur at least every three years, unless the school and parent agree the evaluation is unnecessary.

34 CFR 300.303.

Sec. 6. CHANGE IN ELIGIBILITY

Westlake Academy shall evaluate a student with a disability before determining a student is no longer eligible for special education and related services.

An evaluation is not required if a student is no longer eligible due to graduation or exceeding the age eligibility in Texas. Westlake Academy shall create a summary of performance and include recommendations on how to assist the student in meeting postsecondary goals.

34 CFR 300.305(e).

Sec. 7. CONSIDERATION OF SERVICES PROVIDED IN REGULAR EDUCATION SETTING

To ensure that underachievement in the student suspected of having a specific learning disability is not due to lack of appropriate instruction in reading or math, the group of qualified professionals, as part of a full and individual evaluation, must consider:

- Data that demonstrate that prior to, or as part of, the referral process, the student was provided appropriate instruction in regular education settings, delivered by qualified personnel; and
- Data-based documentation of repeated assessments of achievement at reasonable intervals, reflecting formal assessment of progress during instruction, which was provided to the student's parents.

34 CFR 300.309(b).

DATE ISSUED: 8/8/2022

Sec. 8. COORDINATION OF EVALUATIONS WITH PRIOR AND SUBSEQUENT SCHOOLS

The school shall ensure that evaluations of students who transfer from one local education agency to another in the same academic year are coordinated with the student's prior and subsequent schools, as necessary and as expeditiously as possible, to ensure prompt completion of evaluations.

20 U.S.C. 1414(b)(3)(D).

Sec. 9. PSYCHOLOGICAL EXAMINATIONS AND TESTS

On request of a child's parent, before obtaining the parent's consent for the administration of any psychological examination or test to the child as part of the evaluation of the child's need for special education, Westlake Academy shall provide to the child's parent:

1. The name and type of the examination or test; and
2. An explanation of how the examination or test will be used to develop an appropriate IEP for the child.

If Westlake Academy determines that an additional examination or test is required for the evaluation of a child's need for special education, Westlake Academy shall provide the information above to the parent regarding the additional examination or test and shall obtain additional consent for the examination of test.

Education Code 29.0041(a), (b).

If Westlake Academy determines that an additional examination or test is required for the evaluation, Westlake shall provide the information required by Education Code 29.0041(a) and shall obtain parental consent. If a parent does not give consent within 20 calendar days after the School provides the information, the parent's consent is considered denied.

The time required for Westlake Academy to provide information and seek consent may not be counted toward the timeframe for completion of an evaluation.

Education Code 29.0041.

Sec. 10. EXTENSION OF TIMELINES

For a specific learning disability, the timelines for evaluation under this policy may be extended by mutual written agreement of the student's parents and the ARD committee.

DATE ISSUED: 8/8/2022

34 CFR 300.309(c).

Sec. 11. EVALUATION CONDUCTED PURSUANT TO A SPECIAL EDUCATION DUE PROCESS HEARING

A special education hearing officer in an impartial due process hearing brought under 20 U.S.C. §1415 may issue an order or decision that authorizes one or more evaluations of a student who is eligible for, or who is suspected as being eligible for, special education services. Such an order or decision authorizes the evaluation of the student without parental consent as if it were a court order for purposes of any State or federal law providing for consent by order of a court.

Education Code 29.016.

Sec. 12. INDEPENDENT EDUCATIONAL EVALUATIONS

The parent of a student with a disability has the right to obtain an independent educational evaluation ("IEE") of the parent's child if the parent disagrees with the evaluation of the student that was obtained by Westlake Academy.

If the parent requests an IEE, Westlake Academy must provide the parent with information about where the parent may obtain an IEE and about Westlake Academy's criteria that apply to IEE.

Sec. 13. DEFINITIONS

An IEE means an evaluation conducted by a qualified examiner who is not employed by the school responsible for the education of a student.

