

Dear Incoming Band Families,

Welcome to Stevenson Band! We are so excited to welcome you into our band family. The Band Parent Organization is comprised of all the parents with students in band. We meet monthly to learn about upcoming events, support the directors and our band students. We also do a lot of volunteering at football games, basketball games, other community events, and concerts! The parents help to make sure that these events run smoothly and kids have what they need to perform.

We would love to invite you to be an active participant in the BPO! This is a fantastic way to learn what is going on with the band program, get to know the directors and meet other parents. We've all formed some wonderful friendships while working together and we've had a blast at all the band activities!

- Hanging with the band in the End Zone during a Friday night football game!
- Taking photos backstage at concerts and events!
- Having fun selling concessions and cheering on the team during basketball games!
- Feeding hungry band members during band camp, football games and at concerts.
- Knowing that you helped make everyone look so snazzy by volunteering with uniforms!
- Earning money to support the band students by organizing benefit days or helping put together Patriot Cards.
- Creating memories during the senior dinner.
- Creating fun spirit wear to show our loyalty to the SHS band!

Below you can find our upcoming school year volunteer opportunities. We have a spot for everyone - if you have only 30 minutes or several hours. If you would like further information or are interested, please start by filling out this [District 125 Parent Volunteer Form](#):

Then, reach out to BPO Parent Power shsbpovolunteers@gmail.com .

In particular, we would love to invite more photographers to help capture the memories of our band as many of our photographers have graduating seniors. If you have the time to volunteer as a committee chair, we have openings to help coordinate our volunteers and arrange for Benefit Nights at local restaurants.

Thank you and we are so happy you are here!

Sincerely,

Kathryn King shsbpopresident@gmail.com
