TITLE: MEDIA SPECIALIST

QUALIFICATIONS: Idaho Teaching Certificate with Library Media Specialist (K-12) or Teacher Librarian endorsement. Previous library experience preferred.

Demonstrated ability related to collection development, information technology, research methodology, and library program designs for children and adolescents.

REPORTS TO: Principal

SUPERVISES: Library Paraprofessional/Aides/Volunteers

JOB GOAL: To develop and coordinate educational media services, and to assist teachers and students in the effective use of the media center and information technology as a learning resource to support the school's curriculum. To develop students' information literacy skills while supporting the mission and vision of the district.

POSITION RESPONSIBILITIES:

Media Center Materials and Operations

1. Be responsible for the operation and supervision of the school media center.
2. Maintain a comprehensive and efficient system for cataloging all media center materials and instruct teachers and students on use of the system.
3. Evaluate, select, and provide recommendations for the purchase of new media center materials to the building administration.
4. Prepare and administer the media center budget.
5. Supervise the clerical activities necessary for the effective operation of the media center.
6. Make labels as needed using Dewey Decimal Classification System.
7. Shelve and maintain books, audio-visual equipment, and other library resources appropriately.
8. Mend and repair books and other library materials.
9. Assess and assist in collecting reimbursements for lost or damaged books.
10. Conduct a yearly inventory of books and equipment.
11. Strive to provide students with a large and varied selection of high-quality age-appropriate books as described by the "Improving Access to Books and Other Reading Materials" section of the *Idaho Comprehensive Literacy Plan: Birth – 12th Grade* when practical.
12. Troubleshoot computer and technology problems on library computers.
13. Order, display, and file periodical literature.
14. Circulate library materials or train teachers or aids to perform this task.
15. Maintain bookkeeping functions regarding fines, and notices of fines.
16. Create a positive atmosphere in the library that encourages student and staff use.

Work Directly with Students

1. Provide a sequential program of library skills instruction and instructs students in the use of various types of materials and information technology.
2. Help students to develop skill in the use of reference material in relation to planned assignments.
3. In a collaborative effort or at the request of the teacher, integrate library and research skills into lessons on any subject.
4. Conduct orientations in library procedures for student library assistants.
5. Supervise student library assistants.

6. Monitor student computer and library materials use on a sign-in basis.
7. Teach students library science skills and promote proper use of library resources.
8. Share books with students through oral readings, book talks, reading programs, dramatizations, and other appropriate activities to stimulate interest in reading.
9. Be familiar with online resources such as websites, search engines, and databases to assist students with information retrieval.
10. Provide instruction on content evaluation, with particular focus on online resources.
11. Assist in the assessment of students as assigned (i.e. ISAT, SAT, PSAT, etc.)
12. Assist building administration with the supervision of students in the library during student lunch periods as needed.

Work with Staff

1. Collaborate with other school library staff to provide effective media services.
2. Collaborate with teachers to integrate information literacy competencies across the curricula.
3. Assist teachers in the selection of books and other instructional materials and make media center materials available to supplement the instructional program.
4. Inform teachers and other staff of new acquisitions by the media center.
5. Conduct in-service education for teachers in the effective evaluation, selection, and use of media and other relevant topics, and maintain professional library materials for teacher use.
6. As requested by teachers, select and pull items for thematic units.
7. Coordinate library skills instruction with classroom instruction, and work to achieve curriculum content standards and district educational goals and objectives.
8. Help create and distribute a library class schedule for the instructional year.
9. Supervise and evaluate the work of the Library Paraprofessional.

DEMONSTRATED KNOWLEDGE AND ABILITIES:

1. Ability to effectively present information in one-on-one, small group, peer-to-peer and whole group situations.
2. Excellent oral communication skills including ability to read stories, keep students' attention, and communicate/co-teach with faculty.
3. Familiarity with the Idaho Information and Communication Technology Standards and ability to help students meet them.
4. Works well with students and staff.
5. Interest in and aptitude for books and libraries.
6. Knowledgeable with computers, including knowledge of word processing, data bases, spreadsheets, reports, and periodical, reference, electronic and/or online books, mobile computing devices, book search programs, digital research, and digital citizenship.
7. Works well under pressure and deadlines.
8. Excellent organizational skills.
9. Maintain confidentiality of staff and students.
10. Promote relationships with external information sources (i.e. the local public library) and participate in electronic networks and resource sharing systems to expand the media center's capacity to access information globally.
11. Be familiar with all relevant federal and state law, administrative rules, and Board policy and follow them.
12. Keep immediate supervisor informed of activities and any issues that may arise.
13. Attend faculty meetings as required.
14. Assume responsibility for his or her continuing professional growth and development by such efforts as attendance at professional meetings, membership in professional organizations, enrollment in advanced courses, and by reading professional journals and other publications.
15. Adhere to The Code of Ethics of the Idaho Teaching Profession adopted by the Professional

