Dear «SUBNAM»:

Your child may be eligible for dependent coverage under the «GRPNAM» due to a disability. The plan document states the following.

An unmarried Child who is a Dependent and who exceeds the Plan’s limiting age for Dependent Children will be eligible for coverage if he, prior to turning age 26, is incapable of self-sustaining employment and is dependent upon you for support due to a mental or physical disability.

Notification of incapacitation must be provided within thirty-one (31) days after the Dependent Child attains age 26, or in the case of a newly-added Dependent Child older than age 26, within thirty-one (31) days after the Effective Date. Failure to provide notification of incapacitation within the timeframe stated above will result in loss of coverage for the Dependent Child. However, he may be re-enrolled in the Plan during an open enrollment period.

Proof of incapacitation will be required to determine whether or not the Dependent Child qualifies as disabled and may be required on an annual basis.

Enclosed are two questionnaires – the first should be filled out by you and the second should be filled out by your dependent’s physician.

Please mail or fax the requested information along with a copy of this letter to the address below:

Claims Office
P.O. Box 25946
Overland Park, KS 66225-5946

FAX: 888-860-6962

Once our review is complete, you will be notified of your dependent’s eligibility status as a disabled dependent.

We thank you for your cooperation in order to make a complete and thorough assessment.
