

IS IT CONSENT?

WHAT YOU NEED TO KNOW

It's Explicit

- ✓ Requires a verbal confirmation
 - i.e. "Yes!" or "I'd be open to try."
- ✓ Clear
- ✗ Cannot be assumed or implied

It's Ongoing

- ✓ Can be changed/revoked at any time
- ✓ Is comfortable
- ✓ Is asked for and communicated when the type or degree of activity changes
 - i.e. "Is this still okay?"

It's Freely Given

- ✓ Given without risk of coercion, threats, or manipulation
- ✗ Cannot be given if person is under influence of alcohol or drugs
- ✗ Cannot be given if person is unconscious

It's Based on Equal Power

- ✓ Is between peers
 - All parties must be of legal age to consent
- ✗ Cannot be obtained if a person abuses their position of authority or power.

IT'S NOT:

Well, they didn't say no...

He told his friend I would.

We already did it before.

They were quiet and didn't stop me.

They just needed some convincing...

She was flirting with me.

He told me he'd post the nudes I sent him if I didn't.

I bought her a drink.

They sent me a nude and said they wanted to in a text.
