Ladies and Gentlemen,

Tomorrow morning the attached letter will go out via registered mail to individual members of our State congressional delegation and the local newspapers. This letter is a result of my growing frustration with our local delegation's inaction to grant us fiscal authority. I have stated the primary reason why the lack of fiscal authority has a significant impact on personnel recruiting. I have outlined the historical reasons why the district currently does not have fiscal authority. I also mentioned inconsistencies, legal standing, and wrong anecdotal information that our delegation seems to have about our fiscal management prowess. Lastly, I stated my belief that failure to enact fiscal authority may lead to legal action if the full board agrees. You will notice that this open letter will also go to the Island Packet and Island News. I realize that I may have kicked over a can of worms and I will shoulder total blame if that occurs. This letter, as stated, is just one board member's opinion.

Respectfully,

Dick
