

## **Victoria Limely**

I am Victoria Limely. I grew up in Kyle, Texas just an hour south of Hutto. I graduated from Jack C. Hays High School in Buda. After graduation I attended Louisiana Tech University (How Bout Them Dogs!) and received my Bachelors of Science in Kinesiology. Upon completion of my bachelor's degree, I attended Texas State University to achieve my Masters of Science in Athletic Training. I love working for Hutto High School and the many opportunities provided to me. I appreciate being at the Ninth Grade Center campus and assisting with the many student athletes in athletics.

In my free time I enjoy cooking, going dancing, and visiting with family and spending time with great company. I love any chance to be out on the lake or river and enjoy aquatic activities. Go Hippo Nation!