Public expense means that Westlake Academy either pays for the full cost of the evaluation or ensures that the evaluation is otherwise provided at no cost to the parent, consistent with the provisions of Part B of IDEA, which allow each State to use whatever State, local, Federal, and private sources of support are available in the State to meet the requirements of Part B of IDEA.

34 CFR 300.502.

Sec. 14. RIGHT TO AN INDEPENDENT EVALUATION AT PUBLIC EXPENSE

The parent has the right to request an IEE of the parent's child at public expense if the parent disagrees with an evaluation of the student completed by Westlake Academy.

If the parent requests an IEE, Westlake Academy must respond to the parent by either:

DATE ISSUED: 8/8/2022

1. without unnecessary delay, filing a due process complaint to request a hearing to show that its evaluation of the student is appropriate; or
2. providing an IEE at public expense, unless Westlake Academy demonstrates in a due process hearing that the evaluation of the student that the parent obtained did not meet Westlake Academy's criteria.

If Westlake Academy requests a hearing and the final decision is that Westlake Academy's evaluation of the student is appropriate, the parent still has the right to an IEE, but not at public expense.

If the parent requests an IEE of the student, Westlake Academy may ask why the parent objects to the evaluation of the student obtained by Westlake Academy; however, Westlake Academy may not require an explanation and may not unreasonably delay either providing the IEE of the student at public expense or filing a due process complaint to request a due process hearing to defend Westlake Academy's evaluation of the student.

The parent is entitled to only one IEE of the student at public expense each time Westlake Academy conducts an evaluation of the student with which the parent disagrees.

34 CFR 300.502.

a) *Parent-Initiated Evaluations*

If the parent obtains an IEE of the student at public expense or the parent shares with Westlake Academy an evaluation of the student that the parent obtained at private expense:

1. Westlake Academy must consider the results of the evaluation of the student, if it meets Westlake Academy's criteria for IEE, in any decision made with respect to the provision of a free appropriate public education to the student; and
2. the parent or Westlake Academy may present the evaluation as evidence at a due process hearing regarding the student.

34 CFR 300.502.

b) *Requests for Evaluations by Hearing Officers*

If a hearing officer requests an IEE of the student as part of a due process hearing, the cost of the evaluation must be at public expense.

DATE ISSUED: 8/8/2022

Sec. 15. CRITERIA FOR OBTAINING IEE AT PUBLIC EXPENSE

The criteria under which the IEE is obtained, including the location of the evaluation and the qualifications of the examiner, must be the same as the criteria that the public agency uses when it initiates an evaluation, to the extent those criteria are consistent with the parent's right to an IEE.

a) *Location*

The evaluator conducting an IEE of a child with a disability at public expense must be located within a 100-mile radius of Westlake Academy. This will allow the evaluator access to Westlake Academy for observation of the student and access to the student's cumulative and special education eligibility folders.

b) *Cost*

Parents are free to select whomever they choose to perform the IEE, so long as the examiner meets Westlake Academy's criteria. Westlake Academy will pay a fee for an IEE that allows a parent to choose from among qualified professionals in the area.

Westlake Academy will not pay unreasonably excessive fees. An unreasonably excessive fee is one which is 20% above the prevailing fees in the area as established by the Medicaid/Medicare Service Provider Manual for the specific test being considered.

Parents will be offered the opportunity to demonstrate to their child's ARD committee that unique circumstances exist which justify an IEE that does not meet Westlake Academy criteria outlined in this document.

When evaluators have a sliding scale fee based on parent income, Westlake Academy will pay the amount charged to the parent if the evaluator meets Westlake Academy criteria or Westlake Academy has approved the IEE that does not meet Westlake Academy criteria.

In the event a parent pursues an IEE independently or pursues an IEE provider that is not on Westlake Academy independent evaluator list, Westlake Academy will determine if the evaluator meets Westlake Academy criteria prior to authorizing payment or reimbursement. If payment will be authorized, an original billing form and an original written report with original signature must be submitted to Westlake Academy prior to payment.

