The Hutto ISD Police Department supports the 77th Texas Legislature's mandate prohibiting racial profiling in Texas. Our police officers work under a departmental policy that is consistent with all state and federal laws. The policy includes provisions for citizens to contact us if they have a conflict with a police officer.

The Hutto ISD Police Department realizes that there will be disagreements, from time to time, with individuals that come in contact with our officers. We realize that confusion, different perceptions or possibly the timeliness of information could result in information that may produce different accounts of the same incident. These disagreements between citizens and officers need to be addressed. We trust that the vast majority of contacts between citizens and officers are conducted in a positive, professional manner. The relationship between the community and our officers is based on confidence and trust. We cannot be effective without both the community and our officers working together to achieve this goal.

Citizens feeling that they have a legitimate concern may make a formal complaint to the Hutto ISD Police Department at any time by contacting any member of this department for information on the complaint process. Additional information about this process may be obtained by calling us at (512) 759-4711 and asking for a supervisor or by accessing our department via E-mail at HISD.police@HuttoISD.net

The Hutto ISD Police Department would like to know about positive police contacts. Please write or E-mail the Chief a letter or note to let him know about a positive contact with our officers. Chief Edwards will let the officer know about your letter and a copy will be placed in the officer's personnel folder.

We are very proud of the relationship the Hutto ISD Police Department shares with our community and we look forward to hearing from you.

William Edwards
