PTSA - Volunteers needed for 2024-2025

West is looking for volunteers to fill open PTSA board and committee positions for the 2024-25 school year. We meet only 4 times a year, so this will not be a big commitment, but has impactful results. PTSA coordinates speakers for the general meetings, staff appreciation meals, classroom grants, senior scholarships and fundraisers to help pay for these things. Please consider filling one of these positions:

West is looking for volunteers (parents, grandparents, teachers, students, neighbors) to fill the following open PTSA board and committee positions for the 2024-25 school year:

- VP of Membership – create membership form and advertise
- VP of Ways and Means – oversee fundraising
 - Yard Sign Committee
- VP of Communications – post events and fundraisers to social media
 - Signup Committee – create/coordinate signups for staff appreciation, nurse's pantry, concession volunteers, etc.
- Secretary – record and post meeting minutes
- Reflections and Citizenship committee – school liaison for this program
- Legislation – work with the SMAC Legislative position to help encourage awareness of current legislation and how it affects SMSD.
- DEI advocate – work with the SMAC DEI position to help everyone in the school feel included, respected and supported.

We would very much like to hear from you at smwestptsa@gmail.com

Senior Information

Graduation for our Senior Class 2024 is right around the corner.

The most important task is for our seniors to make sure that they continue to stay focused and apply themselves to classes so that the end of their year is successful and they earn each and every credit.

Seniors have been given graduation information in October and again in January, but if parents didn't see the handout, it is posted in the pdf below.

You may also visit our SM West website under the graduation tab for current information:

<https://smwest.smsd.org/students/graduation>

Or also under the Senior Information tab: <https://smwest.smsd.org/students/senior-information>

Many parents ask about when caps/gowns are delivered and also our "ticket" policy - - - the answers are THERE!!!!

If you have a senior that is interested in trying out to be a graduation speaker or a reader of the roll during the ceremony, please encourage them to see Jennifer Silverstein or Mark Rabbitt.

West Reads

SM West is so very excited to share with our community our West Reads selections.

Each week a different student that might represent one of our clubs/organizations/teams here at West is asked to choose a children's book to read aloud and be recorded. The recording is shared with our elementary feeder schools. This is such a great way to showcase some of the amazing leaders we have in our community and I know the elementary students love seeing the

high schoolers sharing literature with them.

We are excited to continue partnering with YES! for West Reads Video. Mya Williams reads "Love is Loud" by Diane Nash. This book represents the Read Across America theme, Celebrate Diversity. [Here is the Video!](#)

A big Congratulations goes out to Madeline Ampleman, Alayna Beck, Miles Cohen, and Samuel Wilson. This team competed in the NASA Hunch Kwadropus Duster Robot Design and Prototyping competition last semester in their Engineering Design and Development class. The Suction Cup component of their project has been chosen as a Finalist. This means they have the opportunity to share your project with Johnson Space Center in Houston, TX on April 17th, 2024. Another congratulations goes out to this same group for also being named Semi-Finalists in their Duster Arm and Mobility Arm components of the same project.

<https://www.hunchdesign.com/2024-finalist-page.html>

Thank you to everyone who took the time to give these students their time, resources, and support with this project.

Phishing Alert -

Please be advised that we have received reports from families that may have received a call from the "College Board". I direct your attention to the information below:

I received a phone call from someone claiming to work for College Board, asking me to provide personal information or purchase test prep. Is this legitimate?

No. College Board does not make unsolicited phone calls to students or families requesting personal information such as credit card and social security numbers or selling test preparation products. If you've received a call like this, it's likely a scam.

Thank you!

You got into college...

...if you got into 1 college/your top-choice college

NOW WHAT?

- Submit your FAFSA, CSS Profile, state aid forms, etc.
- Apply for external scholarships
- Take out student loans, if you need them...
- ...max out on federal government loans first (those are usually cheaper), before seeking private loans.

Stay on top of remaining documents & deadlines!

- Accept your admissions:**
Most colleges have a deadline (often May/June) for when you need to accept your admissions &/or pay a deposit to secure your spot.
- Submit required documents...**
...like your final high school transcript, ID, financial aid documents, or proof of vaccination.
- Keep track of other deadlines...**
...like when to sign up for orientation or apply for student housing. Often all this info is communicated both via email and in your student portal.

