What is Title I?

Altamaha Elementary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support state and local school reform efforts tied to challenging state academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental engagement. All Title I schools must jointly develop with all parents, a written parental involvement policy.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Altamaha Elementary will provide opportunities to improve parent engagement to support students' learning. Altamaha Elementary values the contributions and engagement of parents in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Altamaha Elementary will support parent engagement on how parents can help plan participation in activities or events that promote students' learning at school and at home.

How is it developed? Altamaha Elementary School welcomes parent input and comments at any time regarding the plan. All parent feedback will be used to revise the plan for next year. The plan is posted on the school website under Title I for parents to view. We also distribute an annual Title I survey to ask parents for their suggestions on the plan and the use of funds for parent engagement. Parents can also give feedback during parent meetings, Parental Advisory Council meetings, and the Title I meetings for next school year.

Who is it for? All students participating in the Title I, Part A program and their families are encouraged and invited to fully participate in the opportunities described in this plan. Altamaha Elementary will provide opportunities for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

Where is it available? At the beginning of the year, the plan is copied and sent home with all students. As a reminder, we let parents know how to access the plan on the school website and in the school office.
