

NMRSD Update April 3, 2024

Budget Presentation

I will host a Zoom Budget Presentation on Wednesday, April 10th, from 6:00 pm to approximately 7:15 pm. The presentation will last approximately 20 minutes, followed by a Q&A session to address pre-submitted questions.

If you wish to submit a question in advance, please email it to info@NMRSD.org by Monday, April 8th, so that we can ensure that our responses are as thorough as possible. When submitting a question, please be sure to include the following in the email text:

1. Name
2. Town
3. Address
4. A specific question you would like asked and answered at this presentation (1 per person due to time constraints)

We will answer as many questions as possible during the meeting, which will conclude at 7:00 PM. Please use the following link to join the meeting:

Request for Community Help

With the help of three seniors at NMRHS, we have launched a financial literacy campaign that will include both a Credit for Life Fair held at NMRHS on April

10th and several sections of Financial Literacy courses at the high school next year.

The goal of the Credit for Life Fair is to provide students with an opportunity to complete a series of activities that will have them make decisions about budgeting and lifestyle choices with the help of experts in various fields. This interactive event has been well-received by many districts and provides an opportunity for members of our community to be involved with the schools at an engaging level.

The organization helping us with the Fair can send some volunteers, but we think it would be more meaningful if we could get as many people from our district communities as possible to participate in this event. We have started conversations with some local businesses, but we have other areas where people can join the experience.

We need volunteer help from the community to assist in the following areas...

**Charitable Giving
Food and Nutrition
Planning for the Future**

**Education and Training
Housing, Furniture, & Utilities**

If you (or someone you know) are interested in participating and would like to learn more, please contact Kevin Cormier in the Curriculum Office at kcormier@nmrsd.org by **April 3**.

North Middlesex High School's Annual Art Show

Join us for an evening of creativity and talent at North Middlesex Regional High School's annual student Art show, scheduled for Thursday, April 25th, from 6-8 p.m. in the high school commons. In addition to the exhibition, our National Art Honor Society will organize a fundraiser featuring a silent art auction. Don't miss out on this inspiring event! For more information, click [here](#).

Project Graduation

Project Graduation is an unforgettable all-night celebration meticulously organized by dedicated parents to ensure a secure and enjoyable environment for our graduating seniors. This annual event, not affiliated with the school, is transformed into a global spectacle with vibrant decorations portraying scenes from around the world. Our graduating seniors will be immersed in an exciting atmosphere filled with entertaining activities, fabulous prizes, and a continuous flow of delicious food throughout the night.

This extraordinary experience is made possible by the commitment of our volunteer parent committee, who work tirelessly to create an unforgettable night for our graduates. Given that Project Graduation is not affiliated with the school, the committee relies solely on donations, grants, and fundraising initiatives to bring this event to life. For more information, please click [here](#) or visit their website at <https://sites.google.com/view/nmrhs-projectgrad>.

NMRHS Partners with College Guidance Network

We are excited to inform you that NMRHS has partnered with the College Guidance Network (CGN) to help high school students and their families with career and college planning. CGN will provide you and your child with a personalized project plan with timelines and checklists based on your child's interests and goals, all supported by content from over 250 nationally recognized college and career experts to guide you through every step in the process. You will also have access to live, online programming from leading admissions, financial aid, career experts, and college admissions officers.

CGN will hold 30-minute virtual Parent Activation sessions for high school families on April 9th at 10 am, April 10th at 2 pm, and April 11th at 5 pm. [Please use this link to join](#).

The NM Patriots Boosters are calling on you to join their team!

As a non-profit organization, the Boosters play a crucial role in supporting the athletic programs at North Middlesex. From awarding scholarships to graduating student-athletes to providing essential assistance to the Athletic Director, your contribution can make a significant impact. They're seeking volunteers to assist with various tasks, including photography, organizing the concession stand, serving on the golf tournament committee, and becoming board members. Whether you can spare just an hour a month or more, your help is invaluable. If you're interested in getting involved, please email nmboosters@gmail.com. Let's work together to make a difference in our athletic community!

NHS Tutoring Program

National Honor Society members dedicate their time to tutoring elementary, middle, and high school students. Tutoring sessions are held in town libraries after school from 3:00 pm-5:00 pm on weekdays and from 10:00 am-2:00 pm on Saturdays. You can find more specific details about days, times, and

locations in the [Google Tutoring Form](#). High school students also have the option for tutoring after school from 2:00 pm-3:00 pm in the Commons or during flex block on Tuesdays and Thursdays. Once a student or parent completes the Google Form, we match them with a tutor and assist in scheduling their first tutoring session.

2024-2025 School Year & School Bus Ridership

As many of you know, FY2025 will be financially challenging for many reasons.

As we strive to be as fiscally responsible as possible, our primary goal is to manage the resources we have at our disposal as efficiently as possible.

