Words from the Director

From Shelly Smith

WAY Academy is an alternative education program and it has proven to be a great program for 21st century learners who need a more focused approach.

We accept students from all parts of Genesee County, creating a diverse environment. Our students are finding success in this safe setting and WAY Academy is making a positive difference for students and families!

We are thankful for our WAY Academy community and want to continue to grow. As we look to start new enrollment for the 2023-24 school year, please share your child's successes with others. Let's continue to make a difference and grow our WAY family together.

Now Enrolling NEW Students

WAY Academy Flint is accepting new students for the 2024-25 school year. New students can start our program in August, but the new school year does not begin until September 3rd. New student interviews will begin in June.

To enroll a new student, use this link:

<https://www.wayacademyflint.net/enroll>

OR call our office, 810-412-8655.

SAVE THE DATE!

CAREER DAY 2024

May 14, 9am-11:30am

All students are required to attend during the morning session on this day. Please plan to arrange transportation for this event.

Virtual Day Expectations

There are many virtual days coming up in April due to state testing. It is important that your researcher log into Centric every virtual day and do some work on a project from their learning plan. It is important that they continue their academic progress!
