

Happy Easter

HORIZONTE SUNS

April 2024

Dear Parents, Guardians, and Students,

As we approach the exciting month of April, I want to emphasize the importance of student attendance, credit acquisition, and graduation readiness.

Consistent attendance is key to academic success. I urge all students to prioritize being present and engaged in every class, as each day missed can impact their learning journey.

For our high school seniors, credit acquisition is paramount as they work towards graduation. It's crucial for seniors to stay focused, complete any outstanding credits, and meet graduation requirements to ensure a smooth transition to the next chapter of their lives.

As graduation approaches, let us support and encourage our seniors in their final stretch. Whether it's through academic support, mentorship, or guidance, let's ensure they have the tools and resources needed to achieve their goals.

Together, let's make April a month of commitment, perseverance, and achievement as we strive towards academic excellence and celebrate the successes of our students.

With warm regards,

Principal Moliki

April 26: Adult- SLCC Jordan Fieldtrip

April 12: Regular Friday Schedule

April 19: Regular Friday Schedule

April 26: Regular Friday Schedule

Straight Out of The Counseling Center:

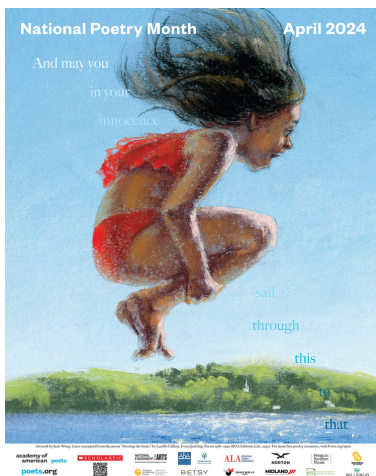

As we approach the month of April, we are excited for the nice spring weather and to continue with our Salt Lake Community College and Davis Technical College campus tours. So far, we have visited the South City and Miller SLCC campuses and have seen and learned about The arts, automotive, culinary arts, and law enforcement programs as well as the amazing supports SLCC has to offer our students.

This month, counselors will continue to work with seniors revisiting their graduation plans and finding a path to the future they want. With Spring Break upon us, please encourage your students to work on any missing assignments they may have, so they will be caught up for the term 5 grading period, which is April 19th. Have a wonderful Spring!

Horizonte Library:

The Month of April will focus on Earth Day resources, Creative Career Talks with a Film Curator, and National Poetry Month displays! Everyone is a poet, so we will have many writing activities in the library for self-expression through words. Come check out your community library happenings this month!

Creative Careers Talk: Russell Roots- Director of Film Exhibition for Utah Film Center

Join us in the library to chat with Russell about the work they do to deliver dynamic, inclusive, innovative and professional film programming to Utah audiences! Students interested in journalism, radio, and digital media are welcomed to join!

Where: Horizonte Library
1234 Main Street
When: Fri, April 12th
Time: 10:30-11:30am during Advisory

The History of Horizonte Instruction and Training Center:

This mural has a story to tell.

If you look closely you will see a Horse. Horizonte use to be known as Horace Mann (Horse Man). The man next to the Horse is James Anderson, he played a big part at Horizonte. He took 10 students, that you see here, and helped them achieve their goals and graduate High School. Another key player in this Mural is Archie Archuleta. Archie was a big Activist in the Salt Lake Community, so big he named Horizonte. You may think that it is smoke coming out of his mouth, but really it's him saying/naming "HORIZONTE".

One of our own is also in this beautiful Mural. The one you see in the center holding the Mayan Calendar is Aura :D and the baby you see in the bottom left is her beautiful daughter.

If it wasn't for Aura sharing the meaning behind this mural no one will ever know the specialness that this mural holds. I hope you enjoyed reading this fun fact about Horizonte.
