### C. Special Rules

1. Rules Applicable to Instructors in Periods near the Conclusion of the Academic Term: The following rules apply to any employee who takes leave without pay under this policy and who is employed principally in an instructional capacity.
- a. If leave without pay begins more than five weeks before the end of an academic term, the Principal may require the employee to continue taking leave until the end of that academic term, if:
    - 1) The leave is of at least three weeks duration, and
    - 2) The return to work would occur during the three-week period before the end of the academic term.
  - b. If Parental or Family Medical leave without pay begins within five weeks before the end of an academic term, the Principal may require the employee to continue taking leave until the end of that term, if:
    - 1) The leave is of more than two weeks duration, and
    - 2) The return to work would occur during the two-week period before the end of the academic term.

- c. If Parental or Family Medical leave without pay begins within three weeks before the end of an academic term the Principal may require the employees to continue taking leave until the end of that term, if the leave is for more than five working days.
- d. The extended leave is counted against the teacher's FMLA allotment. If the teacher's FMLA allotment expires during the extension the additional time is nevertheless deemed FMLA leave.

## 2. Intermittent Leave and Reduced Leave Schedules:

- a. If the intermittent leave or reduced leave schedule is foreseeable based on planned medical treatment, the Superintendent or his/her designee may require the employee to transfer temporarily to an available alternate position:
  - 1) Which is offered by the Superintendent or his/her designee,
  - 2) For which the employee is qualified,
  - 3) Which has equivalent pay and benefits, and
  - 4) Which better accommodates recurring periods of leave than the regular employment position of the employee.
- b. If a teacher does not give the School Committee the required 30 days' notice for intermittent leave or a reduced leave schedule which is foreseeable, he/she or she must delay the taking of leave until the notice provision is met.
- c. If a teacher takes intermittent leave or a reduced leave schedule which is for more than 20% of the normal working days over the period of the leave, that teacher must instead take the entire period as FMLA leave.

## 3. Benefits during Leave:

- a. While the employee is on leave, the School System shall maintain coverage of that employee under its group health plan at the level and under the conditions which would have been provided if the employee had continued in employment instead of being on leave.
- b. If the employee normally had a monthly payment to that plan, the employee must make that monthly payment. If the employee fails to make such payments, the School System shall, if possible, continue the benefits at the reduced rate permitted for the School System's payment alone. If such a reduced rate is not possible, then the employee shall be excluded from the group health plan.

## 4. Employment and Benefits upon Return to Work:

- a. Any employee who takes leave under this Policy for the intended purpose of the leave shall be entitled, on return from leave:
    - 1) To be restored to his or her former job, or
    - 2) To be placed in an equivalent position with equivalent benefits, pay, and other terms and conditions of employment.
  - b. The taking of leave under this policy shall not result in the loss of any employment benefit accrued before the date on which the leave began.
  - c. No employee shall accrue seniority or employment benefits during any period of leave, nor shall the employee be entitled to any right, benefit, or position of employment other than those to which the employee would have been entitled if the employee had not taken the leave. This policy does not change the legal requirement that probationary teachers teach at least 160 contractual teaching days during the school year in order to count the year toward the three years of service needed to attain continuing contract status.
  - d. The Superintendent or his/her designee may deny restoration to salaried employees who are among the highest paid 10 percent of the School System's employees, if:
    - 1) Such denial is necessary to prevent substantial and grievous economic injury to the operations of the School System,
    - 2) The Superintendent or his/her designee notifies the employee of the intent of the School System to deny restoration on the basis of economic injury at the time the Superintendent or his/her designee determines that such injury would occur, and
    - 3) If the leave has begun, the employee does not return to work after receiving the notice of intent not to restore him or her.
5. Failure to Return from Leave: The School System may recover the premium which it paid for maintaining coverage of the employee under its group health plan during the employee's unpaid leave under this policy if:
- a. The employee fails to return from unpaid leave under this policy after the period of leave to which the employee is entitled has expired; and
  - b. The employee fails to return to work for a reason other than:
    - 1) The continuance, recurrence, or onset of a serious health condition which would entitle the employee to personal or family medical leave without pay, or

2) Other circumstances beyond the control of the employee.

6. Prohibited Acts:

- a. No employee of the School System shall interfere with, restrain, or deny the exercise of or the attempt to exercise any right provided under this title.
- b. No employee of the School System shall discriminate against any individual for opposing any practice contrary to this policy.
- c. No employee of the School System shall discriminate against any individual for:
  - 1) Filing any charge, instituting or causing to be instituted any proceeding, under or related to this policy,
  - 2) Giving, or being about to give, any information in connection with any inquiry or proceeding relating to any right provided under this policy, or
  - 3) Testifying, or being about to testify, in any inquiry or proceeding relating to any right provided under this policy.
