**COMMUNITY USE OF DIGITAL RESOURCES**

On recommendation of the Superintendent in conjunction with the Director of Technology, the district shall determine when and which computer equipment, software, and information access, including the use of wireless internet access, systems will be available to the community.

Those using the district systems as a member of the community must abide by the district's procedures regarding responsible use.

All guests will be prompted to, and must accept the district's digital use form before accessing the district network.

The Superintendent or designee may revoke such access at any time.
