PUBLIC COMMENT

None

ACTION ITEM

2024-25 4 DAY SCHOOL CALENDAR CONSIDERATION

Mr. Skogen presents to the board for consideration for adopting and approving the path forward with planning a calendar for a 4-day calendar for the 2024-25 school year. The board, staff and public have been surveyed and discussion followed with the results of those surveys. Mr. Skogen adds in all the surveys staff and public are in favor of adopting a 4-day calendar model for next school year. The base calendar was drafted to outline an initial calendar for the school year that would lead our conversation and discussions as to how best to create a calendar for the year which will be developed once a decision is made by the calendar committee. Mr. Skogen added the draft calendar would be 155 school instruction days but the calendar committee will develop in the next month to adopt for next year.
Discussion followed.
Jay Quenzer moved to approve Baker Public Schools transition to a 4-day school week or a 4-day hybrid school week for the 2024-25 school year. Cody Strandbakke seconded the motion; motion carried unanimously.

Missy Thielen wanted to thank the board and staff to look at all sides to make the transition.

There being no other business, meeting adjourns at 6:24 pm.
