DETERMINATION OF COST OR PRICE ANALYSIS (REASONABLENESS)

Purpose: Federal regulations require documentation of cost analysis or price analysis for every procurement action at or above \$150,000 (see 2 C.F.R. § 200.323). The Determination of Cost or Price Reasonableness form is used to document the analysis showing that the offered price is fair and reasonable. The form is kept as part of the procurement file to demonstrate that the procurement process was conducted in an open and fair manner and that the District received the most advantageous price.

Instructions:

1. Complete a separate Determination of Cost or Price Reasonableness form for each vendor being recommended for contract award. Complete all applicable sections according to the instructions given. An incomplete Determination of Cost or Price Reasonableness form cannot be approved.
2. Provide a detailed discussion of your price analysis or cost analysis. A Determination of Cost or Price Reasonableness form that lacks sufficient detail cannot be approved.
3. Sign in blue ink and date the form.
4. Maintain a copy on the grant file subject to retention schedules
