Our School Goals

Our school goals align with the district strategic plan:

Goal 2- Whole Child: Thriving, Confident, Responsible Individuals

Pride Points

- AVID National Demonstration School and AVID National School of Distinction
- Cambridge International Demonstration Center
- 97%+ participation in Student Led Conference, ensuring nearly every scholar and family is able to meet with teachers to discuss progress and set goals

Area of Focus

- Continue to focus upon positive behavior and support (PBIS) in order to support a safe and welcoming environment for all scholars. Our school expectations are Respectful, Engaged, Postive (REP Fed)!

Goal 4- Content-Area Competence: Mastery of All Subjects

Pride Points

- Our graduation rates have increased significantly over the last six years. Our current graduation rate is 90% in 2023.
- We continue to support multiple pathways and increased oppotunities for students to earn credit.

91.6% of our students completed a dual credit course in 2022.

Area of Focus

- We are focused on providing scholars with feedback on their learning throughout all courses in order to challenge each scholar and meet the needs of all learners for the 2023-24 school year

Community Involvement

We are always seeking parents to support PTSA, the Booster Club, Communities In Schools, and to volunteer. We would like to partner with our parents to better support our scholars' success. For more information, please call our main office.