Westlake Academy will deny payment for an IEE conducted by an evaluator who does not meet Westlake Academy criteria. Westlake Academy will deny payment for an IEE that does not meet TEA criteria for the specific disability identified.

DATE ISSUED: 8/8/2022

If a hearing officer requests an IEE as part of a hearing on a due process complaint, the cost of the evaluation must be at public expense.

Travel costs for evaluators will not exceed Westlake Academy rates for travel as established by state guidelines.

A contract for an IEE between an evaluator and Westlake Academy will not exceed one year. All terms will become void after the expiration date of one year.

c) *Evaluator Criteria*

The evaluator conducting the IEE must meet Westlake Academy criteria and possess comparable credentials to the examiner that conducted the evaluation that is in dispute.

Evaluators must possess current licensure/certification to conduct the evaluation and must provide copies of his or her license or certification with the evaluation, if not previously provided.

Evaluators must comply with all requirements specified in state and federal law, including those outlined in the professional board responsible for providing the license or certification.

Evaluators must meet the examiner qualifications for the tests administered as outlined by the test producer.

The evaluator will have access to the student's cumulative folder and special education folders in gathering information about the student.

The evaluator will have the ability to interview teachers and observe the student in the educational setting.

Prior to conducting the assessment, the evaluator agrees to submit to a national criminal history review and to provide any and all information necessary to secure the national criminal history review, including fingerprints and photographs, or other information required by Texas Education Code § 22.0834 concerning Contractor or Contractor's Subcontractors.

The evaluator agrees to conduct a thorough evaluation in the area(s) performed by Westlake Academy with which the parent disagrees.

Copies of protocols must be provided to Westlake Academy.

The report must comply with all federal and state requirements, including addressing the presence or absence of a disability condition as defined under the IDEA and the Texas Education Code.

DATE ISSUED: 8/8/2022

The evaluation must be provided to Westlake Academy upon completion.

Except for the criteria described above, Westlake Academy may not impose conditions or timelines related to obtaining an IEE at public expense.

34 CFR 300.502(e).

Sec. 1. COMPLIANCE

Westlake Academy shall use Individuals with Disabilities Education Act ("IDEA") Part B funds received to:

1. comply with the federal maintenance of effort ("MOE") requirements;
2. supplement State, local and other Federal funds and not supplant such funds; and
3. pay the excess costs of providing special education and related services to children with disabilities and must be used to supplement State, local, and other Federal funds.

34 CFR 300.202, 20 U.S.C. 1413(a)(2).

Sec. 2. REDUCING LEVEL OF EXPENDITURES

Funds provided to Westlake Academy will not be used to reduce the level of expenditures for the education of students with disabilities made by Westlake Academy below the level of those funds for the preceding year.

20 U.S.C. 1423(a)(2)(A)(iii), Appendix E to Part 300.

Westlake Academy may reduce the level of expenditures if the reduction is attributable to:

1. Voluntary departure, retirement, or departure for just cause of special education personnel;
2. A decrease in enrollment of students with disabilities;
3. The termination of the obligation of Westlake Academy to provide a special education program to a particular student with a disability that is an exceptionally costly program because the child left Westlake Academy, aged out of services, or no longer needs special education;
4. The termination of costly expenditures for long-term purchases; or
5. The assumption of cost by the high cost fund operated by the Texas Education Agency.

34 CFR 300.204.

Sec. 3. EXCESS EXPENDITURES

Having complied with MOE and excess costs requirements, IDEA Part B funds provided to the school will be used for the following activities:

1. For the costs of special education and related services, and supplementary aids and services, provided in a regular class or other education-related setting to the child with a

