Dear Hutto ISD Families, Staff & Community,

It's hard to believe we are in our fourth week of the 2022-23 school year! We hope our parents, teachers and community have adjusted to new routines, energy and excitement that comes from being together again.

Hippo Nation inspires excellence in academics, character, and community. We do this in part by engaging the community to enhance the student experience. We launched a new communication tool, [ParentSquare](#) and have seen our campuses open back up for lunch and events following the pandemic's restrictions of the past few years. We invite you to join us applying to serve as a [volunteer or mentor](#) in Hutto ISD. By volunteering once per week, month or year, you can make a difference in our students' education and their lives. You will receive an email when your volunteer application and background check are approved.

If you haven't accepted your ParentSquare invitation, please do. You'll find valuable information shared by your teachers, your student's school and the district. Be sure to adjust your notification and language settings to meet your personal preferences. **continued on page 2**

UNITED IN EXCELLENCE FOR 2022-23 continued

It's also a good time to remind you of our schedule for regular and timely communications to keep you informed. All parents, staff, and subscribed community members receive the following:

- Monthly communications from Hutto ISD's Hippo Monthly newsletter the first Wednesday of every month.
- Regular communications from your student's campus - distribution schedules vary by campus, primarily through ParentSquare via email, text and within the app.

Additionally, we use social media as an official outlet to share routine news and information, and also for timely emergency notifications such as inclement weather updates, power outages, etc. in addition to sharing via our local news stations when appropriate. Consider following @HuttoISD on [Twitter](#), [Facebook](#), and [Instagram](#). Our teams regularly monitor these platforms to help you stay informed and engaged.

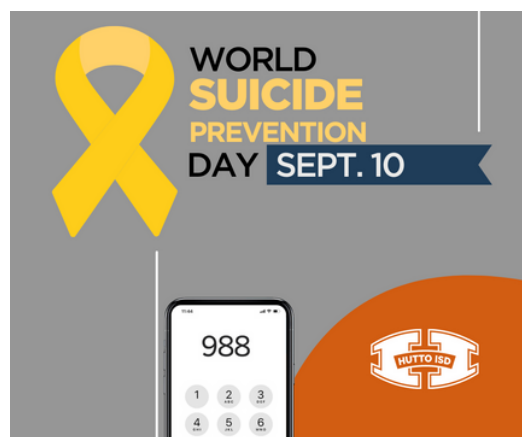

Thanks to so many of you for joining in on our Hippo Nation Fridays by sporting orange and sharing your pictures with us. It's fabulous seeing our entire community united in Hutto ISD orange! This year's theme is "United in Excellence, Unidos!" We truly believe we are better when we are united. We are grateful for your partnership in building the character, academics and sense of community of our students

NATIONAL SUICIDE PREVENTION AWARENESS MONTH

September is National Suicide Prevention Awareness Month, which helps promote resources and awareness around the issues of suicide prevention, how you can help others, and how to talk about suicide without increasing the risk of harm. We use this month to reach out to those affected by suicide, raise awareness and connect individuals with suicidal ideation to treatment services. It is also important to ensure that individuals, friends, and families have access to the resources they need to discuss suicide prevention.

In an effort to be proactive in preventing teen suicides, we would like to share some information on the [warning signs and risk factors of teen suicide](#). Suicidal thoughts, much like mental health conditions, can affect anyone regardless of age, gender or background. In fact, suicide is often the result of an untreated mental health condition. Suicidal thoughts, although common, should not be considered normal and often indicate more serious issues.

If you or someone you know is experiencing suicidal thoughts or emotional distress, please call or text the three-digit Suicide Prevention and Mental Health Crisis Line—988. It routes callers to the National Suicide Prevention Lifeline (800-273-8255). You may also call 911 immediately.

NAMING OF MIDDLE SCHOOL #3

GUS ALMQUIST MIDDLE SCHOOL

After seeking community recommendations for the naming of Hutto ISD's third middle school, the school board voted unanimously on August 25 to approve the name: Gus Almquist Middle School. Mr. Almquist was a native of Hutto, with his ancestors settling in Hutto from Sweden. Mr. Almquist and his three siblings, four children, and so far, four grandchildren, graduated from Hutto High School. Mr. Almquist served on the Hutto School Board for 17 years, including leading as board president.

After seeking community recommendations for the naming of Hutto ISD's third middle school, the school board voted unanimously on August 25 to approve the name: Gus Almquist Middle School. Mr. Almquist was a native of Hutto, with his ancestors settling in Hutto from Sweden. Mr. Almquist and his three siblings, four children, and so far, four grandchildren, graduated from Hutto High School. Mr. Almquist served on the Hutto School Board for 17 years, including leading as board president. One of the high marks of his tenure on the board, was ensuring Hutto ISD remained independent during talks of a Pflugerville/Hutto consolidation.

Paula Martin, Almquist's daughter, shared stories with the trustees, including a time when Hutto had no money for band uniforms, and Almquist enlisted his wife to make band uniforms for 7th-12th grade band members. Almquist's wife also created Hutto's first Hippo mascot costume.

