_____ My student **does not** have access to reliable wifi/internet connectivity

As per Section 161.670, RSMo., in order to be considered for MOCAP virtual instruction the following conditions must be met:

- *The student must be enrolled full-time in and has attended, for at least one semester immediately prior to enrolling in MoCAP, a public school (including a charter school) unless the student has a documented medical or physical diagnosis or condition that prevented the student from attending school the previous semester*

In addition, Section 161.670 RSMo states:

- *Nothing in this subsection shall require any school district, charter school, or the state to provide computers, equipment, or internet access to any student unless required by an eligible student with a disability to comply with federal law.*
- *Reliable internet access will be required in order for students to participate in virtual instruction courses.*

Note: The reader is encouraged to review policies and/or procedures for related information in support of this administrative area.
