

THE WILDCAT WEEKLY

A Note from Dr. G

Special "I Feel the Earth Move Under My Feet" Edition

Volume 3 Issue 28

Superintendent's Corner

With all eyes on Monday's eclipse, it was certainly a shock to feel the Earth move under our feet this morning! Today's earthquake reinforced that our buildings are in good physical condition, our safety and security procedures are in order, and our local law enforcement partners are always ready to assist us. Thank you everyone for ensuring our students and staff are safe.

Hawthorne students got ready for Earth Day with a visit from the PNW BOCES Center for Environmental Learning. "Where Does My Garbage Go" demonstrated what happens when paper, uneaten food, plastic, glass, metal, and old batteries are tossed. Students followed their trash to the waste-to-energy incinerator, landfill, recycling plant, and compost pile. They also learned how garbage impacts living creatures and their environments and even met some worms! Tonight is the highly anticipated WMS Faculty Volleyball Game. Organized each year by the WMS PTA, this year's event is extra special because three 8th graders - Savannah, Juliana and Kylie - are coordinating concession sales as part of their Community Learning Project.

Finally, as you know, we are ready with glasses for the eclipse Monday!

Noticing the Good

This week gave us the opportunity to recognize two very special groups of people in our district, Assistant Principals and School Librarians! National Assistant Principals Week is a celebration of the dedicated folks who work tirelessly to bolster teachers, motivate students, support their principal, create a positive learning community, and face the many unpredictable challenges that land on their desks. Thank you to our Assistant Principals Erica Denman, Terri Outhouse, and Daniel Brady!

National School Librarian Day recognizes the professionals who keep the school library in working order. School librarians spend long hours keeping the library organized. They are also dedicated to helping our children find the resources they need to keep learning. Thank you to our Library Media Specialists Carolyn McCullough, Kristen Finno, and Lenore Rotanelli!

The Mount Pleasant Education Foundation's Annual Silent Auction will be online on April 10!

Sign up to bid online from home and buy raffle tickets for this cute bag.