DATE ISSUED: 8/8/2022

- disability in accordance with the individualized education program ("IEP") of the child, even if nondisabled children benefit from such services;
2. To develop and implement coordinated, early intervening educational services in compliance with the child find and administration requirements, including:
 - a. Early intervening services, which may include interagency financing structures, for children in kindergarten through grade 12 (with a particular emphasis on children in kindergarten through grade 3) who are not currently identified as needing special education or related services but who need additional academic and behavioral support to succeed in a general education environment;
 - b. Westlake Academy may not use more than 15 percent of the amount received under IDEA Part B for any fiscal year, less any adjustments by Westlake Academy to local fiscal effort, if any, in combination with other amounts, which may include amounts other than education funds, to develop and implement coordinated, early intervening services; and
 3. To establish and implement cost or risk-sharing funds, consortia, or cooperatives for Westlake Academy, or for Westlake Academy's working in a consortium of which Westlake Academy is a part, to pay for high-cost special education and related services.
 4. Westlake Academy may use IDEA Part B funds to purchase appropriate technology for recordkeeping, data collection, and related case management activities of teachers and related services personnel providing services described in the IEP that is needed for the implementation of such case management activities.

34 CFR 300.208.

Sec. 4. EARLY INTERVENING SERVICES

Funds made available for early intervening services, must supplement not supplant funds available under the Elementary and Secondary Education Act ("ESEA").

34 CFR 300.226(e).

Sec. 5. USE OF IDEA PART B FUNDS FOR TITLE 1 PROGRAMS

Notwithstanding any other provisions related to commingling of funds, Westlake Academy may use IDEA Part B funds received for any fiscal year to carry out a Title 1, Part A school wide programs under ESEA, except that the amount may not exceed:

- the amount received by the school under IDEA Part B for that fiscal year; divided by
- the number of students with disabilities in the jurisdiction of the school; and multiplied by
- the number of students with disabilities participating in the school wide program.

DATE ISSUED: 8/8/2022

34 CFR 300.206; 20 U.S.C. 1413.

Sec. 6. COMPLIANCE WITH FEDERAL FUNDING REQUIREMENTS: TITLE 1

To the extent required under Title 1 of the ESEA, Westlake Academy shall ensure equity among school programs in staff/student ratios and in expenditures of money for curriculum materials and instructional supplies. "Staff" shall include teachers, administrators, and auxiliary personnel. In special programs, such as special education and bilingual education, a lower ratio may be maintained and more money may be spent as necessary to fulfill other legal requirements.

The parental involvement program shall be set up in accordance with requirements of Title 1 of the ESEA, as applicable. Parental involvement is encouraged and required in the planning and decision-making process for the school and for the campus.

DATE ISSUED: 8/8/2022

Sec. 1. **NONEDUCATIONAL COMMUNITY BASED SUPPORT SERVICES**

Students with disabilities and their families may be eligible to receive noneducational community based support services paid for by public funds.

The Texas Education Agency ("TEA") is responsible for establishing procedures and criteria for the allocation of noneducational funds to open-enrollment charter schools for the provision of noneducational community-based support services to certain students with disabilities and their families so that those students may receive a free appropriate public education ("FAPE") in the least restrictive environment.

Education Code 29.013(a).

Westlake Academy shall use any funds allocated under Education Code Section 29.013 only for eligible students with disabilities who would remain or would have to be placed in residential facilities primarily for educational reasons without the provision of noneducational community-based support services.

Education Code 29.013(b).

The support services may include in-home family support, respite care, and case management for families with a student who otherwise would have been placed by an open-enrollment charter school in a private residential facility.

Education Code 29.013(c).

The provision of services under Education Code Section 29.013 does not supersede or limit the responsibility of other agencies to provide or pay for costs of noneducational community-based support services to enable any student with disabilities to receive a FAPE in the least restrictive environment. Specifically, services provided under Education Code Section 29.013 may not be used for a student with disabilities who is currently placed or who needs to be placed in a residential facility primarily for noneducational reasons. Funds cannot be used to cover services already required through the student's individual education program or for long-term care.

Education Code 29.013(d).

DATE ISSUED: 8/8/2022

Sec. 1. SHARED SERVICES ARRANGEMENT

Westlake Academy Charter School may enter into a written contract to jointly operate its special education programs. Funds to which the cooperating schools/charter schools are entitled may be allocated to the schools/charter schools jointly as shared services arrangement units or shared services arrangement funds in accordance with the shared services arrangement schools/charters' agreement, Texas Education Agency Guidance and Texas Government. Code Chapter 791 (interlocal agreements).