After retiring from the Board and from farming, Gus Almquist worked at Hutto ISD in groundskeeping and maintenance and became known to all as "Mr. Gus." He had a loving heart, was giving, caring and became a good friend to the teachers. He could be seen carrying boxes and hanging bulletin boards for teachers, and giving hugs to students who grew to call him "Mr. Gus," or "Pawpaw Gus" as his own grandchildren also called him.

Trustee Shannon Jacobs, said "He went above and beyond for our community. When we see those shining lights of people who stepped up even though they didn't have to, I think it's important in picking the name." Board Vice President Amy English read a quote that Paula Martin shared, originally stated by Coretta Scott King: "The greatness of a community is most accurately measured by the compassionate actions of its members."

Trustee Terrence Owens, said, "Your dad and the emails we received remind me of the goodness in our community and Hutto especially. His name will go along with the Kerleys and the Howard Normans, and the Nadine Johnsons ... and I hope that whoever becomes the principal of the new middle school will embody your dad's name and his work and it will become part of the teaching at the school." Billie Logiudice, Board President, said, "May Gus Almquist Middle School be a reminder that we can all be the caring, giving people in today's world."

The district looks forward to working with the family during the construction process to bring special touches to the campus to best recognize Mr. Almquist's memory. The naming of a school says so much about a school community. I am thrilled to know the school's namesake, Gus Almquist, exemplifies the wholesome character traits that we all want students and future residents to model," said Celina Estrada Thomas, Ph.D, Superintendent.

DONORS MAKING WAVES

On August 25, Kitchell presented Cottonwood Creek Elementary with a check for \$1,200 dollars for needed supplies for the school year. Cottonwood Creek Elementary plans to use their donation to help stock the new Science Lab with hands-on supplies.

Thanks to the Hutto Education Foundation and Kitchell for supporting Hutto schools. - Using a designated crosswalk is the safest and legal way to cross the road.
- Jaywalking is illegal and can result in a fine.
- If you are caught jaywalking at HHS, off campus lunch privileges could be revoked.

FOOD AND NUTRITION SERVICES

FOOD SERVICE FOR 2022-23

All Hutto ISD students will receive free breakfast in our cafeterias. During the COVID-19 pandemic, Congress authorized spending that allowed schools to serve free meals for all students. Those funds are not authorized to continue for the 2022-2023 school year. As a result, Hutto ISD must return to charging for lunch, offering free and reduced-price meals based on student eligibility.

Starting on August 15, 2022, Hutto ISD began distributing letters and applications to the households of the children in the district about eligibility benefits. Families are encouraged to complete the [Application for Free and Reduced- Price School Meals](#), and return the completed form online or to any school office. View more information [here](#).

Please note the following rate increases in lunch service:

SCHOOL	2021-22	2022-23
Elementary	\$2.55	\$2.65
Secondary (6-12)	\$2.80	\$2.90

free breakfast

Lunch Cost
Elementary (PK-5) \$2.65
Secondary (6-12) \$2.90

Meal payments can be made at myschoolbucks.com or at any cafeteria register.

Meal payments can be made at myschoolbucks.com or at any cafeteria register.

TRANSPORTATION RECOGNITION

A PERFECT 10

Transportation Services employee, Bradley Alders is well recognized by anyone who has students at Cottonwood Creek Elementary or Hutto Middle Schools. Rightly so, after all, he hasn't missed a day, rain or shine, in 10 years of service. Bradley was recognized by the Hutto ISD board members at the August 25 board meeting.

Parents love that Brad learns each of the kid's names and students miss Mr. Brad in the summer months. Thank you for your dedicated service to keeping our students safe!

EQUITY, RACISM AND INCLUSIVENESS

COLLABORATING FOR UNITY

After only two months officially on the job, the new DEI Director has loved every minute of this humanizing, collaborative work. Thymai Dong, Ph.D. (tee-my) feels fortunate that the Equity, Racism, & Inclusiveness (ERI) Task Force has already established the groundwork for how we will create a district culture of equity and safety. Dr. Dong is honored to work with parents/guardians, teachers, Board/community members, and administrators, and looks forward to expanding membership soon. She has delighted in connecting with people, listening to their stories, and letting them get to know her so they know who they have entrusted with diversity, equity, and inclusion efforts. The [DEI vision](#) for the district is truly all-encompassing in that it is:

- collaborating around how to remain united, unidos, in our beautiful diversity,
- committing to educational equity so that access, learning, and success are not destined by any race/ethnicity/gender/class-based indicators, and
- interacting with one another in strength-based ways as an undivided community and family, always prioritizing inclusion.

Thank you to the community who attended the ERI Public Forum in June and to the teachers who attended the DEI session at HippoCon in August. Your compassion for all Hippos alike will continue to inspire Hutto ISD as we glide forward together. We look forward to see everyone at our future community events!

As you go forward and inspire excellence this year, please remember to take care of yourself while you take care of others, because who you are matters!
