

## **Middle School Mathematics Teacher**

### ***Position starts 2024-2025 School Year***

Carrollwood Day School is seeking a dynamic educator to join our middle school mathematics department. The ideal candidate will have a strong interest in math, be passionate about teaching math, and will easily form meaningful connections with middle school-aged students throughout their academic journey.

Carrollwood Day School (<http://www.carrollwooddayschool.org>) is an innovative International Baccalaureate (IB) independent school located in North Tampa, FL. Since the inception of CDS in 1982, we have prided ourselves on being a community of learners. We have grown from a preschool into a comprehensive program serving more than 1200 students from age two through 12th grade. Carrollwood Day School stands out as a leader in its commitment to educating the whole child and is recognized nationally for its academic excellence and its school-wide emphasis on character development. Outside the classroom, our students are engaged in a multitude of athletics, arts, and extra-curricular programs. In short, we have PATRIOT PRIDE in everything we do at CDS.

The vision of Carrollwood Day School is to build a community prepared and inspired to better the world. As an IB World School, we cultivate principled entrepreneurial thinkers for a global society by enriching the mind, strengthening the character, and inspiring the passions of our community.

Carrollwood Day School embraces and celebrates the rich diversity of our students, employees, and families from all backgrounds. As an International Baccalaureate continuum school, CDS strives to create a supportive and inclusive learning environment where each person is valued. We work to intentionally develop cross-cultural competency and appreciation of differences within all constituents. We value the influence of a wide range of experiences and perspectives in our classrooms, relationships, and interactions as we prepare our students to contribute to a diverse and interconnected world.

Carrollwood Day School is one of only 36 independent schools in the United States to offer the full curriculum/continuum of IB programmes from early childhood through college prep (PYP, MYP, and DP). In 2019, CDS was honored to become one of only 15 U.S. schools to earn membership in the Cum Laude Society and also offer an International Baccalaureate education. In 2022, CDS was welcomed into the prestigious Round Square organization. In 2023, CDS was awarded the Florida and National School of Character Designation for the second time.

Understanding that a team of talented, supported, and growth-minded teachers is what leads to student success, the first pillar of our strategic plan is to become the destination school for exceptional educators in the Tampa Bay region. Want to join our team and better the world?

#### **The Position of Middle School Math Teacher:**

As a cooperative member of the Math Department and Middle School team, develop and teach Middle School math to students from grades 6 through 8. Provide an educational atmosphere where students are inspired to fulfill their potential for intellectual and character growth.

#### **Essential Job Responsibilities:**

- Actively support and advance the vision and mission of Carrollwood Day School
- Teach developmentally appropriate Middle School math classes, ensuring that taught content and skills align with the expectations of a rich, college prep curriculum and the expectations of the IB

MYP programme. Classes could include standard and honors levels of math 6, pre-algebra, algebra I, and geometry.

- In collaboration with the Department Chair, IB Coordinators, and colleagues, adapt material and methods to develop relevant sequential assignments and unit & lesson plans that guide and challenge students.
- Establish and maintain student behavior standards needed to achieve a positive classroom environment; demonstrate strong classroom management skills to maintain a respectful learning environment that ensures high levels of learning for all students.
- Model and foster a love of math and its application in real-world situations.
- Assess and document each student's performance/progress both formally and informally to meet the School's standards and provide consistent and regular feedback to students and their parents through the school's LMS, report cards, and anecdotal comments.
- Lead an extracurricular club to increase student engagement.
- Be an active member of the math department, the Middle School team, and the greater CDS community.
- Encourage students to think independently and to express original ideas.
- Partner and cooperate with learning specialists and counselors to identify and assess student needs and help students solve learning, health, and attitude problems.
- Serve as a faculty advisor to a group of students; utilize the established CDS advisory program.
- Participate in faculty committees and the sponsorship of student activities, occasionally including off-campus field trips and class trips.
- Maintain subject matter expertise and professional competence by attending faculty development programs, curriculum development meetings, and other professional development opportunities.
- Incorporate 21st-century teaching skills into the curriculum.
- Model and foster non-discriminatory practices and a global mindset.
- Serve as a mentor and advocate for your students and advisees; be available throughout the school day.
- Be a role model of integrity and professionalism.
- Be a team player; cheerfully participate in and/or assist with pick-up and drop-off, lunch duty, assemblies, field trips, Back to School Night, and other duties and routines regularly part of a PK-12 independent school environment.
- Maintain regular and punctual attendance requirements, including attending division and other school meetings, professional days, graduation, and other required events.
- Adhere to School policies as described in the Employee Handbook and other materials.

**Qualifications, Skills, and Attributes Needed for Success:**

- Bachelor's Degree required, preferably in mathematics education or a related field
- Master's Degree in a related field is strongly preferred.
- Three years of successful mathematics teaching at the middle school level is strongly preferred
- Experience with IB is preferred but not required.
- Have or complete within one year the Category One training with the IB; may be required to do training over the summer. CDS pays for the cost of the training.
- Demonstrate a natural affinity for working with middle school-aged children.
- Strong understanding of the academic, social, and emotional development of middle school-aged children.
- Strong collaborative skills and eagerness to work with colleagues.
- Strong proficiency in the Google suite of products (docs, sheets, drive, etc.).
- Excellent verbal, written, and presentation communication skills.
- Have an interest in engaging with the greater CDS community beyond the traditional school day.
- A high degree of professionalism, collegiality, and personal conduct both in and outside of school.

- Ability, willingness, and judgment to interact and communicate effectively and positively with all constituents in a school environment.
- Comfortable with ambiguity and change inherent in a school environment; willingness to adapt and pivot as needed.
- Enthusiasm and commitment to the vision and mission of the School.

Compensation includes a comprehensive employee benefits package; CDS offers a competitive salary commensurate with background and experience.

Qualified candidates should send a resume/CV, a statement of interest, and salary expectations to Dr. Chuck Maddox, Head of Middle School: [cmaddox@cdspatriots.org](mailto:cmaddox@cdspatriots.org)