Sec. 1. STATE FUNDING: SPECIAL ALLOTMENTS

Westlake Academy shall maintain records of students participating in special programs in accordance with the Commissioner of Education's rules.

19 TAC 129.21.

Sec. 2. SPECIAL EDUCATION ALLOTMENT

Each open-enrollment charter school will receive an annual allotment equal to the adjusted basic allotment multiplied by 1.1 for each student receiving special education and related services in a mainstream instructional arrangement. For each full-time equivalent student receiving special education and related services in average daily attendance in an instructional arrangement other than a mainstream instructional arrangement, the open-enrollment charter school is entitled to an annual allotment equal to the adjusted basic allotment multiplied by a weight determined according to instructional arrangement as set forth in Section 48.102, Texas Education Code.

Funds allocated under this section, other than an indirect cost allotment established under State Board of Education ("SBOE") rule, must be used in the special education program under Subchapter A, Chapter 29 of the Texas Education Code.

Education Code 48.102(h).

Sec. 3. COMPENSATORY EDUCATION ALLOTMENT

Westlake Academy must use funds allocated under TEC §48.104 for a purpose authorized in Section 48.1040-1), (k) of the Texas Education Code

Education Code 48.104.

Funds allocated under Education Code Section 48.104 shall be used to fund supplemental programs and services designed to eliminate any disparity in performance on assessment instruments administered under Subchapter B (School-Based Health Centers), Chapter 39, Texas Education Code, or disparity in the rates of high school completion between students at risk of dropping out of school, as defined by Section 29.081 of the Education Code (Compensatory, Intensive, and Accelerated Instruction) and all other students. Specifically, the funds, other than an indirect cost allotment established under SBOE rule, which may not exceed 45 percent, may be used to meet the costs of providing a compensatory, intensive, or accelerated instruction program under Education Code Section 29.081 or an alternative education program established under Education Code Section 37.008 (Disciplinary Alternative Education Programs) or to support a program eligible under Title I of the Elementary and Secondary Education Act of 1965, as provided

by Pub. L. No. 103-382 and its subsequent amendments, and by federal regulations implementing that Act, at a campus at which at least 40 percent of the students are educationally disadvantaged. In meeting the costs of providing a compensatory, intensive, or accelerated instruction program under Education Code Section 29.081, Westlake Academy's compensatory education allotment shall be used for costs supplementary to the regular education program, such as costs for program and student evaluation, instructional materials and equipment and other supplies required for quality instruction, supplemental staff expenses, salary for teachers of at-risk students, smaller class size, and individualized instruction.

Education Code 48.104(k).

Sec. 4. BILINGUAL EDUCATION ALLOTMENT

For each student in average daily attendance in a bilingual education or special language program under Subchapter B, Chapter 29, an open-enrollment charter school is entitled to an annual allotment equal to the adjusted basic allotment multiplied by 0.1. Funds allocated under this section, other than an indirect cost allotment established under SBOE rule, must be used in providing bilingual education or special language programs under Subchapter B, Chapter 29, and must be accounted for under existing agency reporting and auditing procedures. An open-enrollment charter school's bilingual education or special language allocation may only be used for program and student evaluation, instructional materials and equipment, staff development, supplemental staff expenses, salary supplements for teachers, and other supplies required for quality instruction and smaller class size.

Education Code 12.104(b)(3)(G), 42.105.

Sec. 5. CAREER AND TECHNOLOGY EDUCATION ALLOTMENT

For each full-time equivalent student in average daily attendance in an approved career and technology education program in grades 7 through 12 or in career and technology education programs for students with disabilities in grades seven through 12, an open-enrollment charter school is entitled to:

1. an annual allotment equal to the adjusted basic allotment multiplied by a weight of 1.35; and
2. \$50 for each of the following in which the student is enrolled:
 - a. two or more advanced career and technology education classes for a total of three or more credits;
 - b. a campus designated as a P-TECH school under Section 29.566; or
 - c. a campus that is a member of the New Tech Network and that focuses on project-based learning and work-based education.

