Safety: Student Dismissal Precautions

The school district is legally responsible for the safety of its students during the school day. Therefore, each building Principal will establish procedures to validate requests for early dismissal, to assure that students are released only for proper reasons, and only to authorized person(s).

Staff members shall not excuse any student from school prior to the end of the school day, or into any person's custody without the direct prior approval and knowledge of the building Principal or their designee.

In keeping with these precautions, the following procedures will be adhered to:

- The building Principal or designee shall not excuse a student before the end of the school day without a request for early dismissal by the student's custodial parent or guardian.
- Telephone requests for early dismissal of a student shall be honored only if the caller can be positively identified as the student's custodial parent or guardian.
- Only the custodial parent has the right to remove the student from school property. Only a verified note from the custodial parent will be cause for exception to this provision.
- Students are only released (Middle School) to responsible adult upon signing the student out.

Additional precautions may be taken by the school administration, appropriate to the age of students, and as needs arise. Parents shall provide documentation concerning parental rights, including divorce decrees and restraining orders, if any.