Standards Commission and the State Board of Education.

16. Adhere to modern best practices for school librarianship.
17. Seek assistance should emergencies arise.
18. Represent the school district in a positive manner.
19. Know and follow school district policy and chain of command.
20. Perform other duties as assigned.

TERMS OF EMPLOYMENT:

By contract as determined by the Board of Trustees in accordance with federal and state law, administrative rules, and Board policy.

EVALUATION:

Performance of this position will be evaluated annually by the Building Principal in conformance with district policy and IDAPA 08.02.02.120.

REPORTS TO: Building Principal(s)

SUPERVISES: Building staff as assigned by supervisor

JOB GOAL: Assist the building principal(s) in providing leadership and managerial oversight to the instructional program and school operations and in promoting the academic and behavioral development of each student. Ensure the school's academic programs and systems are successfully implemented in order to maximize teacher instruction and student learning experiences.

PERFORMANCE RESPONSIBILITIES:

1. Assists the building principal(s) in providing strategic leadership to ensure all staff adhere to site, district, and state educational standards and goals as well as the Post Falls School District mission and vision.
2. Supports the building principal(s) in monitoring, facilitating, and evaluating staff implementation of the school improvement plan. This includes instructional coaching for certified staff and support of their effective use of instructional strategies, district-adopted curricular materials aligned to Idaho State adopted standards, and analysis of district assessments to make instructional decisions.
3. Assists building principal(s) in delivering professional development to staff and in developing an environment for effective staff and collaboration meetings focused on student growth.
4. Provides support to the building principal(s) to influence, establish, and sustain a positive school culture conducive to continuous improvement for students and staff through mentorship, motivation, and morale building.
5. Assists building principal(s) in student management and discipline on a building-wide basis, ensuring the physical, social, mental, and intellectual safety of students and staff. Demonstrates the ability to constructively work with students exhibiting behavioral challenges.
6. Communicates and partners with families, staff, and community members to promote student learning. Participates in the coordination and planning of parent engagement activities.
7. Utilizes Charlotte Danielson's Framework for Teaching to plan, conduct, and maintain performance evaluations designed to ensure building goals and objectives are achieved.
8. Collects, analyzes, and synthesizes student data and leads data-driven conversations among staff members regarding student growth and progress.
9. Possesses knowledge of local, state, and federal regulations regarding students with disabilities and the Individuals with Disabilities Education Act (IDEA). Serves as principal designee as appropriate at IEP, 504, or other meetings.

10. Assists building principal(s) with conducting safety drills and their proper documentation and facilitating staff discussions about such topics. Maintains contact with the building principal(s) regarding safety issues and during emergencies.
11. Organizes and administers, in collaboration with the building principal(s), school-wide support systems which provide optimal educational opportunities for students. These may include but are not limited to new teacher mentoring activities; MTSS and/or leadership meetings; data conversations, grade level, and/or vertical alignment collaborations; and assemblies.
12. Assists in the development, implementation, interpretation, and administration of policies, rules and regulations, and negotiated employee agreements.
13. Assists in the supervision of school functions, activities, and events, including evening responsibilities.
14. Assists building principal(s) in developing school schedules and partners with the building principal(s) to supervise, direct, and coordinate the assignment of instructional and support personnel as related to those schedules.
15. Demonstrates confidentiality, integrity, honesty and respect.
16. Performs other duties as assigned by supervisor.

TERMS OF EMPLOYMENT: One year only contract based on qualifications and experience. 187 day Idaho State Approved Educator contract.

SALARY: Determined by education and experience starting at \$76,500.

EVALUATION: Performance of this job will be evaluated annually in accordance with provision of the Board's policy on evaluation of certificated personnel.
