

# HOGAN CEDARS

## ELEMENTARY SCHOOL

September 21, 2023

Dear Hogan Cedars families,

I hope this message finds you well and still basking in the glow of a fantastic start to the new school year. We want to take a moment to express our appreciation for your incredible support and for sending your children so prepared to learn. Seriously, you all deserve gold stars for that!

Here at Hogan Cedars, we firmly believe that relationships matter. From our cheerful greetings in the morning to our daily soft starts and engaging morning meetings, building positive relationships with our students is always a top priority. After all, who doesn't love starting their day with some smiles and high-fives?

But let's not forget about the relationship between our school community and you, our amazing parents! We know that being involved in your child's education is important, which is why we encourage you to develop connections with teachers, our PTSO, other parents, and anyone else who plays a role in your child's academic life.

We understand that sometimes concerns may arise. In those cases (and any others), we kindly ask that you go straight to the source of the issue. If it's something happening in class, reach out to your child's teacher first so we can quickly resolve any matters.

Oh! And mark your calendars because Tuesday, September 26th is going to be an epic night! It's Back To School/Title I Night – an event where parents get a chance to see what really goes on behind these classroom doors.

We're looking forward to continuing this journey together throughout the 2023-2024 school year. Remember that open communication between home and school plays a vital role in supporting your child's growth and success.

Thank you once again for entrusting us with your children's education. Your partnership means everything!

Educationally yours,

Heidi Blakley  
Principal
