I am from the Rio Grande Valley where I received my high school diploma from McAllen Memorial. After graduation I attended the University of Texas-Pan American (now University of Texas - Rio Grande Valley) and received both my Bachelor's and Master's degrees. I am currently completing my dissertation at Chicago University Concordia where I will receive my Doctorate in Leadership with a concentration in Health and Human Performance. I enjoy working out, reading, and attending music concerts. I am a New England Patriots fan. I enjoy being an athletic trainer because it is a privilege being able to serve and have an impact on student athletic trainer aides and student-athletes.
