

# HAVE YOU OR SOMEONE YOU KNOW EVER EXPERIENCED SOMETHING LIKE:

Hey! Missed you at Girl's Night last night... How are you?

Um... Okay. Honestly things got pretty weird between me and my man...

He has been sweet, took me shopping, told me how beautiful I am... But then we got in a fight and he ghosted me...

Then he messages me today apologizing and we make up, and now he's asking me to send him a sexy pic to show off his girlfriend to his friends...

Wait, like a nude?

Yeah... He said if I do it he can hook me up with some stuff to party with... I'm not sure if I should, but I really want the stuff...