One of our main challenges is school bus transportation and its associated costs. As a regional school district, we are required to provide transportation for all students grades K-12 who live two (2) miles or more from their assigned school. However, due to a lack of sidewalks, we have always worked to provide families with school bus transportation who live within one (1) mile of their assigned school when it is feasible. As you fill out the survey, please do so by assuming that if you have previously used school bus transportation, you will be permitted to do so moving forward.

Since the pandemic, the number of students driven to school by family members or friends has increased dramatically, resulting in buses that are not near capacity.

After discussions with the Massachusetts Department of Elementary & Secondary Education and the Massachusetts Association of Regional Schools, NMRSD will require students who would like to utilize school transportation to **SIGN-UP** so that we only contract for the number of buses we require. If a student does not sign up, s/he will not be permitted to ride the bus. If a family changes its mind and takes advantage of school bus transportation, there may be a “waiting” period if a seat or bus is unavailable.

Please know that this is not meant to make getting students to and from school more difficult; rather, it is meant to manage our funding resources to serve our students best while keeping our taxpayers in mind.

All families who will have children in grades K-11 for the 2024-2025 school year **must** complete this by clicking the [survey](#) by Friday, April 26th.

Outstanding School Lunch Balance

Townsend Ecumenical Outreach (TEO) recently contacted the district with an offer to help families who may have an outstanding school lunch balance.

Families in this situation are encouraged to contact Kym at 978-877-6002 or info@teo-ma.org for support in satisfying outstanding balances.

NMRHS Track

Beginning Monday, March 11th, the high school track will be open Monday through Friday from 5:30 am - 7:00 am for the remainder of the school year (provided we do not get additional snow). The only rules for using the track are:

1. No food or drink other than water
2. No pets
3. No bikes or strollers

Parking will be in a designated area in the lot near the field and closest to Route 119. Please utilize the coned area, as all other spots are reserved student spots.

Our facilities and grounds team will monitor this as they prepare for the day. If additional supervised opportunities become available, I will look to add additional hours in the late afternoon/evening.

If there are retired community members who would be interested in volunteering in the late afternoon/early evening for a potential tax credit, please reach out to: info@nmrsd.org.

MPY Parenting Solutions Library

Massachusetts Partnerships for Youth (MPY) is pleased to announce its new, free [***MPY Parenting Solutions Library***](#). MPY is offering the Library in partnership with Peace At Home Parenting Solutions, a non-profit located in Mansfield, Connecticut. Peace At Home Parenting Solutions is a dynamic hub of trusted knowledge and compassionate support that inspires parents to create positive change for their children, their families, and themselves. Through this new partnership, MPY is pleased to offer proven resources to help students' families thrive.

Peace At Home Parenting Solutions specializes in empowering parents with evidence-based strategies to foster nurturing connections that safeguard their children's mental well-being. When parents grasp the interconnection between the brain, body, and behavior, they experience reduced stress levels, resulting in less stress for their children.

The Peace At Home Parenting Solutions team, comprised of experts with advanced degrees, stays abreast of the latest advancements in child development. With more than 30 specialists focused on child and adolescent development, including specific issues such as difficulties in school, mental

health challenges, neurodiversity, LGBTQ+ identity formation, handling racism, navigating grief, and other matters parents and our partners identify. These experts present easy-to-use strategies for long-lasting change.

Parents can watch or just listen to experts who get right to the point solving big and small challenges. The 24 library presentations focus on the topics below. Each presentation includes a 10-minute video and handouts.

- Inspire School Success for Elementary, Middle, and High School Students
- Parenting Principles for Progress Not Perfection
- Mental Health Knowledge and Skills
- Support Your Anxious Child Library
- ADHD and Autism: How to Help Your Child Thrive

The Home Parenting Library can be easily accessed using the link on MPY's [home page \(www.mpyinc.org\)](http://www.mpyinc.org). No login or passcode is needed.

NMRS Scholarship Foundation

Get ready to hit a home run with the NMRS Scholarship Foundation's Spring Raffle! Purchase a \$10 raffle ticket to win four tickets to the Boston Red Sox vs. LA Angels games on April 13th at 4:10 p.m. and April 14th at 1:35 p.m. But that's not all – the lucky winner for each game will also receive a \$100 Visa Gift Card! Don't miss the opportunity to participate in this exciting event and contribute to a great cause—every raffle ticket is a valuable donation to the NMRS Scholarship Foundation.

The NMRS Scholarship Foundation invites you to support its annual scholarship drive for the class of 2024. If you or your business want to contribute a scholarship to a graduating NM senior this year, please reach out!

<https://nmrsscholarshipfoundation.weebly.com/>

Established in 1964, the Foundation has granted over a million dollars to NMRHS graduating seniors to advance their education. We are thrilled to commemorate 60 years of assisting NMRHS students!