For purposes of this allotment, "full-time equivalent student" means 30 hours of contact a week between a student and career and technology education program personnel.

At least 55% of the funds allocated under this section must be used in providing career and technology education programs in grades 7 through 12.

Education Code 48.106.

Sec. 1. COMPLIANCE WITH GENERAL AND FISCAL GUIDELINES

Westlake Academy Charter School must comply with the Texas Education Agency General and Fiscal Guidelines.

Sec. 2. CHARGING COSTS TO SPECIAL EDUCATION GRANT

Westlake Academy Charter School may charge costs to a special education grant when those costs follow the Westlake Academy Charter School's local written procedures for allowability of costs and meet the following criteria:

- Are reasonable for the performance of the special education grant and are allocable under the applicable cost principles;
- Conform to limitations or exclusions set forth in applicable cost principles or the special education grant agreement as to types or amount of costs;
- Are consistent with policies and procedures that apply uniformly to federally or state-funded activities funded from other sources;
- Are accorded consistent treatment among all grant programs, regardless of funding source;
- Are not included as a cost or used to meet cost-sharing or matching requirements of any other federally or state-funded program in the current or a prior period; and
- Are adequately documented.

Sec. 3. REASONABLE COST

A cost can be considered reasonable if it meets the following standards:

- The cost is of a type generally recognized as ordinary and necessary for the operation of Westlake Academy Charter School or grant performance;
- Restrictions or requirements are imposed for generally accepted sound business practices, arms-length bargaining, federal or state laws and regulations, and grant award terms and conditions;
- Consideration is given to market prices for comparable goods or services for the geographical area;
- Individuals are acting with prudence in the circumstances of responsibility to Westlake Academy Charter School and federal and state government; and
- There are no significant deviations from established practices of Westlake Academy Charter School that may unjustifiably increase grant costs.

Individual screening records may be transferred among schools in accordance with Section 2-d (Access by Other Persons) below.

c) *Immunization Records*

g) ***Assessment Instruments***

The results of individual student performance on basic skills assessment instruments or other achievement tests administered by Westlake Academy are confidential and may be made available only to the student, the student's parent, and to Westlake Academy personnel directly involved with the student's educational program. Copies of the record shall be made available to students transferring to another district. The information may be provided to the student or to the receiving district or to both. Westlake Academy shall respond promptly to all requests for student records from receiving districts.

l) Education Research

Westlake Academy, or a party that has received education records or information from education records, may release de-identified student level data from education records for the purpose of education research by attaching a code to each record that may allow the recipient to match information received from the same source, provided that:

2. The record code is used for no purpose other than identifying a de-identified record for purposes of education research and cannot be used to ascertain personally identifiable information about a student; and
3. The record code is not based on a student's social security number or other personal information.

m) *Authenticating Requestors' Identities*

Westlake Academy must use reasonable methods to identify and authenticate the identity of parents, students, school officials, and any other parties to whom Westlake Academy discloses personally identifiable information from education records.

n) *Transfer Not Permitted*

Personal information from student education records shall be transferred to a third party only on the condition that such party will not permit any other party to have access to such information without the written consent of the student's parent. If a third-party permits access to information in violation of this policy, Westlake Academy shall not permit access to information from education records to that third party for a period of not less than five years.

Westlake Academy shall inform a party to whom a disclosure is made of the requirements of 34 CFR 99.33, unless the disclosure is made pursuant to a court order, lawfully issued subpoena, or litigation; the disclosed information is directory information; the disclosure concerns sex offenders; or the disclosure is made to a parent of a student who is not an eligible student or to a student.

The records shall include at least the name of the person or agency that made the request and the legitimate interest the person or agency had in the information. The record will be maintained as long as Westlake Academy maintains the student's education record. The record of access shall be available only to parents, school officials responsible for custody of the records, and those state, local, and federal officials authorized to audit the operation of the system.

