### Reasons why photos may be rejected:

- Low quality photo (blurry or pixelated)
- Photo is too distant and can't be cropped without losing quality
- Contains anything inappropriate
- Contains a photographer's watermark
- Contains a weapon or dead animal

**Note:** we will use the student body photo for students who do not turn in a portrait. The Crater yearbook is not responsible for portraits turned in late.

---

This is the **photo of the senior** that will be next to their quote in the yearbook. This photo has more flexibility than the senior portrait. Think fun and reflective of the senior's personality. This can be a photo of the senior as a child, with a friend or relative, with a pet, or just having fun.

  - Weapons (including bow and arrows)
  - Dead animals, including fish and deer
  - References to illegal substances/activities
  - Anything school inappropriate (including dress code violations)

## SENIOR QUOTE

---

- **125 characters** maximum – this includes both letters and spaces. Quotes longer than this may be edited.
- **Include the author's name. If there is no author, please indicate "unknown"**
- **The quote should be in the body of the email. Do not send a photo of the quote.**
- **We will not accept quotes that feature:**
  - References to illegal substances/activities
