SUPERINTENDENT'S MESSAGE

Dear Frankfort-Schuyler Families and Community,

Over the past nine months, I have been continuously amazed with our incredible school system and the wonderful opportunities available for all of our students. I have also been impressed with our Board and their commitment to the budget planning process. Each Board member has been actively involved in the development of the budget, asking thoughtful questions and reviewing all aspects of our expenditures as well as anticipated revenues. As a result of the extensive planning, analysis and future projections, the Frankfort-Schuyler Central School District is committed to providing our families and community with the necessary budget information to make an informed decision on Tuesday, May 17, 2022. Our proposed budget balances the needs of both the taxpayers of the Frankfort-Schuyler School Community and our students through the development of a fiscally responsible budget designed to provide our students with the best diversified educational program. The proposed 2022-2023 total school budget is \$21,478,430. This will result in a 1.75% tax increase, the lowest increase over the past five years for Frankfort-Schuyler homeowners. This fiscal plan upholds the goals of the Frankfort-Schuyler CSD Strategic Plan and maintains our current elementary class sizes, continues the implementation of our

regular instructional program, maintains current transportation services, enhances our student support programs and provides exceptional literacy support in our elementary school. This budget also continues to support our After-School Exploratory Enrichment Program, while allowing us to continue to offer a Summer Enrichment Program. Furthermore, it maintains the current interscholastic athletic, co-curricular programs and appropriates well-planned reserves to address potential future reductions in federal and state aid, while still considering the District's fiscal future. Please take the time to read our newsletter before going to vote on May 17. You may also wish to review our budget presentation, which can be accessed on our website. Your consideration of the 2022-23 school budget is greatly appreciated.

With Frankfort-Schuyler Pride,

Joseph M. Palmer
Superintendent of Schools

Frankfort FREE Library

The Frankfort Free Library continues to provide free public access to its collection, computers, internet, literacy and craft classes, special events and use of the community room.

Numerous local organizations utilize our space and resources.

The library partners with the school district and after-school programs and has served as a distribution point for pandemic related items. Operating costs

have escalated and fund development opportunities have been severely restricted. The

library is seeking a modest increase to the tax levy to keep pace. Voting on the measure will be done in conjunction with the school budget vote. **A public hearing to review this requested increase will be held on May 5 at 6:00 p.m. at the library.**

We are looking forward to another successful Summer Reading Program. Check our monthly calendars and social media for upcoming events. Please contact the library at 315.894.9611 with any questions.

Administration Update

The Frankfort-Schuyler School District would like to thank our families for their due diligence with combating COVID-19. We've continued to keep our positive cases down even with the mask mandate lifted. We continue to encourage choice with mask wearing. We continue to implement our modified safety and COVID protocols as things are getting back to normal. Recently, we've opened up more tables in the cafeterias.

We are proud to share that our last enrollment of the Elementary After-School Exploratory Enrichment Program exceeded our expectations with over 160 students enrolled! We offered different classes, including wrestling, cheer, kickboxing, creative writing, cursive writing, card making and more! Thank you to our K-12 teachers that helped make this successful!

At the middle/high school, students are participating in the vast variety of clubs and extracurricular activities we have to offer. We had our well-attended Winter Weekend dance in February, Kaleidoscope Concert and Art Show in March and our musical performance of "Mamma Mia!" the first in over two years due to the pandemic. We had sell-out audiences both evenings and "Mamma Mia!" is still the talk of the town. National Junior Honor Society and National Honor Society held their induction ceremonies in March. Spring sports are off to a great start and outside of the normal challenges of upstate New York weather at this time, the team rosters are full and the kids are hopeful for a winning season.

Our seniors will have a jam-packed, fun-filled spring with music, honors and athletic banquets on the horizon, along with prom at the Rustic Ties and a graduation ceremony to remember at the Adirondack Bank Center in Utica. The middle school is looking forward to Fun Day scheduled for June 15 and an eighth grade moving up ceremony for students and parents to enjoy on the evening of June 23.

Our Elementary PTO spring fundraisers (*raffle and Spring-O*) were a big success! The PTO is already planning the Fun Day in June for our students.

Our District recently purchased over 100 Hats not Hate kits as part of our wellness program. Hats not Hate is an anti-bullying campaign. Hats are knitted or crocheted and then distributed to schools for students to wear, empowering them to stand up to bullying.

Let us know how we can continue to better serve students, support staff and partner with parents!

Educationally yours,

Mrs. Melanie Welch, Elementary Principal

Ms. Dawn Harvey, CSE Chairperson

Mr. Michael Stalteri, Secondary Principal

Mrs. Julie Tangorra, K-12 Director of Student Achievement

Board of Education Election

Tricia Service

Growing up, my grandmother Rose Licari Montana would always talk about what a joy it was growing up in Frankfort. I often think how excited she would have been when my husband, Mark, and I moved our family to Frankfort in the summer of 2013. We wanted to be part of a great small community, have our three children attend an excellent school district with smaller class sizes and live among neighbors who look out for each other. Frankfort is truly a special place and has lived up to our expectations. Our school district is great, as are the teachers, administrators and staff in them. However, it is the support, involvement and the parents that makes this school system what it is.

Being an educator with 23 years of experience in the Utica City School District, one of my goals will be to share my time and talents with our District as a member of the School Board. I also have a personal interest in preserving and making sure our District is continuing to provide a quality education. That is simply because my husband, Mark, whom I have been lucky enough to be married to for over 17 years, and I have three children (Alexandria, Thomas and Nicholas) attending this District. I will always look for ways to improve the quality of our school system for not only, my children, but all the Frankfort-Schuyler current and future children.

As a School Board member, I will try my best to represent the different groups in the community and ensure that others have a voice in making educational decisions. I will help to create stronger ties between the school board and the community. I also hope to help influence the fiscal health of our District.

Providing children with a quality education is my passion. It would be an honor to serve the community on the Frankfort-Schuyler School Board for the next five years.

"Frankfort is my home. I was born and raised here. I realized my love for my hometown and moved back to purchase my family home. Raising my children in a small community has always been a priority and Frankfort is a wonderful place to do that. I want to be an advocate for both parents and children. To give a voice to the everyday parent and those without one yet. I'm comfortable with going against the status quo and will look to institute change when necessary. I look forward to the opportunity to represent the school community in the coming years." – Reneè Palumbo Jarosz