The record shall not include requests for access by, or access granted to, parents of the student or officials of Westlake Academy, requests accompanied by prior written consent of the parent, requests for directory information, or a party seeking or receiving records in accordance with a subpoena or ex parte order.

p) *Right to Amend Records*

The parent of a student whose records are covered by this policy may ask Westlake Academy to amend the student's record if the parent believes it contains information that is inaccurate, misleading, or in violation of the student's right of privacy or other rights. If Westlake Academy decides not to amend the education records requested, it shall inform the parent of its decision and his or her right to a hearing to challenge the content of the student's education records.

If Westlake Academy decides to amend the records as a result of the hearing, it shall inform the parent in writing. If, as a result of the hearing, Westlake Academy decides not to amend the records, it shall inform the parent of the right to place a statement in the records commenting on the contested information and/or stating why the parent disagrees with the decision of Westlake Academy. Any explanation shall be maintained with the contested part of the record for as long as the record is maintained and shall be disclosed whenever the contested portion of the record is disclosed.

q) *Fees/or Copies*

No fee shall be charged to search for or to retrieve the education records of a student. A fee may be charged for copies of education records that are made for the parents or students under this policy provided that the fee does not effectively prevent them from exercising their right to inspect and review those records. Hardship cases shall be dealt with on an individual basis.

DATE ISSUED: 8/8/2022

r) *Records of Students with Disabilities*

Westlake Academy shall permit parents to inspect and review education records collected, maintained, or used for purposes of identifying, evaluating, placing, or educating students with disabilities.

A permanent record of the student's name, address, phone number, grades, attendance record, classes attended, grade level completed, and year completed may be maintained without time limitation.

s) *Annual Notification of Rights*

Sec. 3. DIRECTORY INFORMATION

Certain information about students is considered "directory information" and will be released to anyone who follows procedures for requesting it unless the parent or eligible student objects in writing to its release, within a reasonable time period set by the Superintendent, of receiving notice of FERPA rights. BOARD OF TRUSTEES POLICY**

Policy No. 8.06

Date Board Adopted: **May 4, 2020**

Date Board Amended:

Effective Date: **May 4, 2020**

Policy Category: **Student Services**

Policy Name: **Suicide Prevention & Crisis Intervention Policy**

Policy Goal: The purpose of this policy is to protect the health and well-being of all students by implementing procedures to aid in the prevention, risk-assessment, intervention, and response to students in crisis, including students at risk for suicide. The Academy:

- Recognizes that physical and mental health are integral components of student growth and development.
- Further recognizes that suicide is a leading cause of death among young people.
- Has an ethical responsibility to be proactive in implementing risk-assessment and prevention procedures in an effort to reduce the events of student suicide and other self-harm.
- Acknowledges the school's role in providing an environment that is sensitive to individual and societal factors that place youth at greater risk for suicide and helps to foster positive youth development and resilience.
- Acknowledges that comprehensive suicide prevention and crisis intervention policies include prevention, intervention, and postvention components.

Policy Description: This policy relates to actions that take place in the school, on school property, at school-sponsored functions and activities, on school buses, and at school-sponsored out-of-school events where school staff are present. This policy applies to the entire school community, including educators, school support staff, students, parents/guardians, and volunteers. This policy also covers appropriate school responses to suicidal or high-risk behaviors that take place outside of the school environment.

Definitions: In the course defining the scope of suicide prevention initiatives, the following definitions are employed.

- **At-Risk** - Suicide risk is not a dichotomous concern, but rather, exists on a continuum with various levels of risk. Each level of risk needs a different level of response and intervention by the Academy. A student who is defined as high-risk for suicide is one who has made a suicide attempt,

has the intent to die by suicide, or has displayed a significant change in behavior suggesting the onset of potential mental health conditions or a deterioration of mental health. The student may have thoughts about suicide, including potential means of death, and may have a plan. In addition, the student may exhibit behaviors or feelings of isolation, hopelessness, helplessness, and the inability to tolerate any more pain.

