

Jennfier Hoffman

My name is Coach Jennifer Hoffman and I have been blessed to be a part of Hippo Nation for 13 years now. I have lived in Hutto for 27 years, and have seen this sleepy little town grow into what it is today. I love this community and take pride in being a coach at Hutto HS. I grew up in Pflugerville and then went on to play college basketball at Baylor University. I graduated in 1994 with a double major in Biology, and Health & Human Performance. I am currently the Women's Coordinator and the Girls Head Varsity Track Coach. As the Women's Coordinator, I support our coaches and student-athletes at Farley and Hutto Middle School, the Ninth Grade Center, and Hutto High School. I also sponsor Fellowship of Christian Athletes (FCA) and the Student Athletic Leadership Committee (SALC). I am the Secondary PE Liaison for the district.

SALC is a group of student-athletes that have been identified by their coaches as excellent leaders and positive role models. My role is to help them find ways to support and serve our community. Some of the most rewarding activities that we take part in are the Thanksgiving Food Drive, welcoming the students on Fridays at NJES, and raising money and purchasing Christmas gifts for local families. My goal is to grow leaders and encourage them to help others that are less fortunate than they are.

My husband, Dean, and I have been married for 27 years and have 3 beautiful daughters: Shelby is a graduate of Texas Tech and is currently a project manager and a basketball coach at Westbrook MS in League City. Kailey, is a junior at Texas Tech, and Kinley is a 9th grader at Thrall High School. We live in Hutto in the country and enjoy horses, gardening, fishing, hunting, and family time. Sports have always been a huge part of our children's lives and we enjoy watching them compete. We attend Immanuel Lutheran Church in Pflugerville where I have been a member my entire life.