...if you got into multiple colleges

- Decide on the right one!**
- Consider the experience: What matters most to you about your college experience?
- Consider the money: Which college represents the best return on investment?
- Talk it out! Chat with your friends, family, College Adviser, and counselors!

YOU DIDN'T GET INTO COLLEGE

What to do next

Step 1

Acknowledge your feelings, and let yourself grieve (just a bit).

College rejection letters feel awful and sometimes hurtful. Allow yourself a few days to process.

Try to remember: It's not personal!

A college rejection letter is not a rejection of who you are. Your college app didn't 100% represent all the facets of who you are and what makes you great.

Step 2

Make a plan to move forward. Still go to school, just a *different* one.

Consider taking community college classes, and then transfer. This is a common option! 1.4 million students change colleges each year. Plus, going this route could save you money!

Apply to rolling-admissions universities.

Attend a trade/vocational school.

OR...

...take a gap year.

Think of this as an opportunity: Use your gap year to take classes; learn a new skill or trade; volunteer, intern, or work; or travel.

Strengthen your application for the following year. Speak to a College Adviser or counselor if you need help figuring out what would help.

Senior Year is Almost Over!!!

Do you have FAFSA, housing, or enrollment questions?

Are you anxious about your next steps?

Do you feel as if you're forgetting something?

Let's talk!

Schedule a meeting with the College Adviser, Miss Allen!
AubreighAllen@smsd.org

Parents and guardians can schedule too!

ATTENTION SENIORS

Your May 21st Graduation Day seems far away, but the time will go by quickly. Here is a message that was sent to all senior families.

Seniors and Families of Seniors

Graduation information was passed out to seniors on Oct. 3rd.

Please know that the only item that students must order is the cap/gown/tassel/stole unit. You DO NOT need to purchase the Viking Package that is listed for the \$266 or any of the other packages. The only mandatory item is the cap/gown/tassel/stole unit which is listed for \$30 and will have tax/shipping added at checkout.

If you go to the Josten's website and follow along the steps that are listed in the attachment you can pick just the cap/gown unit. **SEE ATTACHMENT**

Please order before Oct. 18, 2023.

All cap/gown units will be delivered to SM West in May and will be distributed to students at the graduation rehearsal the week before graduation.

Each senior also needs to complete this google form so that our Readers of the Roll at graduation know what name to say and how to pronounce the name as students cross the stage. See link below. Please have students complete this form.

<https://forms.gle/Byi29bTjf1safyKeA>

Parking Permits

Sophomores, Juniors and Seniors are able to park on campus at SM West. A parking permit must be purchased and a parking sticker picked up from our Security personnel in the front entrance. Parking is \$50 for the year.

It is extremely important that students only park in assigned areas for students, and not staff parking. Tickets will be assessed by our security staff. All rules and regulations are listed with the parking application. See the PDF below. Also included is a map of West parking.

The circled spots on the map are where students can park.

The X's indicate STAFF parking.

Students are excluded from parking in the staff spaces.

Please refer to parking guidelines and fee structure for parking enforcement.

MacBook/IT - Important

Many of our students were able to pick up their MacBooks during our Early MacBook Rollout.' If you received your device on July 25th, then please make sure to set Chrome as your default browser. Here is a link for instructions:

<https://docs.google.com/document/d/1UCo7L5B9PwmqDECiLayyb7r965hd9M1WxJfgynQgWqU/edit?usp=sharing>

Please make a diligent choice to take care of your MacBook each and everyday.

- **Cracked Screens**

- The screens to the new devices are very delicate. Please remind students not to pick up the device by the screen and do not close the device with something in it.

- **Tech Resource Page**

- We have a Tech Resource Page that assist students with tech issues that arise. Please bookmark this page. Link => <https://sites.google.com/smsd.org/smwtechrescue/tech-issue>

ICT Updates

We want to remind you of a few things now that we are back in the swing of the school year:

1. Your MacBook must have the district issued case on it at all times. (Failure to have the cover in place will result in confiscation of the MacBook.)
2. Please only carry your MacBook with the screen shut and with both hands to keep the machine secure.
3. Do not ever pick up the MacBook by the screen. The LCD is very sensitive and the pressure of your grip will break the screen.
4. Keyboard covers should not be used since non-Apple keyboard covers might be too large and can put pressure on the screens and cause damage.
5. Please don't leave your MacBook in a car overnight.
6. Needed programs can be found on Manager. You will not be able to download programs from the App Store for use on these devices.
7. Downloading VPNs (Virtual Private Networks) or other programs that mask your device on the network are a violation of the Responsible Use Policy you have agreed to. Use of these will result in the confiscation of the MacBook and you may MacBook access for the semester/school year for consistent violations.
8. Due to the MacBook refresh this summer and the cost of the new hardware, the replacement device cost has gone up. Although, the charger cost has dropped. The incident fees have stayed the same (fees reset in high school).
 1. 1st Incident/Damaged Device fee: \$100.00
 2. 2nd Incident/Damaged Device fee: \$150.00
 3. 3rd and Subsequent Incident/Damage Device fee: Actual cost of repair/replacement or \$300.00 whichever is greater.
 4. Apple MacBook Air M1 USB-C Cable Replacement - \$19
 5. Apple MacBook Air M1 Charger Replacement - \$39
 6. Apple MacBook Air M1 Adapter Set Replacement - \$58
 7. Apple MacBook Air M1 Replacement/Lost Device fee - \$1,117.95
9. If you ever need help or support with your device, please review our Tech Rescue Page (<https://sites.google.com/smsd.org/smwtechrescue/tech-issues>). If you are still experiencing issues, then you can submit a Web Help Desk Ticket (<https://support.smsd.org>).

Please reach out if there are any questions or issues. We do work with students and families through this process.

Below you will find some helpful images to assist with Skyward and Canvas.

Message from Food Service

Students are able to purchase breakfast and lunch prepared by our food service staff. Students may also bring sack lunches from home.

SM West does not allow for Door Dash deliveries or for fast food to be delivered to students during the school day.

ONLY SENIORS are allowed to leave campus for lunch - WITH Parent Permission. More information about this privilege will be communicated to seniors soon, but will not begin until potentially after Labor Day.

2023-24 - Child Nutrition Program Meal Benefit Application

Families are encouraged to complete an application for meal benefits – free or reduced priced meals – as part of the Online Verification. The link to the Child Nutrition Program Meal Benefit Application is available on Skyward or the online application is on [School Cafe](#). Families do need to create a School Cafe account if they do not already have one - more information may be located on the [SMSD Food Service Free and Reduced](#) web page. Contact the Food Service office by calling 913-993-9710 for questions on the meal benefit application.

Potential Benefits of Filling out the Application

Families, whose meal benefit application is approved for meal benefits, can receive a breakfast and lunch at the free or reduced price – depending on their qualifying benefit.

Families who complete an application and qualify also generate additional state funds for our schools.

Families who qualify for child nutrition meal benefits, may receive additional benefits such as free/reduced instructional resource fees, transportation fees, and Pre-k enrollment.

Consent for Disclosure and Eligibility

Families are encouraged to complete a Consent for Disclosure form in [Skyward](#) which gives SMSD Food Service permission to share a child's eligibility status information with the programs families designate on the consent form.

Families who are receiving certain types of state assistance, a meal benefit application may not be necessary. If a family is directly certified for meal benefits due to state assistance, Food Service will email a notification of eligibility. If you receive state assistance and have not received a notification of eligibility, call the [SMSD Food Service office](#) before completing a meal program application.

- Bus routes and stop locations will be determined based on those who register for busing. A minimum number of registrations (50 paid) is required in order to offer a route.
- **Annual transportation registration is required for students to receive bus service.**

For more information on Shawnee Mission School District transportation, please visit <https://www.smsd.org/families/transportation> or call DS Bus Lines at 913-384-1190.

In the event there are times throughout the year when routes are running late and

notification is needed at the school and family level, we want to encourage you to sign up for Textcaster notifications. We have previously pushed a number of communications about this to families via school newsletters (with your assistance) as well as through district communications reminding of the availability to sign up for text notifications when routes are running late *or compressed with other buses*. **We encourage you to also sign up to receive text notifications as it is the fastest way to provide notice of any changes.**

Sign up for notifications at the following link: <https://my.textcaster.com/asa/2795> where you can select the route numbers pertaining to your school (you may select multiple bus routes). Additionally, we will do our best to provide you with updates as we receive them.
