Thinking about school supplies for next school year?

New this year, the PTO is selling school supply kits to our JFK Families. The kits will contain the school supplies you will need for the next school year and typically will cost about 40% LESS than using online retailers. Kits will be available for pick up at Open House for the next school year (if you do not attend Open House, the kits will be in your child's class on the first day of school). Order forms will be going home soon, so keep an eye out. You do not need to know your child's teacher to order the supply kits for next year.

JFK PTO Jabber April 2024
John F. Kennedy Elementary School

Thank you for making our spring fundraiser a success!

Due to the amazing support of our JFK families, we were able to raise a little over \$16K! We are getting quotes on playground improvements and safety enhancements at JFK. In addition, the money is used for fun events like Carnival, Fun Day, Family Dance, and our family engagement nights. All money raised through JFK PTO has a direct impact on JFK, our students, staff, and teachers, so thank you for your support this year.

All students participated in the dance-a-thon the Friday before Spring Break and had an absolute blast! We had a DJ playing songs as the kids danced; it was a great time. Thank you to our sponsors for donating money to provide t-shirts to all JFK students. We are so lucky to have such great community support.
