Firearms Prohibited

No person on grounds of the schools controlled by the Board (including in school buildings), will possess any firearm¹, except when said firearm is possessed by a person who is not otherwise prohibited from possessing the firearm, and is unloaded and locked in a motor vehicle. The exception provided in Oregon Revised Statute (ORS) 166.370(3)(g) for concealed carry licensees (see ORS 166.291 and 166.292) does not apply to the possession of firearms on grounds of the schools controlled by the Board.² Firearms under the control of law enforcement personnel are permitted. The superintendent may authorize other persons to possess weapons for courses, programs and activities when in compliance with law and board policy.

Any person violating or threatening to violate the above rules, as determined by the district, may be issued a trespass citation, ejected from the premises and referred to law enforcement officials³.

The district will post clearly visible sign(s) at all normal points of entry to the school grounds subject to this policy indicating that the affirmative defense described in ORS 166.370(3)(g) does not apply.