- **Threat Assessment and Management Team** – This team is a group of officials that convene to identify, evaluate, and address threats or potential threats to school security. The Threat Assessment and Management Team initiates a threat assessment when any student makes a threat through statements, gestures, drawings, writings, etc., or if there is concern that a student may be about to act-out violently or engage in self-harm. The trained Threat Assessment and Management Team is directed by the Executive Director and will include:
 1. Westlake Academy Executive Director, as acting administrator
 2. All campus Professional School Counselors (the school mental health providers at the PYP, MYP, and DP levels)
 3. Westlake Town Marshall, as law enforcement representative
 4. Westlake Academy Special Education Coordinator
 5. Other representatives, as appropriate, based on the circumstances related to the threat

- **Self-Harm** - Behavior that is self-directed and deliberately results in injury or the potential for injury to oneself. Self-harm behaviors can be either non-suicidal or suicidal. Although non-suicidal self-injury (NSSI) lacks suicidal intent, youth who engage in any type of self-harm should receive mental health care. Treatment can improve coping strategies to lower the urge to self-harm and reduce the long-term risk of a future suicide attempt.

- **Suicide** - Death caused by self-directed injurious behavior with any intent to die as a result of the behavior.

- **Suicide Attempt** - A self-injurious behavior for which there is evidence that the person had at least some intent to die. A suicide attempt may result in death, injuries, or no injuries. A mixture of ambivalent feelings, such as a wish to die and a desire to live, is a common experience with most suicide attempts. Therefore, ambivalence is not a reliable indicator of the seriousness or level of danger of a suicide attempt or the person's overall risk.

- **Suicidal Behavior** - Suicide attempts, injury to oneself associated with at least some level of intent, developing a plan or strategy for suicide, gathering the means for a suicide plan, or any other overt action or thought indicating intent to end one's life.

- **Suicidal Ideation** - Thinking about, considering, or planning for self-injurious behavior that may result in death. A desire to be dead without a

plan or the intent to end one's life is still considered suicidal ideation and shall be taken seriously.

- **Suicide Contagion** - The process by which suicidal behavior or a suicide completion influences an increase in the suicide risk of others. Identification, modeling, and guilt are each thought to play a role in contagion. Although rare, suicide contagion can result in a cluster of suicides within a community.

Prevention and Intervention: The Threat Assessment and Management Team shall be appointed by the superintendent or designee and shall be responsible for creating suicide prevention guidelines and procedures that include:

- Prevention initiatives;
- Intervention initiatives;
- Postvention initiatives; and
- Staff development initiatives.

All school personnel are expected to know and be accountable for following all policies and procedures regarding suicide prevention. In addition, all staff members shall report students they believe to be at-risk for suicide to the appropriate school counselor or a member of the Threat Assessment and Management Team.

Staff Development: All staff shall receive, at minimum, annual professional development on risk factors, warning signs, protective factors, response procedures, referrals, postvention, and resources regarding youth suicide prevention. The professional development shall include additional information regarding groups of students at elevated risk for suicide, including those living with mental and/or substance use disorders, those who engage in self-harm or have attempted suicide, students who have experienced the loss of a loved one, and those with medical conditions or certain types of disabilities.

The suicide prevention training must use a best practice-based program recommended by the Texas Department of State Health Services (TDSHS) in coordination with TEA. The training may be satisfied through independent review of suicide prevention training material that complies with guidelines developed by TEA and is offered online.

Additional professional development in risk assessment and crisis intervention shall be provided to the Threat Assessment Team and school nurses.

The Academy will maintain records that include the name of each educator who participated in the training and the date of the training on an annual basis.

Publication and Distribution - This policy shall be reviewed annually along with the Academy's Suicide Prevention Guidelines and Procedures. The Threat Assessment Team will post the Academy's Suicide Prevention Guidelines and Procedures as an internal document and provide students, staff and families with procedures on how to reach out for assistance in the Parent/Student Code of Conduct.
