

The Steamboat Soccer Club is the second-largest youth sports program in the Yampa Valley, serving over 1000 athletes each year. No player is ever turned away from our program. With free shoes and jerseys on rotation, sponsorships, and scholarships, SSC will always find a way to serve an athlete wishing to participate in soccer.

Mission:

To instill a lifelong passion for soccer in a safe, fun, and inclusive environment, supporting players to reach their full potential in life.

Recreational

Our soccer program is for children aged 5-14. It's a fun and supportive program with two sessions per week. The first session focuses on skill development through play-practice-play, and Fridays are "Game Day" for competition. We have programs in Steamboat, SOROCO, and Craig.

Academy

If you are a U9 or U10 player who has a passion for soccer and wants to improve your skills, then the Academy program is perfect for you. This program is specially designed for players who are committed to training more and want to experience what competitive soccer is like.

COMPETITIVE

The Competitive Program is for U11-U19 players seeking higher-level competition with a paid coach. Games are played home and away with teams from Colorado and Wyoming. Families must travel to Denver or mountain towns for away games. Player placement is yearly and players register for the Fall & Spring Seasons.

June Small Sided Games (SSG)

For better soccer training and fun, try Small-Sided Games (SSG). Fewer players mean more touches, decisions, and game scenarios. 3v3, 4v4, and 7v7 options provide different challenges to help your player improve their skills.
