QSI International School of Togo
2023-2024
SCHOOL PROFILE

Director: Craig Johnston

Address: Cité OUA 2000 (Titre Foncier #47863 RT)
01 BP 4588
Lomé, Togo

Phone: +228 90 54 37 62

QSI International School of Togo is a member of Quality Schools International (QSI), a consortium of nonprofit college-preparatory schools that uses an American-style, international curriculum. Quality Schools International more than 30 schools around the world with the headquarters located in Malta.

QSI International School of Togo embraces the mastery learning educational philosophy, leading to appropriately challenging instruction within a positive and enjoyable learning environment.

History & Academics

- Founded in 2022
- QSI is organizationally accredited through Middle States Association (MSA)
- American college preparatory curriculum
- Private, nonprofit international school
- Language of instruction: English
- Performance-based curriculum
- Mastery learning pedagogy
- Standardized testing applied from NWEA, MAP growth testing

Enrollment

- 5 students, 5-year-old through 12-year-old.
- Students represent 3 nationalities.

GPA and Rank in Class

Due to the nature of our school and the small class sizes, QSI Togo does not rank students. The cumulative GPA on the student's transcript only reflects courses taken at QSI. Grades from previous schools are not included in the GPA but they are listed on student transcripts.

Faculty

Four full-time teachers and one part-time teacher
Two expatriate teachers are from North America
Two expatriate teachers are from South Africa

MAP Testing

QSI International School of Togo uses MAP testing for students. QSI students worldwide score at or above the U.S. and international school (1400 schools) average on the NWEA MAP test.

QSI International School of Togo
Location: Cité OUA 2000, Lomé
Population: 840,000

Advanced Placement Program

QSI Togo does not yet offer Advanced Placement courses.

Grading

Mastery of each essential unit is evaluated with an A or B (mastery grades). B denotes mastery of learning outcomes at a high level of understanding. A represents mastery where the student demonstrates higher order thinking skills. Mediocre or poor work, resulting in Cs and Ds, is not acceptable, and students will re-engage until they demonstrate mastery. Students who master a unit with a B evaluation may attempt to demonstrate a higher level of mastery at a later time, within that current school year, to change the evaluation to an A. Time periods (quarters, semesters, and terms) are not evaluated. Assessment is continuous and student performance is assessed on learning outcomes and units of study.

Graduation Requirements

The school will offer three diplomas once the high school has been developed.

Academic Diploma with Honors: 24 Carnegie Units (240 QSI Unit Credits)
Requirements are the same as The Academic Diploma with the added condition that accumulated credits include at least two IB certificates or Advanced Placement (AP) courses. A total of 240 credits are required for this diploma.
English (70), Science (30), Technology (10), Mathematics (30), Fine Arts (10), Personal Health (20), Foreign Language (20), Cultural Studies (40), Electives (10)

Academic Diploma: 24 Carnegie Units (240 QSI Unit Credits)
English (70), Science (30), Technology (10), Mathematics (30), Fine Arts (10), Personal Health (20), Foreign Language (20), Cultural Studies (40), Electives (10)

General Diploma-22 Carnegie Units (220 QSI Unit Credits)
*Available to students who experience English language difficulties, time restraints, or other challenges that make it impractical to pursue an academic diploma
English (40), Science (20), Technology (10), Mathematics (20), Fine Arts (10), Personal Health (20), Foreign Language (20), Cultural Studies (30), Electives (50)