As NMRHS parents, community members, student representatives, and school personnel, we are committed to fundraising to support our senior graduates as they pursue higher education. Through various initiatives such as fundraisers, memorial and business scholarships, and contributions from the community, we consistently raise over \$60,000 each year. These funds are then allocated as scholarships for North Middlesex Regional High School seniors seeking further education at technical or vocational schools, two-year colleges, four-year colleges, or universities.

Student Opportunity Act

In 2019, Massachusetts passed the Student Opportunity Act, which focused on funding districts serving students with the greatest needs. The law included a critical provision requiring every district to set clear targets for improving disparities in achievement among student groups and develop a three-year plan to implement evidence-based strategies to meet their targets. The North Middlesex Regional School District is pleased to share its draft Student Opportunity Act (SOA) plan. This plan will focus on student learning and addressing disparities between specific student populations and our overall student data for the next three years (through June 2027) with the overall goal of providing ALL of our student learners with meaningful and powerful experiences to maximize their growth academically, socially, emotionally and behaviorally.

Based on public data available from the Massachusetts Department of Elementary and Secondary Education, the enrollment size of each subgroup, and the overall impact that the various indicators (absenteeism, suspensions, ninth-grade passing, dropouts, and graduation rates) were having on academic performance (MCAS), we decided to focus our work through this plan on students with disabilities.

Our Theory of Action is: If we identify and utilize research-based approaches to decrease school suspensions and identify alternative pathways for students interested in dropping out for our students with disabilities subgroup, then we will see increased performance on state testing (MCAS) and an increase in the percentage of students with disabilities that meet the competency determination and graduation requirements within three years.

The District has selected the following Evidence-Based improvement areas to address the disparities in learning experiences and outcomes for the 'Students with Disabilities' subgroup. Funding to support these efforts is supported through both the curriculum office and special education department budgets:

- **1.1A - Promoting Integrated Services for Student Wellbeing** - Integrated Services for Student Wellbeing
- **1.2A - Implementing a multi-tiered system of supports (MTSS) that helps all students progress both academically and in their social, emotional, and behavioral development:** Effective Student Support Systems
- **2.2B - Using the MTSS process to implement academic supports and interventions that provide all students, particularly students with disabilities and multilingual learners:** High Leverage Practices for Students with Disabilities

The draft plan will be presented to the North Middlesex School Committee on March 14, 2024. The [presentation](#) and [draft plan](#) are available for your review. If you have any suggestions for the plan, email Dr. Gary Burboa-Reese at gburboareese@nmrsd.org

Parents/Caregivers - Who to Contact

Very often, students and/or caregivers are unsure who to contact in the North Middlesex Regional School District in case of questions, concerns, or problems. Please direct these to the appropriate contact(s) below to ensure a prompt response.

*Classroom issues...*contact the teacher first. If you have additional concerns, contact the School counselor. If you are still concerned, contact the building Principal.

*Scheduling issues...*contact the School Counselor first. If you have additional concerns, contact the building Assistant Principal/Principal.

*Curriculum issues...*contact the appropriate teacher first. If you have additional concerns, contact the building Principal. Finally, contact the Assistant Superintendent's office.

*Special Education issues...*contact the appropriate teacher(s) first and then your son/daughter's special education liaison (listed on your child's IEP), if warranted. If you have additional concerns, contact the building Assistant Principal/Principal. Finally, contact the Student Services office.

*Behavioral issues...*contact the teacher first. If you are still concerned, contact the Guidance Counselor and then the building Assistant Principal/Principal.

*Social, emotional, personal, health, or family issues...*contact the School/Adjustment Counselor or the nurse to discuss your concerns with them. If necessary, also contact the building Assistant Principal/Principal. Contact the Student Services office if you feel your concern has gone unresolved.

Homeless or temporary housing (McKinney Vento Status): Contact the Guidance Counselor and inform them of your status. In some instances, they may direct you to the building Principal. Finally, contact the Student Services office. The homeless liaison (Brad Brooks) will be notified of the status, and transportation will be arranged through his office (if needed).

*Athletics issues...*contact the coach first. If you are still concerned, contact the Director of Athletics. Finally, contact the Principal.

*Attendance issues...*contact the School Counselor first. If attendance issues continue, contact the building Assistant Principal/Principal.

*Report Cards & Transcripts...*contact the School Counselor first. If you have additional questions, contact the building Assistant Principal/Principal.

2023-2024 School Committee Meeting Dates

For now, all sub-committee and most school committee meetings will continue to be virtual as we continue to receive feedback that it is more convenient for the public to attend. Attendance at school committee meetings is one of the best ways to remain current with district policy, budgetary matters, and news.

Unless noted otherwise, all meetings are held on Thursday evenings and begin at 6:00 p.m. For the full docket of meetings, please click on the link below:
