

2023-2024 Schoolwide Plan

TANGIPAHOA
PARISH SCHOOL
SYSTEM
EST. 1896

**Amite Elementary Magnet School
Pre K – 4th Grade**

This schoolwide plan meets the requirements as outlined in the Every Student Succeeds Act (ESSA).

School Amite Elementary Magnet

SPS 66.8

Letter Grade C

Check all that apply (see CIR/UIR chart in Crate):

CIR - Comprehensive Intervention Required

Schools that have been D- or F- rated for three consecutive years or two years for new schools
Schools that have a graduation rate less than 67%

UIR - Academic - Urgent Intervention Required for Academics:

Schools earned a score for one or more student groups that is equivalent to an "f" for at least two years

Economically Disadvantaged

Hispanic/Latino

Black

White

Students with Disabilities

English Learners

Two or more Races

UIR - Discipline - Urgent Intervention Required for Discipline:

The out-of-school suspension rate is two times the national average for the past three years

Frequently Ordered Title I Supplies

Place an "X" in the box to applicable areas. Enter estimated costs.

Item/s Needed All items purchased must be for student use to support Tier I core curriculum or Parent and Family Engagement Activities	Parent and Family Engagement	Core Instruction Interventions Support and Extended Learning/Other Strategies	Professional Development	Estimated Cost
Printing Supplies: Paper, Colored Paper, Card Stock, Ink and Toner (not for office use), Masters, Staples	X	X	X	\$5,000
Copy Machine, Duplicator, Printer	X	X	X	\$5,500
Service Contracts, Repair Cost, Rebuild Kits	X	X	X	\$1,000
Computer, Mobile Charging Stations, Chromebooks, Smartboard/Boxlight, Ipads/Cases, Projector, Document Camera, Bulbs	X	X	X	\$10,000
Mice, Headphone, Keyboard, Earbuds, USB Cord, Cat Cable, Adaptors		X		\$1,000
Laminator, Laminating Film		X		\$2,000
Poster Maker, Paper for Poster Maker, ink, Die-Cut Machine, Dies		X		\$1,500
Accelerated Reader (AR) Licenses		X		\$5,300
LEAP 2025 Test Prep Materials, ACT Prep Materials, Customer Service Exams for High Schools		X		\$0
Must be used by STUDENTS Binders, Manila Folders, Folders, Pocket Folders, Loose Leaf Paper, Tab Dividers, Page Protectors, Primary Writing Paper		x		\$1,000
Must be used by STUDENTS General Supplies: Pens (stick pens only), Pencils, Colored Pencils, Markers, Colored Markers, Highlighters, Crayons, Paperclips, Stapler, Staples, Tape, Scissors, White-Out, Post-it-Notes, Chart Paper, Sentence Strips, Bulletin Board Paper, Glue, Glue Sticks, Poster Boards, Tri-Fold Presentation Boards, Index Cards		X		\$3,500

Must be used by STUDENTS Dry Erase Supplies: Individual Lap Boards, Erasers, Cleaner, Markers		X		\$1,000
Science Materials: PHD Refill Kits, Books from PHD Supplemental List, Open SciEd Materials, Other Tier I Science Materials		X		\$4,000
Math Materials: Ruler, Protractor, Set Squares, Compass, Graph Paper, Calculators, Math Center Materials, Math Manipulatives, Measuring Items, Other Tier I Math Materials		X		\$2,000
ELA Materials: Sentence Strips, Easel Pads, Post-It-Notes, Other Tier I ELA Materials		X		\$1,000
Social Studies Materials: Globes, Maps, Individual Student Dry Erase USA Maps,		X		\$1,300
Parent and Family Engagement Supplies: Communication Folders, Planners, Folders, Card Stock, Poster Boards, Colored Paper, Construction Paper, Copy Paper (several cases only), Post-It-Notes, Dry Erase Markers, Lamination, Refreshments (15% of total allotment per year), consumable make and take supplies such as glue, scissors, permanent markers, markers, stick pens, Take Home Workbooks (tied to Core Curriculum)	X			

1.1 Family and Stakeholder Engagement

The SWP/SIP should be developed with the involvement of parents and other members of the community to be served, as well as individuals who will carry out the plan, including teachers, principals, other school leaders, paraprofessionals, and, if appropriate, specialized instructional support personnel, and school staff. If the plan relates to a secondary school, students may be included and other individuals determined by the school.

The SWP/SIP shall be available to the district, parents, and the public, and information contained in the plan shall be in an understandable and uniform format and, to the extent practicable, provided in a language that the parents can understand.

Each school are required to meet ESSA requirements, including the development and implementation of a parent and family engagement policy that includes a school-parent compact outlining shared responsibility for high student academic achievement.

Describe how the school prepared a diverse group of families/parent leaders (including parents of English Learners and student with disabilities) to provide input on the development and evaluation of the schoolwide plan by offering or connecting families/parents to training on analyzing data or curriculum and assessments:

- End of the Year ELA and Math District Checkpoint performance band and sub-group data for all grades disseminated and displayed in a labeled pie chart and the identification of a strength and opportunity of growth modeled by Stakeholder meeting facilitator (Curriculum Facilitator).
- OnCourse Discipline data disseminated and presented in bar graphs, each bar graph explained in detail, and a model of identifying a strength and opportunity of growth modeled by Stakeholder meeting facilitator (Curriculum Facilitator).
- Parent Survey and Teacher/Staff Survey results analyzed and disseminated by ILT (Instructional Leadership Team) members and strengths and opportunities of growth presented to Stakeholders.
- Referred to 22-23 SWP and identified and presented goals reached.
- Instructional Support Coach modeled reviewing data in Comprehensive Needs Assessment (CNA) and rating effectiveness of 21-22 SWP. Stakeholders reviewed data and determined effectiveness into mixed groups assigned specific sections of the SWP. Groups presented their effectiveness ratings and discussed data used to determine effectiveness ratings
- The school website, newsletter, social media sites and daily broadcast serves as a link which provides parents an opportunity to give constructive feedback about the school.

Provide examples of changes made to the schoolwide plan based on input from families/parents:

- AR (Accelerated Reader) and Amplify Reading/mCLASS for Interventions.
- Addition of school-wide Intervention time to be implemented during the 2023-2024 school year to Interventions for At-Risk Students section.
- SBLC meetings changed to SAT meetings (weekly).
- Addition of PFE activities that meet the criteria for PFE, which is to provide materials and training to help parents work with their children to improve academic achievement.
- Addition of student opportunities to participate in various clubs; such as, 4-H, Beta Club, Choir, Yearbook, Broadcast Club.

Describe how parents and community stakeholders are included as decision makers in a broad spectrum of school decisions:

- PTO Meetings
- PFE Committee Meetings
- SWP/Stakeholder Meetings
- Comprehensive Needs Assessment Survey
- PBIS: Monthly meetings are held to discuss school-wide discipline goals, positive reinforcements, and community involvement.
- SWP Meetings: Quarterly meetings are held to discuss programs, which will bring the community, school, and families together to help every student achieve their potential. Parents are directly involved in the decision-making process by informing families of community programs for students such as mentoring, tutoring, and business partnerships (Held quarterly; August, October, January, March)
- Data Analysis Review: September 2023 presentation to parents and community. All stakeholders review the SWP prior to submission to supervisors.

Describe how the school communicates information to parents regarding the strategies and activities in the SWP, curriculum, assessments, student progress, etc.:

- Home Communication Folders: Used to inform parents of student's progress within grade-level curriculum (graded assignments) and important school-wide information.
- Monthly Newsletters: Information is provided about classroom curriculum and important dates.
- Parent Family Engagement TV around campus: Used to communicate between school and the classroom stakeholders: parents, students, teachers, and community members.
- Agendas: All grade levels use agendas to communicate with parents about classwork, homework, and projected assignments for academic purposes.
- School Website: updated information is provided regarding events. Easy access to student progress center, school board website, teacher web pages are provided.
- School Broadcast: Video used to inform parents of student's progress within grade-level curriculum (graded assignments) and important school-wide information.
- School Messenger: Robo-Call used to inform parents of student's progress within grade-level curriculum (graded assignments) and important school-wide information. Different languages could be utilized to reach Hispanic parents if needed.
- Social Media: The school utilizes Instagram, Twitter, and Facebook as a means of communicating with parents. These social media accounts also allow for two-way communication since parents and students are able to message each account accordingly.
- PTO (Parent) Meetings (Monthly September 2023- April 2024)- general updates of how parents can support learning at home, analyzing school data, and volunteer opportunities
- Volunteers for school-sponsored curriculum-related events (Family Learning Night)
- IEP Meetings
- Teacher/Parent Conferences
- Meet and Greet
- Parent Night
- Stakeholders meetings

Translation Services:

Schools should ensure that all staff communicate with LEP families in a language they can understand and notify LEP families of any program, service, or activity communicated to English-speaking families, to the extent practicable.

(Title VI of the Civil Rights Act of 1964)

Parents in need of translation services to discuss student progress, assessment results, student concerns, etc. will contact the school and a conference with a translator arranged.

Translator APP will be utilized

Describe specific evidenced based strategies/activities to assist parents and families by offering or connecting families/parents to training on analyzing data or curriculum and assessments. For example, include activities that provide information on state academic standards, state and local assessments, and how to monitor a child's progress. Also, describe activities that provide materials and training to help parents work with their children to improve academic achievement.

PARENT/FAMILY ENGAGEMENT ACTIVITY	SWP GOAL(S) ADDRESSED	BUDGET (S) USED TO SUPPORT ACTIVITY (must be reflected in the budget in the Consolidation Application):	ITEMS TO BE PURCHASED TO SUPPORT ACTIVITY	EFFECTIVENESS
<p>Parent Family Engagement Activity 1 and 2:</p> <ul style="list-style-type: none"> August Meet and Greet: This is an opportunity for parents and students to meet their child's teacher for the 2023-24 school year. Parents will be instructed on how to access instructional resources, teacher expectations for student performance within the grade-level curriculum, positive discipline, and homework procedures. This event will be held Wednesday, August 9, 2023 4:00-6:00. September Open House: This is an opportunity for parents and students to meet their child's teacher for the 2023-24 school year. Parents will be instructed on how to access instructional resources, how to access/analyze student data, and strategies for helping students with homework. 	<p>SWP Goal (s): 1,2,3,4,5,6,7</p>	<p>Budget Decisions/Coordination:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Title I <input type="checkbox"/> Title II <input type="checkbox"/> Title III <input type="checkbox"/> Title IV <input type="checkbox"/> LA4 <input type="checkbox"/> IDEA <input type="checkbox"/> Homeless <input type="checkbox"/> General Fund <input type="checkbox"/> Perkins <input checked="" type="checkbox"/> Other 	<p>Items Needed:</p> <p>Computers Smartboard Ink Toner Microphone Paper Decorations Colored Paper</p> <p>Estimated Cost: \$500</p>	<p>Effectiveness Measure:</p> <p>Sign-in sheets Agenda Photos</p>

<p>Teachers will instruct parents how to read iReady and mClass data and view activities students are working on. Teachers will share online resources parents can use to help monitor students' progress throughout the school year. Teachers will discuss expectations for student performance within the grade-level curriculum, positive discipline, and homework procedures. Book Fair will be open for families to shop with their children during this event. This event will be held Monday, September 11, 2023 from 5:00 -6:30</p>				
<p>Evidence-based Practice: (provide link(s) for the research used to support this strategy, e.g. IES Practice Guide/What Works Clearinghouse):</p> <p>https://files.eric.ed.gov/fulltext/EJ1156936.pdf</p>				<p>Evaluation / Effectiveness Results (guide revision to the SWP):</p>

1.2 COMPREHENSIVE NEEDS ASSESSMENT

To ensure the schoolwide plan best serves the needs of all students, especially high need students who are failing, or are at-risk of failing, the school must conduct a comprehensive needs assessment. The results of data analysis must guide strategies to improve academic performance and close achievement gaps.

- **Provide outcomes of the school’s comprehensive needs assessment, as well as a description of the data sources used in the process. Finding should include detailed analysis of all student subgroups; an examination of student, teacher, school, and community strengths and needs; a summary of priorities that will be addressed in the schoolwide plan.**
and
- **Use the Comprehensive Needs Assessment to develop a comprehensive plan for the entire school. Take into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those children who are failing, or are at-risk of failing, to meet the challenging State academic standards and any other factors as determined by the school and District.**

OVERALL STRENGTHS Listed IN CNA	OVERALL WEAKNESSES LISTED in CNA
2nd grade students showed the highest percentage of students scoring at or above level on mClass in the Spring.	Behavior problems interfere with class instruction
ELA and Math were a Level 2 on the LDOE Curriculum Implementation Scale.	Consistency among faculty and administration is needed when it comes to the implementation of discipline procedures.
After completing the curriculum implementation scale to our Tier 1 curriculum, we found that all teachers were implementing and using Tier 1 activities and materials during instruction.	PBIS and the reward system need revision to ensure that the committee meets at least once a month to discuss discipline, rewards, fundraisers, and teacher compliance.
70-75% of students in grades PreK-4 showed progress on the EOY Benchmark Assessment in both ELA and Math.	A Tier 1 Social Studies curriculum is needed to ensure that students in grades K-4 show improvement on the LEAP and EOY Assessments.
Kindergarten showed the highest percentage of students scoring at or above the district average on the end of the year ELA and Math Benchmark Assessment.	20% of 3rd grade students scored Mastery or Advanced on LEAP 2025 in ELA with 3% of these students scoring Advanced.
86% of students feel supported through their relationships with friends, family, and adults at school.	11% of 3rd grade students scored Mastery or Advanced LEAP Math with 0% of these students scoring Advanced.
There was a 60% decrease in referrals in 2022-2023 school year compared to 2021-2022 school year.	62% of students in grades Pre-K through 4th grade were chronically absent this school year.

Science was a level 1 for 3rd grade and level 0 for 4th grade on the LADOE Implementation Scale. Incorporation of more extended response tasks and written explanations is needed in the classrooms.

NARRATIVE SUMMARY OF COMPREHENSIVE NEEDS ASSESSMENT FINDINGS

Summarize the results and conclusions from the comprehensive needs assessment, including the school-level results for applicable data points listed under critical goals in Believe to Achieve: Educational Priorities, e.g. percentage of students on or above grade level in literacy by subgroup.

Narrative Summary from Comprehensive Needs Assessment:

Amite Elementary Magnet School serves 412 students in grades Pre-kindergarten through fourth grade with 93.6% Economically Disadvantaged students. Amite Elementary School has a SPS score of 66.8. Students in grades Pre-K -2nd grade are scoring significantly better on benchmark assessments compared to students in 3rd-4th grade. LEAP 2025 shows a 4-point decrease in overall scores in ELA and a 8-point decrease in Math for 3rd & 4th grade. The ELA and Math LDOE Curriculum Implementation Scale scores were 2. Additionally, Science was a level 2 and Social Studies was a level 1 on the LDOE Curriculum Implementation scale. A focus on bridging the gaps between proficiency in core subject areas from the primary grades to the LEAP grades is a critical next step toward academic improvement. PBIS data and survey results indicate a positive learning environment and climate. Strengths include 90% of students with zero out of school suspension and 81% of families responded favorably to their child having a positive perception of the amount of academic and social support that they provide their child with outside of school. Increasing parent/family involvement at Amite Elementary Magnet School is a priority, as 48% of families responded favorably to how well the activities offered at your child's school match his/her interests.

PRIORITIES IDENTIFIED IN THE COMPREHENSIVE NEEDS ASSESSMENT RESULTS

- Meet as a leadership team to create a long-range plan for the first semester of collaborations centered on teaching students how to respect one another. Also at this time the leadership team will discuss what this will look and sound like and the materials needed to address this need. Teacher leaders will present a quick model of what each collaboration will look like a week before the scheduled collaboration to get the leadership team members input. Leadership team members will begin observing teacher to teacher, teacher to student, and student-to-student interactions to see if the plan is working then make changes accordingly.
 - a. Survey teachers and students a few months after teaching these positive behaviors to see if their attitude and level of respect for one another has changed and if not, what can be changed or tweaked to help them achieve their goal (Treating one another with respect.)
- Decrease behavior incidents within the classroom.
 - a. Review discipline data from last school year to determine what teachers and or students may need support at the start of the school year. Prepare a presentation to discuss school wide rules and procedures, major and minor behaviors and referrals that can be presented to faculty and staff at the beginning of the school year.
 - b. Continue to review discipline data periodically and make changes as needed. Survey faculty and staff later in the school year to determine if they think faculty and staff have become more consistent with the implementation of discipline procedures and if not reconvene with the leadership team to discuss what changes MUST take place to meet this goal.
 - c. Revise our PBIS Team, reward system, how we view data and how often we meet to review data.
- Meet with the leadership team to discuss dates when Parent and family engagement activities will take place throughout the 2023-2024 school year. Create a plan for how we will keep parents informed about their child's learning and progress.
 - a. Survey parents during Parent and family engagement activities to see if their opinions about keeping them informed of their child's progress and success has changed and if not there will be a parent suggestion box available for parents to leave their concerns and or

suggestions for improvement. These responses will be read during faculty meetings and discussed in leadership and collaboration meetings when needed.
<ul style="list-style-type: none"> • Increase effective implementation of science and social studies curriculum.
<ul style="list-style-type: none"> • Increase the percentage of students scoring Mastery and Advanced in ELA, Math, Science, and Social Studies.
<ul style="list-style-type: none"> • Increase the number of students missing fewer than 15 days.
<p>DATA SOURCES- List all Data sources analyzed in the Comprehensive Needs Assessment (see instructions in Title I Crate Section 2): Data collected and analyzed from multiple sources including Grades 3-4 LEAP 2025, District Benchmark, LADOE School Report Card, Benchmark Assessments for K-2, TS Gold for Pre-K, Formative Assessments, Report card grades, Panorama Surveys, AR and STAR. Positive Behavior Intervention Support (PBIS) Program, PBIS Digital Rewards Data, OnCourse Discipline Data Reports, Attendance and Suspension Reports. The LDOE Curriculum Implementation Scale was used to evaluate the implementation of curriculum per core subject area at each grade level.</p>
<p>SCHOOLWIDE PLAN GOALS</p>
<ul style="list-style-type: none"> • <i>Goals - Specific, Measurable, Achievable, Results-focused, and Time-bound</i> • <i>Academic Goals Aligned to the Most Current School Data Analysis</i> • <i>Must Include Subgroup (s) Goal (s)</i> • <i>Aligned to District Goals</i>
1. PBIS committee will meet once a month to discuss discipline, rewards, fundraisers, and teacher compliance. By the end of 2024, AEMS will show 7% decrease in referrals in each grade level.
2. In the area of ELA, the percentage of students in grades K-3 (general education and students with disabilities), who take the ELA end of the year district benchmark assessment will score no more than 10% below the district average through the use of Tier 1 curriculum material.
3. In the area of Math, the percentage of students in grades K-3 (general education and students with disabilities), who take the Math end of the year district benchmark assessment will score no more than 10% below the district average through the use of Tier 1 curriculum material.
4. In the area of ELA, 50% of students (general education and students with disabilities), in 4th grade will meet their expected growth target on the Spring 2024 LEAP Test through the use of Tier 1 curriculum material.
5. In the area of Math, 50% of students (general education and students with disabilities), in 4th grade will meet their expected growth target on the Spring 2024 LEAP Test through the use of Tier 1 curriculum material.
6. In the areas of Science and Social Studies, 30% of students (general education and students with disabilities), in grades 3-4 will score basic or above on the Spring 2024 LEAP Test through the use of Tier 1 curriculum material.
7. The implementation of SEL will decrease the number of classroom referrals by 10 from 28 to 18 by the end of the 2023-2024 school year.
8. Increase the number of students missing fewer than 15 days from 62% to 65% by 2023-2024 school year, based on the student's information system.
9. Increase the student achievement for 25% to at least 50% of Hispanic students scoring Proficient or Above on ELA EOY Checkpoint by the end of the year 2023-2024 according to the EOY Checkpoints.

1.3 STRATEGIES FOR IMPROVEMENT

Provide a description of schoolwide strategies that the school is implementing to:

1. Use methods and instructional strategies that strengthen the academic program in the school
2. Increase the amount and quality of learning time
3. Help provide an enriched and accelerated curriculum, which may include programs, activities and courses necessary to provide a well-rounded education
4. Include interventions and strategies to increase student achievement in underperforming subgroups.

Be sure to address all four strategies and identify the Believe to Achieve: Educational Priorities the school will target.

BELIEVE TO ACHIEVE: EDUCATIONAL PRIORITIES

A school implementing a schoolwide model should align schoolwide plan strategies to Believe to Achieve: Educational Priorities, analyzing school-level data in comparison to state-level data to drive the process and track performance. The educational priorities include the following:

1. Ensure every student is on track to a professional career, college degree, or service.
2. Remove barriers and create equitable, inclusive learning experiences for all children.
3. Provide the highest quality teaching and learning environment
4. Develop and retain a diverse, highly effective educator workforce.
5. Cultivate high-impact systems, structures, and partnerships

Recruit Effective Teachers, Particularly in High Needs Subjects/Schools to address high need students who are failing or at-risk of failing and students with diverse needs:

- School Administrator will attend and interview teachers at the District Transfer Fair and Job Fair events to fill openings at their school.
- The district website advertises teacher openings.
- District leaders attend recruitment fairs at local college and universities in the fall and spring.
- Participate in the Teacher Residency Pilot Program through SELU where select education majors participate in 1-year internships.
- The TPSS provides an alternate certification program.
- Praxis workshops are available for TPSS faculty.
- Current TPSS faculty are eligible to earn stipends for referring certified teachers to our district.
- Placement of student teachers through local universities.
- A district created applicant list is available for principal review, interview and recommend for hire.

1.8 STUDENT TRANSITION

Describe the strategies for assisting students in the transition from preschool to kindergarten, elementary to middle school, and/or middle to high school.

<p>Transition Activities for Incoming and Outgoing students:</p> <ul style="list-style-type: none"> ● In August/September of each year we have a Meet and Greet and Open House to introduce students to the school and teachers. ● Teachers from the pre-school programs from outside agencies attend the IEP meetings at the end of the previous school year for pre-k students to ensure a successful transition. ● Pre-K teachers meet with parents/families in small groups in the beginning of the year to introduce students to the new setting. ● Pre-K teachers hold a parent/family meeting at the beginning of the year for all new parents/families to explain curriculum and provide general information. ● Kindergarten teachers meet with parents/families in small groups in the beginning of the year to introduce students to the new setting and introduce the curriculum and expectations ● Administrators offer tours of the school for new parents/families and students as needed. ● In May, our 4th grade students visit Amite Westside Middle Magnet School to be oriented for the following year. ● We include an administrator from AWMMS in all 4th grade LEAP, benchmark, and IEP meetings to plan for transitions. ● Feedback is obtained through conversations with parents and through the Title 1 survey results. 	<p>ED Priority(s): 1,2,3,4,5</p>	<p>Goal(s): 1-7</p>	<p>Budget Decisions/Coordination:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Title I <input type="checkbox"/> Title II <input type="checkbox"/> Title III <input type="checkbox"/> Title IV <input type="checkbox"/> LA4 <input type="checkbox"/> IDEA <input type="checkbox"/> Homeless <input type="checkbox"/> General Fund <input type="checkbox"/> Perkins <input type="checkbox"/> Other 	<p>Items Needed: Bus drivers Door prizes decorations</p> <p>Estimated Cost: \$2,000</p>	<p>Effectiveness Measure: Attendance Sign-in sheets Title 1 Parent Survey</p>

--	--	--	--	---

Coordination and Integration of Federal, State, and Local Resources, Services, and Programs:	
<p>McKinney Vento: All homeless students receive all services for which they are eligible at their school site through Title I, Title III, Food Services, LA4, IDEA, and McKinney Vento funds.</p> <p>Food Services: All students whose income qualifies them for free/reduced meals participate in the federal food service program.</p> <p>Special Education: Identified students with disabilities receive all services specified on their IEP through a combination of GFF, IDEA, Title I, or Title III funding.</p>	<p>English as a Second Language (ESL): Identified LEP students receive services from ESL teachers, paraprofessionals, and/or tutors at their school site. These services are paid for through GFF, Title I, Title III, and Title III Immigrant Funds.</p> <p>21st Century Programs: Students in participating schools are entitled to attend the 21st Century afterschool programs during the school year and during the summer.</p> <p>Headstart Preschool Programs: Headstart preschool children graduate into their feeder schools in the District in which they live. Receiving schools provide transition activities and services for children and parents. Preschool programs are funded through LA4, 8G grant, Title I, and GFF.</p>

4. Regular Monitoring and SWP Revision

- *The SWP remains in effect for the duration of the school year. The plan and its implementation shall be regularly monitored and revised as necessary based on student needs to ensure that all students are provided opportunities to meet the challenging state academic standards.*
- *The school will annually evaluate the implementation of, and results achieved by, the schoolwide program using data from the state's annual assessments and other indicators of academic achievement to determine whether the plan has been effective in increasing achievement of students in meeting the state's academic standards, particularly for those students who had been furthest from achieving the standards. The school will revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.*

Describe how and when the SWP is monitored during the school year using multiple types of data including diagnostic, interim, and summative assessment, in order to evaluate instructional practices, determine patterns of student achievement, and make necessary adjustments to increase student learning across grade levels, content areas, claims/subclaims, and subgroups:

- Title I Contact Person along with the curriculum coach, and leadership team members will identify curriculum content to be assessed. They will create assessments that will allow teachers to evaluate student strengths, weaknesses, and growth. The assessments will be administered in the fall, winter and spring to determine growth and success of the plan being implemented. The SWP committee makes adjustments on use of Title I budget according to analyzed data
- CKLA data will be collected in August and DIBELS data will be collected in September and two other times to determine students' reading strengths and weaknesses. Using the information collected, students will receive interventions that are targeted to meet their individual needs. Computer programs and reading interventionists will be utilized to assist teachers in supporting student growth. Student data, common formative assessments, and test scores will be used to identify students who are not showing adequate growth are performing below grade level expectations. Those students will receive additional support and be referred to SAT to be tracked and evaluated. Student progress will be collected, sorted by subgroups and analyzed to identify subgroups that may be at risk. Modification to the plan will be made to support those subgroups. PLC topics are adjusted based on the needs determined by analyzing the data.
- Our PBIS planning team will analyze and report data by subgroups to the leadership team. This information will be discussed and then shared with collaboration pods. The PBIS team will also create bi-weekly incentives to motivate students to show dependable behavior. The PBIS plan will be used to monitor student performance. Morning announcements will be incorporated to reinforce the weekly character skill.
- AP and Magnet Specialist are invited to provide professional development in the areas of academic needs based on the data.
- The PFE committee makes adjustments to activities as needed.

Describe how and when the SWP Committee will meet and discuss school programs implemented, as outlined in the SWP, to determine effectiveness and to assist in planning for the upcoming school year:

- In September, the SWP Committee meets to discuss new plans for the upcoming school year (tutoring plan, interventions, para schedules, etc.)
- In October, the SWP Committee meets to complete a Data Analysis to help determine strengths and weaknesses of our school.
- In November, the SWP Committee meets to discuss revision of the Title I budget if needed.
- In January/February, the SWP Committee meets to develop our SWP.
- In January, the SWP Committee meets (if needed) to make revisions to the budget.
- In March, the SWP Committee meets to review the SIP and revise as necessary.

- In May/June, the committee meets to gather all of the data for the evaluation of Title I programs and to write the Evaluation

Describe how and when the evaluation results of the SWP are reported to the school’s stakeholders (faculty, staff, parents/families, and community members):

- SWP will be rated for effectiveness in the Early June 2023 Stakeholder meeting. Results will be shared with teachers during leadership meetings and PLCs in August 2023. Results will be shared during faculty meetings and strengths and weaknesses will be discussed. Results will be shared with parents and community members during Open House an. Assessment results are reported to stakeholders during PTO meetings, Open House in September, monthly PLCs, monthly parent newsletters, school website, and teacher websites. Parents will receive individual student reports, through daily work, weekly tests and report cards.

2022-2023 Committee

Members

School Improvement Planning Committee

Responsible for the Design, Monitoring, Revision, and Evaluation of the SWP

Members Include:

- **Principal: Dana Topps**
- **Assistant Principal: Tina Cooper**
- **Magnet Specialist: Pamela Brown**
- **Student: Travon Perry**
- **Teachers: Sheila Binder, Rachel Mixon, Jordan Schlicher, Sandra Sibley, Tyra Cook, Ashley Green, Casey Corkern, Karen Lowery**
- **Parent/Family: Vanessa Carpenter**
- **Community Member: Mark Batiste**

You may add more members. Provide title and name of each member.

Parent/Family Engagement Committee

Responsible for the Implementation of the PFE Activities in the SWP

Members Include:

- **Principal: Dana Topps**
- **Assistant Principal: Tina Cooper**
- **Magnet Specialist: Pamela Brown**
- **Student:**
- **Teachers: Sheila Binder, Rachel Mixon, Jordan Schlicher, Sandra Sibley, Tyra Cook, Ashley Green, Casey Corkern, Karen Lowery**
- **Parent/Family: Vanessa Carpenter**
- **Community Member: Mark Batiste**

You may add more members. Provide title and name of each member.

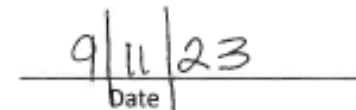

SCHOOL ASSURANCES

- ✓ I certify that this schoolwide plan was designed to improve student achievement with input from all stakeholders.
- ✓ I assure that the school-level personnel, including stakeholder representatives responsible for implementation of this plan, have collaborated in the writing of the plan.

- ✓ I hereby certify that this plan has all of the following components:
 - Evidence of the use of a comprehensive needs assessment
 - Measurable goals
 - Parent and family engagement activities aligned with assessed needs
 - Evidence-based methods, strategies, and activities that guide curriculum content, instruction, and assessment
 - Plans for transitioning incoming and outgoing students in the school community
 - Professional development aligned with assessed needs and strategies to attract and keep high quality teachers
 - Coordination and integration of federal, state, and local resources, services, and programs
 - Evaluation plan that includes methods to measure progress of implementation and effectiveness of strategies and programs
 - An schoolwide action plan with timelines and specific activities for implementing the above criteria

- ✓ I further certify that the information contained in this assurance is true and correct to the best of my knowledge.
